(paulm@fhsaa.org)

In accordance with Article 9.8.0 of the FHSAA Bylaws, the following Terms and Conditions governing the 2009 FHSAA State Baseball Series have been approved by the FHSAA Board of Directors. Paul McLaughlin, administrator for baseball, shall be the state series director.

201. Team Entries

201.01 Eligibility.

(1) Participation in the state series is voluntary and open to any full member senior high school varsity team provided:

(a) The school successfully sponsors a varsity baseball program in the previous school year (i.e., schedules and completes a minimum of four varsity-level games);

(b) The school's varsity team competes in a minimum of four (4) regular season varsity contests or the necessary district contests, whichever is greater, during the current season;

(c) The school files a commitment to participate in the state series with the FHSAA Office by the specified deadline;

(d) A school must play not less than 60 percent of its regular season contests in the sport against FHSAA member schools; and

(e) A school must not take more than one trip per school year in the sport beyond the neighboring states of Alabama, Georgia and Mississippi.

(2) A school shall enter only one (1) team.

(3) A first-time member senior high school shall not be eligible to enter a team into the FHSAA State Series in any sport in its two years of provisional membership, unless the school is created from the consolidation or division of existing member high schools and remains under the control of the same governing board. A continuing member school that is starting a new program or resuming a previously discontinued program shall not be eligible to enter a team into the state series until the school successfully sponsors a varsity program for a minimum of one school year.

(4) Boys may not participate on a girls team or in the girls division in the FHSAA State Series in any sport. In a team sport, a girl may participate on a boys team in the FHSAA State Series only if the schools does not sponsor a girls team in that sport.

201.02 Commitment to Participate.

(1) A member school that elects to participate in the state series in a team sport must have filed with the FHSAA Office a commitment to participate (Form AT12) by the specified deadline. This commitment to participate is a binding agreement between the member school and the Association, and obligates the school to participate in accordance with and abide by all guidelines, regulations, policies and procedures for the state series.

(2) A school that does not commit to participate in the state series in a team sport by the specified deadline may be permitted to participate without penalty if its writ-

ten request for entry (Form AT12) is received before the state series assignments are released. Once the state series assignments are released, the following provisions will apply:

(a) No existing or future member school will be assigned to a district after the district scheduling meeting has been held.

(b) Existing member schools which, at the time of commitment, were eligible for state series assignment and declined to commit, but then request assignment using Form AT12 effective with a subsequent year of the four-year term will be assessed a \$100 administrative fee.

(3) A school that commits to participate in the state series may be released from its commitment without penalty if written notice of its withdrawal (Form AT13) is received in the FHSAA Office before the state series assignments are released. Once the state series assignments are released, a school may withdraw from a commitment in a team sport only between years 2 and 3 of the four-year term. Withdrawal will result in the assessment of a \$250 fine and disqualification of the school from participation in the state series in that sport for the duration of the term. Withdrawal from a commitment will not relieve a school of any contractual obligations it may have with other member schools.

202. Student-Athlete Entries

202.01 Eligibility. To represent a member school in the state series, a student-athlete:

(1) Must be eligible under Bylaw 11 and applicable administrative guidelines, regulations, policies and procedures.

(2) Must participate in a minimum of four (4) interscholastic contests in the sport during the regular season. A student-athlete who is academically ineligible at the beginning of a sports season and who regains his/her eligibility during that sports season, but is unable to participate in the minimum of four (4) varsity interscholastic contests in that sport shall be exempted from this provision.

(3) Must be submitted to the district tournament/meet host on the school's official entry list.

202.02 Official Entry List.

(1) Each participating school must generate in iFHSAA and submit by fax to its district tournament manager a "2009 FHSAA State Baseball Series Official Entry List" on which is listed the name of each student-athlete who will represent the school in the state series. The official entry list:

(a) Must be filed by 5 p.m. Monday, Apr. 20, 2009 (late filing fee is \$50, increases to \$100 if not received by district tournament manager by 5 p.m. Friday, Apr. 24, 2009).

(b) May contain the names of up to 20 student-athletes, all of whom may participate. All student-athletes listed must have been previously reported to the FHSAA Office on an "Annual Eligibility Report" through iFHSAA.

(c) Must be signed by the principal, FHSAA representative and head coach.

(d) Cannot be e-mailed

(2) A school whose official entry list is not received by the time of its team's first game in the district tournament may be permitted to participate only with the approval of the FHSAA Office; however, that school shall be assessed a minimum financial

penalty of \$250. This penalty will increase if it is later determined that a student-athlete(s) representing the school was ineligible to do so.

(3) Additions or changes to an official entry list must be submitted in writing to the district, regional or state tournament manager using Form AT8. A coach making a change to his/her official entry list must declare that the student affected in the addition/change is otherwise eligible by all FHSAA policies and bylaws; appears on his/her school's annual eligibility list in the iFHSAA database, and meets all minimum contest requirements as established by the Association. The following provisions will apply:

(a) Additions/changes are permissible at any time during the state series provided the change is made between tournament games. Once a team begins a tournament game it cannot make an addition/change to its official entry list for that game.

(b) An administrative fee of \$50 per addition or change will be assessed if the AT8 form is filed after the district entry list deadline. The fee(s) will appear on the school's next monthly statement.

(4) The manager for the district tournament, regional tournament game or state tournament shall forward to the FHSAA Office all entry list change forms (AT8) and entry list receipt logs filed by schools participating in the event within 10 business days of the conclusion of the event.

203. School Classification

The classification of each school participating in the state series is determined on the basis of student population in the ninth through 12th grades as reported to the FHSAA Office in October 2004. Student populations for schools that do not have all four grades are adjusted in accordance with policy. Student populations for schools that enroll boys only are doubled for classification purposes. There are six classifications as follows:

- Class 6A – schools with populations of 2,345 or more students;
- Class 5A – schools with populations of 1,783 to 2,344 students;
- Class 4A – schools with populations of 1,039 to 1,782 students;
- Class 3A – schools with populations of 454 to 1,038 students;
- Class 2A – schools with populations of 194 to 453 students; and
- Class 1A – schools with populations of 193 or fewer students.

Classification assignments are available on FHSAA.org.

204. Districts

204.01 Assignment. Participating schools are geographically assigned to one of 16 district complexes in their respective classifications (see FHSAA.org). A tournament shall be conducted in each district complex at the conclusion of the regular season to determine the two teams that shall represent the district complex in the remainder of the state series.

204.02 District Coordinator. One school in each district complex has been designated as the district coordinator (see state series assignments on FHSAA.org). The FHSAA representative or his/her designee at the district coordinator school shall be responsible for hosting, conducting and reporting to the FHSAA Office results of the district scheduling/tournament planning meeting. The tournament manager is responsible for all aspects of the district tournament, including the seeding of teams, upon conclusion of the district planning meeting and receipt of the

meeting's minutes.

204.03 District Meeting. Each district coordinator was required to conduct a district meeting between Sept. 9-16, 2008 to schedule mandatory district games and plan the district tournament for the 2008-09 school year. During this meeting, district members were to:

(1) Determine whether district members would schedule and play one or two games against each other for district tournament seeding purposes.

(2) Schedule the necessary district games against each other; and

(3) Determine a site and make arrangements for the district tournament, including the selection of officials.

(4) A similar meeting will be held between Sept. 8-15, 2009 to schedule mandatory district games and plan the district tournament for the 2009-10 school year. The meeting must be held at a time so that all schools in the district can have a representative present with no loss of time from school. Requests for exceptions to this policy must be made in writing to the Executive Director. Each school in the district shall be required to send a representative to attend the meeting and vote on behalf of the school on all matters pertaining to plans for the district tournament. A school that is not represented at the meeting shall be assessed a \$100 penalty. If a school wishes to submit an invitation to host the district tournament at the meeting and its representative present is not the principal, FHSAA representative or athletic director, the representative must have in his/her possession a letter of invitation signed by one or more of the principal, FHSAA representative or athletic director. [Note: A District Coordinator may request of the Associate Executive Director for Athletic Administration permission to conduct a district scheduling/tournament meeting by teleconference if his/her district is spread over a large geographic area.]

If the FHSAA representative, athletic director, or baseball coach at a given school has requested and was granted placement in a district and has not received written notification from the district coordinator relative to the site and time of the district meeting, it is his/her responsibility to contact the district coordinator for the arrangements. The following agenda must be followed:

(a) Review FHSAA rules, policies, terms and conditions governing the state series, including the FHSAA Licensing and Merchandising Policy.

(b) Schedule all mandatory games between district opponents within the permissible dates. All district games must be scheduled during this meeting. If a school does not have the appropriate representative present at the meeting, the district coordinator shall schedule the district games for that school.

(c) Select host school, site and determine schedule or tournament games and number of sessions for the district tournament. (Note: An actual host school must be selected at this meeting and may be subsequently changed only with the permission of the FHSAA Office. Designating the No. 1 seed, etc., when determined, as the host school is not permitted.)

(d) Review the seeding and bracketing provisions.

(e) Determine team awards to be ordered.

(f) Select and make arrangements for purchase of baseballs.

(g) Determine number of passes to be allowed participating teams.

(h) Select officials and submit recommended list to FHSAA Office by deadline.

(i) Select official scorer and set their compensation.

(j) Determine financial arrangements and complete the Financial Terms Form included in the district meeting packet. See Section 206. Determine how expenses/profits will be shared among participating schools.

(k) Determine allocation of tickets to participating schools on an equitable basis if

seating is limited.

- (l) Determine the amount of compensation, not to exceed \$100 total for the event, to be paid to the tournament manager.
- (m) Use of multiple sites for district tournaments requires the approval of the FHSAA Office.
- (n) Other business (i.e., AED availability, etc.).

(5) The FHSAA Office will send each district coordinator a form on which to record the decisions made during the district meeting. Immediately after the meeting is concluded, a copy of the report form and minutes of the meeting should be submitted to the FHSAA Office, as well as mailed to each school in the district.

204.04 District Schedule. Each participating school shall schedule and play one or two regular season games (as determined in the district meeting) with every other district member to be eligible to participate in the district tournament. The results of the district games shall be used to determine seeding for the district tournament.

(1) The decision to play a one-game district schedule, rather than two, must be by majority vote of representatives present at the district meeting. If a majority cannot agree to play a one-game schedule, then a two-game schedule shall be played.

(a) If a district votes to play a one-game district schedule and two district opponents elect to play each other more than once, then the result of the first regular season game played will count toward district seeding.

(2) All district games must be scheduled and played not later than Saturday, Apr. 18, 2009. If a scheduled district game is postponed due to inclement weather or other unforeseen and unavoidable situations and can only be played after the Apr. 18, 2009 deadline, the FHSAA Office may grant permission for the game to be played after the deadline and counted. This exception, however, will be granted only if the game was originally scheduled to be played prior to the deadline.

205. Tournament Structure and Time Schedules

205.01 Tournament Series. The successive tournament series shall be designated respectively as district, regional and FHSAA Finals (see FHSAA.org for sample bracket).

205.02 District Tournaments.

(1) Dates, Time Schedule and Site.

(a) Dates. Week 43 (Apr. 27-May 1, 2009).

(b) Time Schedule. The championship game shall be played on either Thursday, April 30 or Friday, May 1. Otherwise, each district will determine its own dates of competition and time schedule for its tournament at the district meeting.

(c) Site. Each district will determine a site for its tournament at the district meeting.

(2) **Seeding.** The following guidelines shall be used to seed a district tournament:

(a) The team with the most district victories shall be seeded No. 1; the second most district victories seeded No. 2, etc. In the event two or more teams are unable to play the required district games due to reasons acceptable to the FHSAA Office, all teams in that district shall be seeded according to the percentage of district games won.

(b) Two Teams Tied. When two teams are tied for a seed, the following procedure

shall be used (in the following order until the tie is broken):

1. Won-loss results of head-to-head competition between the two teams;
2. Won-loss record of the two teams versus the highest-seeded team (and proceeding through the lowest seeded team, if necessary);
3. Number of victories on the road in district games;
4. Number of victories at home in district games; and
5. Coin toss by the tournament manager.

(c) Three (or more) Teams Tied. When three or more teams are tied for a seed, the following procedure shall be used (in the following order until the tie is broken):

1. Total won-loss record of games played among the tied teams;
2. Won-loss record of the tied teams versus the highest-seeded team (and proceeding through the lowest seeded team, if necessary);
3. Number of victories on the road in district games;
4. Number of victories at home in district games; and
5. Draw by the tournament manager.

Once the three-or-more-way tie has been reduced to two schools, the two-school tiebreaker formula shall be used.

(3) **Bracketing**. A single-elimination, standard progression bracket shall be used. The Nos. 1, 4, 5, 8, 9, 12, 13 and 16 seeds shall be placed in the upper half of the bracket and the Nos. 2, 3, 6, 7, 10, 11, 14 and 15 seeds shall be placed in the lower half of the bracket. Byes, if any, shall be awarded to the higher seeded teams. The team on the top line of the bracket in each game shall be designated the home team for that game.

(4) **Seeding Reports**. Each school in the district shall report by phone to the district tournament manager its final district win-loss record not later than 10 a.m. Monday, Apr. 20, 2009. Only games played prior to this date may be reported. The district tournament manager shall seed the schools, place the schools on the bracket according to their seed, and assign game dates and times in accordance with the provisions herein and the arrangements agreed upon at the district meeting. A copy of the finalized bracket shall then be faxed by the district tournament manager to all schools in the district.

205.03 Regional Tournaments.

(1) **Complexes**. Competition will be conducted in four regional complexes in each classification. Districts 1-4 will comprise the Region 1 complex, Districts 5-8 the Region 2 complex, Districts 9-12 the Region 3 complex, and Districts 13-16 the Region 4 complex. One tournament will be conducted in each regional complex.

(2) **Dates and Time Schedule**. Regional tournaments shall be played during Weeks 44 and 45 on the following dates:

- Quarterfinals – Tuesday, May 5, 2009;
- Semifinals – Friday, May 8, 2009; and
- Finals – Friday-Saturday, May 15-16, 2009.

Times for all regional tournament games must be 4 p.m. or 7 p.m. local time. If, however, a school is serving as host for both a baseball and softball Regional Tournament game, the game times may be staggered. Exceptions must be presented in writing and approved by the Executive Director or his/her designee.

(3) **Bracketing and Sites**. One of the competing schools shall serve as the host school for Regional Tournament quarterfinal, semifinal and championship games.

The host school shall be designated by the FHSAA as follows:

(a) In the regional quarterfinals, the champion of odd-numbered districts will host the runners-up from their neighboring even-numbered districts, and vice versa.

(b) In the regional semifinals, the school on the **bottom line** of the bracket in each game shall be designated the host school, except that when a district champion plays a district runner-up, the district champion always shall be designated the host school.

(c) In the regional finals, the school on the **bottom line** of the bracket in each game shall be designated the host school. If, however, the school on the bottom line of the bracket served as a host school in the regional semifinals and the school on the top line of the bracket was a visitor in the regional semifinals, the school on the top line of the bracket will be designated the host school for the regional final series. In any case, when a district champion plays a district runner-up, the district champion always shall be designated the host school.

(d) The regional final series is a best-two-of-three game series. Games 1 and 2 shall take place on Friday beginning at 4 p.m. and Game 3, if necessary, on Saturday, with all games at the same site – the host team shall be the designated “home” team for Game 1, the visiting school shall be the designated “home” team in Game 2, and a coin toss shall determine the designated “home” team in Game 3, with the host school having choice of dugouts in all games. Game 2 shall begin 60 minutes after the conclusion of Game 1. The coin toss shall be made at the pregame conference prior to Game 1. If a third game is required, the host school shall provide the umpire crew, at their request, with two hotel rooms if the umpires’ travel distance is 100 miles or more one way.

(e) Determination of a host school using this criteria is not absolute. In all cases, the FHSAA Office reserves the right to select an alternate site.

205.04 FHSAA Finals.

(1) **Dates and Site.** The FHSAA Baseball Finals state tournament shall be played on Wednesday through Saturday of Week 46 (May 20-23, 2009) and Monday through Tuesday of Week 47 (May 25-26, 2009) at Tradition Field in Port St. Lucie. classification to which they are assigned.

205.06 Local Management. The FHSAA representative of the host school will be the local manager for the state series event that his/her school is hosting. He/she will be responsible for making the necessary preparations to host the event and for the filing of necessary reports to the FHSAA Office upon conclusion of the event.

The local manager of a state series event is required to report to the FHSAA the arrangements for the event(s) his/her school will host not later than 9 a.m. EST on the day following the completion of events in the previous round; as well as the score(s) of the contest(s) in the event that his/her school hosted upon its conclusion and the updated win-loss records of participating teams.

Reports may be made online via iFHSAA or by e-mail to “baseball@fhsaa.org”. All required information must be provided regardless of the manner in which the report is filed.

206. Financial Terms

206.01 District Tournaments.

(1) **Admission.** \$5.00 per session.

(2) **Division of Receipts.** The host school shall retain 55 percent of the gross gate receipts from which it shall pay all expenses related to the event; 30 percent shall be divided evenly among the visiting school(s); and 15 percent shall be paid to the FHSAA.

By unanimous vote of those representatives present at the district meeting the terms of s.206.01(2) may be set aside and the net profit, less the 15 percent share due the FHSAA, or net loss greater than \$350 incurred by a district tournament, pro-rated among participating schools. If the vote is not unanimous, the terms of s.206.01(2) must be followed.

(3) **Event Manager Fee.** A maximum fee of \$100 may be paid to the event manager.

206.02 Regional Tournaments.

(1) **Admission.** \$6.00 per game.

(2) **Division of Receipts.** The host school shall retain 55 percent of the gross gate receipts from which it shall pay all expenses related to the event; 30 percent shall be paid to, or divided evenly among, the visiting school(s); and 15 percent shall be paid to the FHSAA.

(3) **Event Manager Fee.** A maximum fee of \$50 may be paid to the event manager.

206.03 FHSAA Finals.

(1) **Admission.** \$8.00 per session.

(2) **Division of Receipts.** When net profits after expenses allow, the FHSAA will pay each school an amount based upon its mileage from the tournament center as follows:

- 0-300 miles round trip – \$1,500.00 flat rate, plus \$1.00 per mile;
- 301-600 miles round trip – \$2,000.00 flat rate, plus \$1.00 per mile; and
- 601 or more miles round trip – \$2,500.00 flat rate, plus \$1.00 per mile.

When net profits after expenses do not allow for the payment of the above sched-

ule, participating teams will divide 50 percent of the net profit in mileage and 50 percent of the net profit on a share-per-games-played basis. In such cases, the FHSAA will not retain any share of the net profit. At no time will participating schools be paid reimbursement for expenses when the FHSAA Finals does not show a net profit after expenses.

206.04 Financial Policies.

(1) Admission prices as stated shall be charged by the host school for the state series events for which it serves as host **unless waived in writing by the Executive Director or his/her designee in advance of the event.**

(2) Numbered tickets shall be sold, must be torn in half by ticket takers so that they cannot be resold, and must be accounted for in the ticket manifest section of the financial report form that is to be completed and submitted to the FHSAA Office. The local manager must furnish the tickets to be sold for admission to the state series event which his/her school serves as host.

(3) If a state series event on the district or regional level shows a net profit of \$250 or less, the host school shall retain the net profit and no percentage shall be paid to the visiting school(s) or the FHSAA.

(4) The net profit is determined by subtracting total expenditures from the gross gate receipts on the financial report form.

(5) If a state series event on the district or regional level shows a net loss on the financial report form, the FHSAA shall compensate the host school up to \$350 for the loss, subject to the following provisions:

(a) The host school must charge the full admission price established;

(b) The host school must sell numbered tickets and account for all tickets sold in the ticket manifest section of the financial report form, as stipulated;

(c) The host school must file a financial report form for the meet within 21 calendar days of the completion of the meet as stipulated;

(d) The host school must provide supporting documentation for all expenses claimed.

(e) The host school must submit with the financial report form the “FHSAA State Series Contest Pass Gate Sign-In Form(s)” (Form AT10) as stipulated; and

(f) The host school must be in compliance with all policies for the event.

(6) Compensation for expenses of schools competing in a state series is not guaranteed. Each participating school will be responsible to pay any and all expenses related to its team. Neither the FHSAA nor the host school/organization will assume responsibility for any participating school expenses of any kind.

(7) The appropriate “FHSAA State Series Financial Report Form” (Forms FN3 & FN4) must be submitted by the host school so that it is received in the FHSAA Office, as well as by all participating schools, within 21 calendar days of the completion of the event. Payment of profit shares due participating schools and the FHSAA must be included with the report. Failure to file a financial report within the 21-day period, will result in the forfeiture of any reimbursement to which the host school is entitled. If this report is not received in the FHSAA Office within 30 calendar days, a late filing fee of \$50 will be assessed; within 60 days, \$75; and within 90 days, \$100. See FHSAA.org for “Guidelines on Filing of Financial Reports and Payment of Revenue Shares.”

206.05 Delayed or Cancelled Contests. If severe weather occurs

in the area prior to the start of, or during any, scheduled outdoor game, tournament or meet and the event is delayed, postponed, suspended or cancelled, special financial rules apply. If for other unforeseen reasons, a game, tournament or meet is delayed, postponed, suspended or cancelled, special financial rules apply.

(1) If tickets have been sold for the event and any revenue related to the event is retained by the school, then the regular financial reporting process must be completed with payments to the FHSAA and to the participating school(s). If free entry is given for a future event, the revenue received and retained should be reported for the event. If money is refunded and not retained then it should not be included as revenue reported for the event. If tickets were presold for the event and the event was cancelled before it was to begin, then the revenue received and retained (not refunded) from the presold tickets should be reported on the financial report.

(2) If a financial hardship results from the inclement weather and the related loss of playing time, the host school should submit a written request for waiver of financial share payments. Requests should be submitted to the Associate Executive Director for Athletic Administration. Requests will be considered on a case-by-case basis.

207. Tournament Regulations

207.01 Squads.

(1) **Player Limit.** Each participating school shall be allowed a maximum of 20 players in uniform for each tournament game. Uniformed players, coaches and team managers will be admitted to tournament games free of charge.

207.02 Pregame Warmup and Procedures. A pregame warm-up period of 15 minutes will be permitted prior to each game in the FHSAA Baseball Playoffs (district and regional tournaments) for infield practice. Infield practice may be reduced or eliminated due to existing field conditions. No batting practice will be permitted on the playing field.

207.03 Official Ball.

(1) **District Tournaments, Regional Quarterfinals and Semifinals.** The host school will supply legal game baseballs which must be approved by the umpire-in-chief.

(2) **Regional Finals and FHSAA Finals.** The Rawlings R100-FL baseball shall be the official ball of the regional finals and FHSAA Baseball Finals. The use of this ball will be mandatory in the regional finals and each game of the FHSAA Finals. Rawlings and the FHSAA will provide the one dozen balls to be used in competition. The host school must supply the remainder of baseballs necessary. Failure to comply shall subject the host school to penalties including, but not limited to, financial penalties and revocation of state series event hosting privileges in the respective sport.

207.04 Noisemakers. All artificial noisemaking devices, including those that simulate a game whistle, are prohibited in the state series.

207.05 Failure to Appear. 208.02 Enforcement of Rules & Policies. Participating schools shall adhere to all regulations and policies governing the state series.

The determination of the host school for each event shall be conditioned in part on the school’s willingness to comply with and enforce regulations and policies governing the event. This includes financial terms, as well as licensing and merchandising policies. A school that does not comply with and enforce such regulations and policies shall forfeit its opportunity to serve as host.

208.03 Neutrality. It is the responsibility of the host school to ensure that an atmosphere of neutrality is maintained in all state series events. Such events are not “home contests” for the host schools. Special festivities held as part of, or in conjunction with, regular season home contests (i.e., pregame activities designed to rally support for the home team, such as light shows, or give special recognition to members of the home team) are not permitted during the state series.

208.04 Forfeitures and Vacations of Brackets, Standings.

Individuals or teams that are eliminated from state series competition by defeat by individuals or teams that later are ordered to forfeit their victory, place and/or points, are not reinstated and do not advance in the state series competition from which they were eliminated by defeat.

Member schools must not issue state series passes to students or other individuals under the age of 18. Use of state series passes by students or other individuals under the age of 18 is prohibited. Users of state series passes must present a valid government-issued photo ID (i.e., drivers license) with the pass to gain admittance. A state series pass admits only the bearer. The host school/organization of a state series event shall grant Team IP access to its property for the event.

No individual(s), including those affiliated with a participating member school, shall bring onto the property of a facility at which an FHSAA State Series event is being conducted any items (including but not limited to T-shirts, caps, posters, bumper stickers, etc.) to be sold or otherwise distributed on the property to student-athletes, coaches or spectators without the written approval of the FHSAA. A member school found in violation of this provision shall be assessed a minimum fine of \$250 and, in addition, shall pay monetary damages to be mutually determined by the FHSAA and its exclusive vendor(s).

The host school/organization of a state series event may be permitted to sell generic merchandise unrelated to the event (i.e., apparel and other merchandise bearing the host school/organization's mark), provided such merchandise has been made available for sale on a consistent basis throughout the year and has not been produced specifically for sale at the state series event.

208.08 Souvenir Programs. All host schools of district tournaments/meets and regional tournaments/meets that produce an official program must display on the program cover both the appropriate FHSAA sport logo and sportsmanship logo, which may be downloaded from FHSAA.org. If the program cover is preprinted, the logos must be displayed prominently inside or on the team roster inserts.

208.09 Public-Address Protocol. The public-address announcer shall be considered a bench official for all state series events. He/she shall maintain complete neutrality at all times and, as such, shall not be a "cheerleader" for any team. - Announcements that FHSAA souvenir merchandise, souvenir programs and concessions are on sale in the facility.

During the contest, the announcer:

- Should recognize players about to attempt a play (e.g., coming up to bat in baseball, punting, kicking or receiving a punt or kick in football, serving in volleyball, etc.);
- Should recognize player(s) making a play (e.g., “Basket by Jones” in basketball, “Smith on the kill” in volleyball, etc.);

- Must not make any comment that would offer either competing team an unfair advantage in the contest; and
- Must not make any comment critical of any school, team, player, coach or official; or any other comment that has the potential to incite unsportsmanlike conduct on the part of any individual.

The announcer should be certain of the accuracy of his/her statements before making them. When in doubt, the announcer should remain silent.

208.10 Public-Address Announcements. Announcements promoting the FHSAA and its interscholastic programs must be read over the public-address system, if available, prior to and during all contests in the state series. See the “Promotions and Programs” page on FHSAA.org for the appropriate script.
