### **FHSAA Eligibility Rules-in-Brief**

Coaches must understand that these rules-in-brief are general statements only. Complete eligibility rules are contained in Article 11 of the FHSAA Bylaws. See your principal or athletic director if you have questions or need further explanation of details and exceptions.

To be eligible to represent your school in interscholastic athletics, a student-athlete:

1. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attend a charter school that is not a member of the FHSAA, the student must declare in writing his/her intention to participate in athletics to the school at which he/she is permitted to participate prior to the first day of practice. (FHSAA Bylaw 11.1)

2. Must enroll in school within 10 days of the beginning of each semester to be eligible during that semester. If not, the student must make up all work missed and be in attendance a minimum of one day for each day missed due to late enrollment before your principal can declare the student eligible. (FHSAA Bylaw 11.1)

3. Must maintain a cumulative 2.0 grade point average on a 4.0 unweighted scale through the end of the previous semester as required by Florida Statutes. This GPA must include all courses taken since the student entered high school. Sixth-graders, seventh-graders and eighth-graders must have been regularly promoted from the previous grade, carry a normal class load, do satisfactory classroom work and maintain a satisfactory conduct record. (FHSAA Bylaw 11.2)

4. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 11.2)

5. Must participate at the school in which the student first enrolls, or at which the student first takes part in an athletic practice, at the beginning of the school year. (FHSAA Bylaw 11.3)

6. Must transfer from his/her previous school prior to the first day of practice and secure an "Application for Waiver of the Transfer Rule" signed by the principal of both the previous school attended and your school. If the student transfers on or after the first day of practice in a sport the student cannot participate in that sport. If the student transfers from a school at which he/she was ineligible because of disciplinary action or unsatisfactory conduct, the student will be ineligible at your school for one full semester. If the student participates on a non-school team (i.e. AAU, American Legion, club settings, etc.) that is affiliated with or coached by a coach from a school other than the one the student attends, or has attended, and then transfer to that school, it will be assumed the student has been recruited to attend that school or transferred to that school for athletic reasons and the student will be ineligible there for one year. If the student transfers to a school that his/her coach has relocated to within the past

year, it will be assumed the student transferred to that school for athletic reasons and he/she will be ineligible there for one year. (FHSAA Bylaw 11.4)

7. Must not have enrolled in the ninth grade more than four school years ago. If the student is a sixth-grader, seventh-grader or eighthgrader, he/she must not have participated in an earlier school year in the grade in which he/she is currently enrolled. (FHSAA Bylaw 11.5)

8. Must be less than 19 years 9 months old to participate in high school; 16 years 9 months old to participate in junior high school; and 15 years 9 months old to participate in middle school. On the day the student reach one of these ages – regardless of when that day is – the student will become ineligible to participate on that level. (FHSAA Bylaw 11.6)

9. Must get signed permission to participate from his/her parents or guardian on a form provided by the school. (FHSAA Bylaw 11.7)

10. Must undergo a physical evaluation and be certified as being physically fit for interscholastic athletic competition. The physical evaluation form is valid for one calendar year from the date of the practitioner’s signature. (FHSAA Bylaw 11.8)

11. Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating. (FHSAA Bylaw 11.9)

12. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Bylaw 11.10)

13. Must display good sportsmanship and follow the rules of competition before, during and after every contest in which he/she participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 11.11)

14. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 11.12)

### **NFHS Interstate/International Sanctioning Procedures**

NOTE: The interscholastic community urges event sponsors to schedule interstate competition in a manner that minimizes the amount of time student participants will be absent from the regular school day.

#### **1. Events that Require NFHS Sanctioning.**

(a) Any interstate event involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic shoe/apparel company). Competition involving bordering states, and all other configurations of interstate competition not requiring the sanction of the NFHS office, shall be sanctioned by the state associations involved according to their own procedures.

(b) Non-bordering events if five (5) or more states are involved.

(c) Non-bordering events if more than eight (8) schools are involved.

(d) Any event involving two (2) or more schools that involves a team from a foreign country. The host school should complete the international sanction application.

(The exceptions to this rule are Canada and Mexico which are considered “bordering states.”)

2. **Request for Sanction.** Only a member school of an NFHS member state association, or a school approved by such an association, or such an association itself, is eligible to request sanctioning through the NFHS Interstate Sanctioning Program. Any event seeking NFHS sanction must be sponsored by a member high school, approved high school or state association.

3. **Interstate Competition.** Interstate competition occurs when either teams or individuals who represent their schools travel across state lines to participate in competitive sports events, including but not limited to such events as “shoot-outs,” “showcases,” “round-robin tournaments,” etc. Subject to Paragraph 3, no sanction is required from the NFHS office if all competing schools, regardless of the number of competing schools, are from states that border the host state.

4. **Timelines/Fees.** This application for sanction should be sent to the state association of the host school ninety (90) calendar days or more prior to the event and must be accompanied by the host schools processing fee of **\$100**, check or money order, per application made payable to the NFHS. Do not send cash. The sanction application must be received in the NFHS office sixty (60) calendar days or more prior to the event. The late fee for any application that arrives in the NFHS office 15-59 calendar days prior the event will be **\$50** for a total of **\$150**. If the application arrives in the NFHS office less than 15 calendar days prior the event, the late fee will be **\$150 plus a \$50 penalty for not forwarding the final list of actual entries for a total application fee of \$300. The penalty fee for not forwarding the final list of actual entries to the NFHS office twenty (20) calendar days prior to the event will be \$50. If the NFHS does not receive the late fees within five (5) calendar days prior to the event, the event will not be sanctioned, and the meet director will be notified they**

**are running a non-sanctioned event.** There is no processing fee for International Athletic Competition applications (page 3).

**5. Names and Addresses of Invited/Participating Schools.** All sanction requests submitted to the NFHS office must be accompanied by the names and addresses of all invited/participating schools. In the case of cross country and track & field events, the host school will complete the sanction application and forward it to the host state association office so that it will arrive at the NFHS office 60 days or more prior to the event. The list of schools will be due to the NFHS office ten (10) days prior to the event. If the list is not received ten (10) days prior to the event, the application for sanction will be disapproved, and the meet director will be notified that they are running a non-sanctioned event.

**6. Equal Treatment.** Schools participating in interstate competition, as well as the schools' employees and agents, shall be treated equally. Examples of such shall include, but not be limited to, the following:

(a) reduction or waiver of entry fee for one school must result in a reduction or waiver of entry fee for all schools;

(b) appearance fee paid to one school must result in an equal amount of appearance fee paid to all participating schools;

(c) expense reimbursements, if any, must result in equivalent payments to all participating schools, subject to reasonable adjustments for differing distances traveled;

(d) share of proceeds/gate paid to one school must result in equal share of proceeds/gate paid to all participating schools.

*NFHS Bylaw 17 provides that each member state association shall approve and receive NFHS approval for competition by a member school against a school from a foreign country, except for two (2) school and three (3) school competition with a school or schools from Canada or Mexico which necessitates a round trip of less than 600 miles.*

**7. NFHS Web Site.** Information regarding the status of an event that has requested NFHS Sanctioning will be posted at [www.nfhs.org/sanctioning.htm](http://www.nfhs.org/sanctioning.htm). If you have any questions regarding the status of your event, please contact the NFHS Sanctioning Department at (317) 972-6900 Monday-Friday, 8 a.m.-4:30 p.m. Eastern Time.

**8. Financial Report.** When NFHS sanction is required, the host school shall submit a financial report about the event to the NFHS on the accompanying form within ninety (90) calendar days of the completion of the event. The FHSAA Office will provide the host school/organization with the appropriate NFHS financial report form once the event has been sanctioned.

*If a state association, rather than a school, sponsors or cosponsors the event, it should submit the financial report. For additional financial report forms, contact your state high school association or the NFHS.*

## **Appendix D** **Baker Rules**

### **1. FHSAA District Team Championships.**

- (a) To be eligible to participate in the FHSAA Team Championship, teams must have a five-player roster with an optional sixth through eighth players for substitution.
- (b) Each team will begin competition bowling one block of three games American tenpin scoring. The total pin fall will determine the 1 – 4 seeds going into the double elimination competition.

Ties: If there is a tie for any seeds 1 through 3, the team captains will be summoned for a coin flip. If there is a tie for 4th seed, then the tied teams will bowl a two-frame roll-off, beginning with the 9th frame and concluding with the 10th frame. The best score shall advance. If the score remains tied after the first tiebreaker, a second tiebreaker using the same format will be conducted. Teams will bowl their two-frame roll-off on a pair of lanes not used in that round. Teams will be allowed one practice ball per lane in the first tiebreaker only with no re-racks. The substitution rule shall apply to all team tiebreakers.

All 4 teams in each division (boys, girls) will participate in the true double elimination competition. Competition shall consist of a best three out of five Baker system match. There will be no byes. Qualifying scores from round one will determine bracket assignments. No. 1 will bowl No. 4 and No. 2 will bowl No. 3 in the opening round of match play. From the second round on, the winning teams of each match will remain in the winner bracket and the losing teams will move into the consolation bracket. In order for a team in the consolation bracket to advance in the tournament, they must keep winning. Once a team in the consolation bracket incurs a second loss, that team is eliminated from the tournament.

- (c) There will be a 20-minute practice session prior to the beginning of the first round of Baker competition. Bowlers not present for any scheduled practice forfeit their time. Substitutes will receive no additional practice throws before entering competition. Violators will be disqualified from tournament play.
- (d) Lane assignments will be determined in advance by the Tournament Manager.
- (e) Teams must submit a team lineup in order to the opposing coach prior to each Baker game. The team on the top line of the bracket will bowl on the odd numbered lane for Game 1 and the team on the bottom line of the bracket will bowl on the even numbered lane for game 1. The teams will then switch lanes for each game in the match. If a fifth game is necessary, then the higher seeded team will have its choice of lanes for game No. 5. There shall be 2 minutes between games. The lower seeded team will submit the team line-up in order to the scorekeeper/monitor first. In the event of a tie during the double-elimination match play at the completion of regulation, a 9th and 10th frame roll-off will determine the winner with each team bowling on the same lane as they used during the match. The players who roll the 9th and 10th frames may be selected from the entire team. If a tie still exists, the same players will continue rolling 9th and 10th frames alternating lanes until the tie is resolved.
- (f) Each team may be granted not more than two time outs during a match to permit the coach or assistant coach to confer with a player or players in the settee area.

Time outs may only be called between frames. Time outs shall be timed by the opposing coach and shall be limited to 45 seconds each. If a team exceeds 45 seconds, a warning shall be issued. If the team is not ready to bowl within 15 seconds after the warning, that team will receive zero for the next frame. The number of time outs is not cumulative.

- (g) When a substitution is made during a game, that substitute must complete the remainder of the game. A maximum of three substitutions are permitted in each Baker game. Any player once removed cannot return to bowl for the remainder of that game.
- (h) Each team is allowed a total of one re-rack per Baker game. Violations will result in a forfeit of all pin fall for that frame. The Tournament Manager may grant additional re-racks.
- (i) Coaches are responsible for verification of their team's score. Any scoring corrections must be made prior to signing the recap forms.
- (j) Any player arriving late shall begin play and the score shall count beginning with the frame then being bowled. A bowler who misses one frame or more by not being present and ready to bowl when it is his/her turn shall be credited with a zero for all frame(s) missed.
- (k) All equipment must meet USBC specifications. Student-athletes are limited to use of a maximum of six (6) bowling balls, including practice and competition. All teams participating in the FHSAA Bowling Finals must submit a ball registration form prior to the start of competition.

Penalty for first offense: Individual and team are warned and the ball is removed from the competition. The game(s) in which the violation occurred are forfeited and the bowler will receive a score of zero. Penalty for second offense: Bowler is disqualified from the event and all game(s) in which the violation occurred are forfeited and the bowler will receive a score of zero.

Each bowling ball to be used must be registered with the event. All bowling balls must be listed on the player's ball registration form and are subject to spot checks. In the event a ball is found in violation of specifications, it must be modified to meet USBC specifications prior to being used in competition. Each bowling ball registered must contain official manufacturer identifying mark, logo, trademark or product name imprinted over the heaviest portion of the ball prior to being drilled. If the equipment does not have any of these identifying markings, the bowling ball's official paperwork must accompany the ball. The paperwork must say the manufacturer, name of bowling ball, verification that it meets USBC specifications and signed by the manufacturer with their title and telephone number. If the bowling ball does not meet these requirements, it cannot be used in the tournament. An undrilled bowling ball cannot be registered with the tournament.

Once the equipment registration is completed, no additional equipment can be added and no alterations can occur to any bowling ball without permission from the Tournament Manager. After the approved alteration has occurred, the bowling ball must be re-checked to meet USBC specifications before it is used in competition. A bowling ball may only be replaced if the Tournament Manager declares that the bowling ball is damaged beyond repair. A replacement bowling ball can be submitted to the Tournament Manager who will have that ball checked, approved and listed on the Equipment Registration form before it is used in competition.

- (l) The District Tournament Committee shall determine all matters not covered by these rules and regulations.
- (m) To maintain the pace of bowling it is proper etiquette in this event to observe one-lane courtesy and deliver the bowling ball within a reasonable amount of time. Additional courtesy or delivery time is inappropriate, delays the pace and hinders the completion of competition on time. If a bowler/team does not adhere to the rule, that bowler will receive a warning. There will be a maximum of three warnings given. After the third warning, that bowler/team will receive zero for that frame and any additional frames that a bowler violates this rule.
  - ABC Secretary Emeritus Frank Baker developed the Baker Format. In this format the lead-off bowler rolls the first and sixth frames, the second player rolls the second and seventh frames, the third player rolls the third and eighth frames, the fourth player rolls the fourth and ninth frames, and the fifth player rolls the fifth and tenth frames including any extra deliveries in the tenth frame.

## **2. FHSAA Bowling Finals Team Championship.**

- (a) To be eligible to participate in the FHSAA Team Championship, teams must have a five-player roster with an optional sixth through eighth players for substitution.
- (b) Each team will begin competition bowling one block of four games American tenpin scoring. The total pin fall will determine the 1 – 16 seeds going into the double elimination competition.

Ties: If there is a tie for any seeds 1 through 15, the team captains will be summoned for a coin flip. If there is a tie for 16th seed, then the tied teams will bowl a two-frame roll-off, beginning with the 9th frame and concluding with the 10th frame. The best score shall advance. If the score remains tied after the first tiebreaker, a second tiebreaker using the same format will be conducted. Teams will bowl their two-frame roll-off on a pair of lanes not used in that round. Teams will be allowed one practice ball per lane in the first tiebreaker only with no re-racks. The substitution rule shall apply to all team tiebreakers.

All 16 teams in each division (boys, girls) will participate in the true double elimination competition. Competition shall consist of a best three out of five Baker system match. There will be no byes. Qualifying scores from round one will determine bracket assignments. No. 1 will bowl No. 16, No. 2 will bowl No. 15, No. 3 will bowl No. 14, No. 4 will bowl No. 13, No. 5 will bowl No. 12, No. 6 will bowl No. 11, No. 7 will bowl No. 10 and No. 8 will bowl No. 9 in the opening round of match play. From the second round on, the winning teams of each match will remain in the winner bracket and the losing teams will move into the consolation bracket. In order for a team in the consolation bracket to advance in the tournament, they must keep winning. Once a team in the consolation bracket incurs a second loss, that team is eliminated from the tournament.

- (c) There will be a 15 or 20-minute practice session prior to certain rounds of competition. See the time schedule listed in the FHSAA Bowling Manual. Bowlers not present for any scheduled practice forfeit their time. Substitutes will receive no additional practice throws before entering competition. Tournament participants are not permitted to practice at Boardwalk Bowl after 5 p.m. on Monday, November 10, except during designated practice sessions. Violators will be disqualified from tournament play.

- (d) Lane assignments will be determined in advance by the FHSAA.
- (e) Teams must submit a team lineup in order to the opposing coach prior to each Baker game. The team on the top line of the bracket will bowl on the odd numbered lane for Game 1 and the team on the bottom line of the bracket will bowl on the even numbered lane for game 1. The higher-seeded team will have its choice of lanes from the pair being used for the first tie-breaker. The players who roll the 9th and 10th frames may be selected from the entire team. If a tie still exists, the head coach will again select two players to bowl the 9th and 10th frames, with the teams alternating choice of lanes until the tie is resolved.
- (f) Each team may be granted not more than two time outs during a match to permit the coach or assistant coach to confer with a player or players in the settee area. Time outs may only be called between frames. Time outs shall be timed by the opposing coach and shall be limited to 45 seconds each. If a team exceeds 45 seconds, a warning shall be issued. If the team is not ready to bowl within 15 seconds after the warning, that team will receive zero for the next frame. The number of time outs is not cumulative.
- (g) When a substitution is made during a game or tie-breaker, that substitute must complete the remainder of the game. A maximum of three substitutions are permitted in each Baker game. Any player once removed cannot return to bowl for the remainder of that game.
- (h) Each team is allowed a total of one re-rack per Baker game. Violations will result in a forfeit of all pin fall for that frame. The Tournament Manager may grant additional re-racks.
