**102.01** Only student-athletes eligible under Bylaw 11, as well as guidelines, regulations, policies and procedures governing student eligibility that have been adopted by the Board of Directors, may represent member schools in interscholastic competition. In accordance with Bylaw 11.13.1, member schools are required to certify the eligibility of their student-athletes before they participate and to withhold ineligible student-athletes from all interscholastic competition. See Appendix A for FHSAA student-athlete eligibility guidelines in brief.

**102.02** If an ineligible student-athlete is accidentally or intentionally permitted to participate in an interscholastic contest, forfeit of the contest and honors shall be automatic and mandatory.

## 103. Season and Contest Limitations

**103.01 Practice.** First practice date is Monday of Week 6 (Aug. 8, 2005). Last practice date is Saturday of Week 19 (Nov. 12, 2005).

There must be a minimum of 10 practice sessions on 10 separate days prior to the first contest.

No practice session of any kind may be held on a Sunday.

**103.02 Contests.** First regular season contest date is Monday of Week 10 (Sept. 5, 2005). Last regular season contest date is Saturday of Week 16 (Oct. 22, 2005).

(1) Maximum number of regular season contests – 13.

(2) Maximum number of contests in a school week – 3. Not more than one of these three meets may cause a loss of time from school.

(3) No contest of any kind may be held on a Sunday except under emergency conditions in tournaments or meets that are approved by the Commissioner or the Board of Directors.

**103.03 Opponents.** Member schools shall compete only against schools that are full or affiliate members of the FHSAA, or out-of-state schools that are members of associations that regulate interscholastic athletic competition within their respective states. Out-of-state schools, however, must have eligibility guidelines comparable to those of the FHSAA, and must have an established season of competition in the sport that is concurrent with that of the FHSAA. Competition with out-of-state schools, in some cases, may require the approval of the NFHS. See Appendix B for NFHS regulations on interstate and international competitions.

**103.04 Contracts.** The “Contract for Interscholastic Athletic Contest” (Form AT1) is required for all regular season contests.

Practice games, exhibition games, non-contract games and scrimmage games with other schools, groups, alumni or league teams are strictly prohibited. All such games or sessions shall be on an intra-squad basis. Non-squad members shall not participate in any team practice, match or contest.

**103.05 Student-Athletes.** Maximum number of regular season contests – 13, inclusive of all meets conducted on the varsity and sub-varsity levels. Maximum number of contests in a week – 3. Not more than one of these three meets may cause a loss of time from school.

## 104. Invitational Meets

**104.01** All invitational meets (conference, county, league, etc.) hosted by senior high schools must have the approval of the FHSAA Office. The “Application for Approval of Multi-School Athletic Event” (Form AT3) must be submitted not less than 30 days in advance of the first day of the event to avoid a late fee of \$50. Approval forms received less than 10 days in advance of the first day of the tournament will incur a late fee of \$100, and forms received after the date of the event will incur a \$200 late fee. No approval is required for regular season contests (dual, tri, quad, etc.) hosted by senior high schools, or any contests or invitational meets hosted by middle schools, regardless of the number of participating teams.

**104.02** No junior varsity, junior high or other sub-varsity team may participate in a race involving a varsity team. Junior varsity, junior high and other sub-varsity races, if held, must be run separately.

**104.03** The FHSAA shall receive eight (8) percent of the gross receipts of all invitational meets. Gross receipts include revenue derived from gate receipts and entry fees. The complete “FHSAA Financial Report Form for Invitational Meet”

(Form FN1) must be submitted by the host school so that it is received in the FHSAA Office, as well as by all participating schools, within three weeks (21 calendar days) of the event. Payment of profit shares due participating schools and the FHSAA must be included with the report. If the financial report is not received in the FHSAA Office within 30 calendar days, a late filing fee of \$50 will be assessed; within 60 days, \$75; and within 90 days, \$100. See FHSAA.org for “Guidelines on Filing of Financial Reports and Payment of Revenue Shares.”

**104.04** Certain invitational meets involving out-of-state schools may require the approval of the NFHS. See Appendix B for NFHS regulations on interstate and international competitions.

## **105. Rules of Competition**

**105.01 Competition Rules.** NFHS Cross Country Rules (Rule 9 in the NFHS Track & Field Rules Book), as modified by the FHSAA, are the official rules for all cross country meets. The following modifications to those rules have been adopted by the Board of Directors.

- **9-1-1.** The length of the course for regular season competition – both girls and boys – is five kilometers (5K), which is 3.1 miles.

- **9-2-3.** Modified scoring is optional for the regular season. All cross country meets shall be scored in accordance with NFHS rules, which state: If fewer than five (5) competitors of a team finish a race, the places of all members of that team shall be disregarded and the team scores re-ranked.

- **9-4-4.** The starting procedure for all cross country meets will be one long whistle blast followed by the firing of the starting gun.

- **9-5-1.** A varsity level cross country team must be composed of five (5) to seven (7) runners. A cross country team on the junior varsity level or below may be allowed an unlimited number of runners unless otherwise restricted by the meet director. However, only the first seven (7) runners on each team may enter into scoring.

- **9-6-1.** A headband or sweatband not exceeding two (2) inches in width made of cloth, plastic, pliable plastic or rubber may be worn by a contestant. No other type of headwear may be worn.

- **9-6-7.** Jewelry, with the exception of wristwatches, is prohibited.

**105.02 Athletic Uniforms.** Commercial advertising, with the exception of the manufacturer’s logo as permitted by NFHS rules, is prohibited on all athletic uniforms.

**105.03 Suspended Contest.** A suspended contest shall be resumed from the point of interruption. Otherwise, NFHS Rules regarding the resumption of suspended contests will apply.

**105.04 Protests.** Protests of interscholastic contests shall not be allowed. The decision of the officials shall be final. The outcome (i.e. winners and losers) of all interscholastic contests are final, and cannot be reversed, except where the rules of the sport permit or in the case where a winner must forfeit its victory or points.

**105.05 Automatic External Defibrillators (AEDs).** It is strongly recommended that an automatic external defibrillator (AED) be present and available for use if needed at the site of every interscholastic athletic contest conducted during the preseason and regular season in which member schools participate.

## **106. Sportsmanship and Unsportsmanlike Conduct**

**106.01 Sportsmanship.** Student-athletes, coaches, administrators, spectators and all other persons connected directly or indirectly with a member school, as well as contest officials, shall adhere to the principles of good sportsmanship and the ethics of competition before, during and after all contests in which they participate and/or attend.

Each participating school shall be held strictly accountable for unsportsmanlike conduct on the part of its competitors, coaches and spectators.

If contestants or people from any school are found guilty of carelessness or maliciously breaking, damaging or destroying property or equipment belonging to the host school or host organization, such school will be held responsible for costs incurred in replacing or repairing such property or equipment.

**106.02 Disqualification (ejection) for general unsportsmanlike conduct or flagrant foul.**

(1) **Student-Athlete.** Suspended from competition for remainder of contest and all contests on all levels for the following seven days, but not less than the next two regularly scheduled contests (one contest in boys football); if last contest of season, suspension is served in the next sport in which the student-athlete participates; beginning with fourth such ejection in a sport, program in that sport is placed on administrative probation and school is assessed a \$100 fine per occurrence in that sport.

(2) **Coach.** Suspended from competition for remainder of contest and all contests on all levels for the following seven days, but not less than the next two regularly scheduled contests (one contest in boys football); if last contest of season, suspension is served in the next sport in which the individual coaches; school is assessed a minimum fine of \$100 per occurrence.

**106.03 Disqualification (ejection) for gross unsportsmanlike conduct (Bylaw 11.11.2), or second or subsequent act of general unsportsmanlike conduct or flagrant foul.**

(1) **Student-Athlete.** Suspended from competition for remainder of contest and all contests on all levels for up to a period of six weeks; if last contest of season, suspension is served in the next sport in which the student-athlete participates; beginning with second such ejection in any sport, school is assessed a \$250 fine per occurrence.

(2) **Coach.** Suspended from competition for remainder of contest and all contests on levels for up to a period of six weeks; if last contest of season, suspension is served in the next sport in which the individual coaches; school is assessed a minimum fine of \$100 per occurrence.

**106.04 Restrictions on Disqualified Coach.**

(1) Must immediately leave the competition area to a place where he/she is not visible to student-athletes, officials, spectators or other coaches and where he/she cannot see the competition itself.

(2) Must not have any further contact with or give instruction to student-athletes or other members of his/her staff for the remainder of the contest; including halftime intermission; breaks between quarters, periods or innings; and post-contest activities.

(3) Shall not attend any subsequent contest from which he/she has been suspended in any capacity; shall not be present at the site; and shall not accompany his/her team to the site of the contest.

**106.05 Enforcement.** It is the responsibility of local school authorities to

ensure this policy is enforced. When an ineligible student-athlete is allowed to participate, forfeiture of the contest is mandatory. When a coach is allowed to coach in a contest from which he/she has been suspended, the school shall face additional penalties. When a coach is disqualified (ejected) from a contest and no other authorized school personnel are present to take charge of the student-athletes, the contest shall be forfeited. Contest officials, or host schools for contests in sports in which there are no registered officials, must report acts of unsportsmanlike conduct to the FHSAA Office using Form AT6 or iFHSAA.

**106.06 Additional Penalties.** In addition to the standard monetary penalty of \$100 for the disqualification (ejection) of a coach, a school may be assessed additional minimum fines for unsportsmanlike conduct by the coach or other school personnel as follows:

- Use of profanity or gutter language – \$150.00
- Continuing to give instruction to student-athletes or other members of the coaching staff after having been disqualified from a contest – \$150.00
- Pursuit of officials following a contest – \$150.00
- Refusal to leave the court, playing field or team area following disqualification – \$100.00
- Physical contact with an official – \$250.00
- Removal of a team or individual from an athletic contest prior to its normal conclusion – \$250.00

**106.07 Public Criticism of Officials.** No coach or other school employee may publicly criticize or berate an official prior to, during or following a contest. Professional ethics require that coaches and other school employees use proper channels to report their complaints about officials rather than airing them publicly. A minimum fine of \$50 shall be assessed a school whose coach or other employees are in violation of this provision.

**106.08 Crowd Control.** The home school administration is responsible for the control of spectators during a contest. The presence of uniformed officers is recommended. The officials assigned to work a contest are responsible for the conduct of the contest itself. In the event, however, a spectator or group of spectators interferes with the conduct of a contest or causes an official to become distracted through continual, unrelenting verbal abuse, the official should immediately stop the action and report the spectator or group of spectators to the home school administration or the nearest uniformed security officer and ask that they be restrained or removed from the facility. If the home school administration or uniformed security officer is unwilling or unable to comply and the official does not believe the contest can be safely continued, the official must declare the contest ended at that point. Under no circumstance should an official ever confront, challenge, rebuke or threaten a spectator, or make gestures of any kind toward a spectator before, during or after a contest.

**106.09 Banned Substances.**

(1) The use of alcohol, tobacco or tobacco-like products by student-athletes, coaches and officials is prohibited during any interscholastic athletic contest and in the vicinity of the playing field or court. A student-athlete in violation of this policy is guilty of gross unsportsmanlike conduct, will be disqualified from the contest and shall be suspended from subsequent contests in accordance with the provisions of s. 106.03(1). The official must report any violation of this policy by either a student-athlete or coach to the FHSAA Office. Violation of this policy by a student-athlete or coach shall subject the school to a monetary penalty. Violation of this policy by an official shall subject the official to a monetary penalty or suspension or both. For

violations of this policy, a minimum fine of \$100.00 shall be assessed.

(2) The use of anabolic steroids or other performance-enhancing drugs by a student-athlete is not permissible and is considered to be an act of gross unsportsmanlike conduct. A student-athlete discovered to be using such substances shall be ineligible to compete in any interscholastic contest until such time as medical evidence can be presented that the student's system is free of those substances.

## **107. Inclement Weather Procedures**

**107.01** If a thunderstorm or electrical storm occurs in the area prior to the start of or during any outdoor contest, the officials must immediately contact the principal or his/her designee of each school involved in the contest to determine if the contest should be played as scheduled, delayed, suspended or postponed. If the principal or his/her designee of either of the schools involved requests that the contest be interrupted or postponed, the officials must immediately honor such request. If the principal or his/her designee of only one of the competing schools is available, his/her request must be honored.

(1) The safety and welfare of all concerned is of paramount importance. In no case shall an official deny a request by a principal to delay, suspend or postpone an outdoor contest due to inclement weather or imply that the contest will be forfeited as a result of such a request.

(2) A suspended contest shall be resumed from the point of interruption. Otherwise, NFHS Rules regarding the resumption of suspended contests shall apply.

**107.02** If severe weather occurs in the area prior to the start of, or during any, scheduled outdoor game, tournament or meet and the event is delayed, postponed, suspended or cancelled, special rules apply. If for other unforeseen reasons, a game, tournament or meet is delayed, postponed, suspended or cancelled, special rules apply.

(1) If tickets have been sold for the event and any revenue related to the event is retained by the school, then the regular financial reporting process must be completed with payments to the FHSAA and to the participating school(s). If free entry is given for a future event, the revenue received and retained should be reported for the event. If money is refunded and not retained then it should not be included as revenue reported for the event. If tickets were presold for the event and the event was cancelled before it was to begin, then the revenue received and retained (not refunded) from the presold tickets should be reported on the financial report.

(2) If a financial hardship results from the inclement weather and the related loss of playing time, the host school should submit a written request for waiver of financial share payments. Requests should be submitted to the Associate Commissioner for Athletic Operations. Requests will be considered on a case-by-case basis.

## **108. Photographing, Filming, Videotaping Contests**

**108.01** A visiting school may photograph, film or videotape its team's or contestants' performance in a preseason or regular season contest when permission is secured from and arrangements are made with the host school principal. Videographers and their equipment must be positioned so that they do not block the view of any spectator. No representative of a school that is not participating in a contest may

film, videotape or photograph all or any part of the contest unless permission to do so is granted by the principal of each school that is participating in the contest. See s. 208.11 for provisions relative to photographing, filming or videotaping state series contests.

**108.02** Any school violating this policy is guilty of unsportsmanlike conduct and shall be subject to reprimand and the assessment of a financial penalty by the FHSAA.

## **109. Officials**

The FHSAA does not register officials in the sport of cross country. Officials, however, are registered in the sport of track & field. The use of such officials is not mandatory for any regular season cross country meet. Each host school shall be responsible for securing officials for the meets that it hosts, and for negotiating with those officials for their compensation.

To register with the FHSAA as a track & field official, contact FHSAA officials registrar Carrie Hardee at (352) 372-9551 ext. 310.

## **110. Coaches**

**110.01** The head coach is required to attend the FHSAA Online Rules Meeting. The financial penalty for failure to attend is \$50.

Thereafter, a school shall not be assigned.

Student populations for schools that do not have all four grades are adjusted in accordance with policy. Student populations for schools that enroll girls or boys only are doubled for classification purposes. There are four classifications as follows:

The FHSAA representative or his/her designee at the district coordinator school shall be responsible for hosting, conducting and reporting to the FHSAA Office results of the district meeting. The district coordinator is responsible for all aspects of the district meet until the date of the meet at which time the district meet manager will assume responsibility for the event.

### **204.03 District Meeting.**

(1) Each district coordinator must conduct a district meeting on Monday, Aug. 29, 2005. The meeting must be held at a time so that all schools in the district can have a representative present with no loss of time from school. Exceptions to this policy must be made in writing to the Commissioner.

(3) Each school in a district is required to have one voting representative present at the district meeting. All decisions will be made by a majority vote of those representatives present. A school that does not comply with and enforce such regulations and policies shall forfeit its opportunity to serve as host.

**208.03 Neutrality.** It is the responsibility of the host school to ensure that an atmosphere of neutrality is maintained in all state series events. Such events are not "home contests" for the host schools. Member schools must not issue state series passes to students or other individuals under the age of 18. Use of state series passes by students or other individuals under the age of 18 is prohibited. Team IP has been awarded exclusive souvenir merchandising rights to all state series events on the district, regional and FHSAA Finals levels in all sports. A host school/organization that desires to sell souvenir merchandise at a state series event must purchase such merchandise from Team IP. No other vendor shall be permitted to produce such merchandise. Team IP shall have the right to go on-property and sell souvenir merchandise at the site of any state series event. The host school/organization of a state series event shall grant Team IP access to its property for the event.

The host school/organization of a state series event may be permitted to sell generic merchandise unrelated to the event (i.e., apparel and other merchandise bearing the host school/organization's mark), provided such merchandise has been made available for sale on a consistent basis throughout the year and has not been produced specifically for sale at the state series event.

(4) There may be additional guidelines or restrictions for FHSAA Finals state championship events.

(5) A school that violates these guidelines shall be guilty of unsportsmanlike conduct and will be subject to reprimand and the assessment of a financial penalty by the FHSAA. ### **FHSAA Eligibility Rules-in-Brief**

Coaches must understand that these rules-in-brief are general statements only. Complete eligibility rules are contained in Article 11 of the FHSAA Bylaws. See your principal or athletic director if you have questions or need further explanation of details and exceptions.

To be eligible to represent your school in interscholastic athletics, a student-athlete:

1. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attend a charter school that is not a member of the FHSAA, the student must declare in writing his/her intention to participate in athletics to the school at which he/she is permitted to participate prior to the first day of practice. (FHSAA Bylaw 11.1)
2. Must enroll in school within 10 days of the beginning of each semester to be eligible during that semester. If not, the student must make up all work missed and be in attendance a minimum of one day for each day missed due to late enrollment before your principal can declare the student eligible. (FHSAA Bylaw 11.1)
3. Must maintain a cumulative 2.0 grade point average on a 4.0 unweighted scale through the end of the previous semester as required by Florida Statutes. This GPA must include all courses taken since the student entered high school. Sixth-graders, seventh-graders and eighth-graders must have been regularly promoted from the previous grade, carry a normal class load, do satisfactory classroom work and maintain a satisfactory conduct record. (FHSAA Bylaw 11.2)
4. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 11.2)
5. Must participate at the school in which the student first enrolls, or at which the student first takes part in an athletic practice, at the beginning of the school year. (FHSAA Bylaw 11.3)
6. Must transfer from his/her previous school prior to the first day of practice and secure an "Application for Waiver of the Transfer Rule" signed by the principal of both the previous school attended and your school. If the student transfers on or after the first day of practice in a sport the student cannot participate in that sport. If the student transfers from a school at which he/she was ineligible because of disciplinary action or unsatisfactory conduct, the student will be ineligible at your school for one full semester. If the student participates on a non-school team (i.e. AAU, American Legion, club settings, etc.) that is affiliated with or coached by a coach from a school other than the one the student attends, or has attended, and then transfer to that school, it will be assumed the student has been recruited to attend that school or transferred to that school for athletic reasons and the student will be ineligible there for one year. If the student transfers to a school that his/her coach has relocated to within the past

year, it will be assumed the student transferred to that school for athletic reasons and he/she will be ineligible there for one year. (FHSAA Bylaw 11.4)

7. Must not have enrolled in the ninth grade more than four school years ago. If the student is a sixth-grader, seventh-grader or eighthgrader, he/she must not have participated in an earlier school year in the grade in which he/she is currently enrolled. (FHSAA Bylaw 11.5)

8. Must be less than 19 years 9 months old to participate in high school; 16 years 9 months old to participate in junior high school; and 15 years 9 months old to participate in middle school. On the day the student reach one of these ages – regardless of when that day is – the student will become ineligible to participate on that level. (FHSAA Bylaw 11.6)

9. Must get signed permission to participate from his/her parents or guardian on a form provided by the school. (FHSAA Bylaw 11.7)

10. Must have a physician's certificate stating that he/she is physically fit for interscholastic athletic competition. The certificate must be dated any time between May 15 of the previous school year and one day before participation in the first practice. (FHSAA Bylaw 11.8)

12. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Bylaw 11.10)

13. Must display good sportsmanship and follow the rules of competition before, during and after every contest in which he/she participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 11.11)

14. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 11.12)

(a) Any interstate event involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic shoe/apparel company). Competition involving bordering states, and all other configurations of interstate competition not requiring the sanction of the NFHS office, shall be sanctioned by the state associations involved according to their own procedures.

(b) Non-bordering events if five (5) or more states are involved.

(c) Non-bordering events if more than eight (8) schools are involved.

(d) Any event involving two (2) or more schools that involves a team from a foreign country. The host school should complete the international sanction application.

(The exceptions to this rule are Canada and Mexico which are considered “bordering states.”)

2. **Request for Sanction.** Only a member school of an NFHS member state association, or a school approved by such an association, or such an association itself, is eligible to request sanctioning through the NFHS Interstate Sanctioning Program. Any event seeking NFHS sanction must be sponsored by a member high school, approved high school or state association.

3. **Interstate Competition.** Interstate competition occurs when either teams or individuals who represent their schools travel across state lines to participate in competitive sports events, including but not limited to such events as “shoot-outs,” “showcases,” “round-robin tournaments,” etc. Subject to Paragraph 3, no sanction is required from the NFHS office if all competing schools, regardless of the number of competing schools, are from states that border the host state.

4. **Timelines/Fees.** This application for sanction should be sent to the state association of the host school ninety (90) calendar days or more prior to the event and must be accompanied by the host schools processing fee of **\$100**, check or money order, per application made payable to the NFHS. Do not send cash. The sanction application must be received in the NFHS office sixty (60) calendar days or more prior to the event. The late fee for any application that arrives in the NFHS office 15-59 calendar days prior the event will be **\$50** for a total of **\$150**. If the application arrives in the NFHS office less than 15 calendar days prior the event, the late fee will be **\$150 plus a \$50 penalty for not forwarding the final list of actual entries for a total application fee of \$300. The penalty fee for not forwarding the final list of actual entries to the NFHS office twenty (20) calendar days prior to the event will be \$50. If the NFHS does not receive the late fees within five (5) calendar days prior to the event, the event will not be sanctioned, and the meet director will be notified they**

**are running a non-sanctioned event.** There is no processing fee for International Athletic Competition applications (page 3).

6. **Equal Treatment.** Schools participating in interstate competition, as well as the schools' employees and agents, shall be treated equally. Examples of such shall include, but not be limited to, the following:

(a) reduction or waiver of entry fee for one school must result in a reduction or waiver of entry fee for all schools;

(b) appearance fee paid to one school must result in an equal amount of appearance fee paid to all participating schools;

(c) expense reimbursements, if any, must result in equivalent payments to all participating schools, subject to reasonable adjustments for differing distances traveled;

(d) share of proceeds/gate paid to one school must result in equal share of proceeds/gate paid to all participating schools.

*NFHS Bylaw 17 provides that each member state association shall approve and receive NFHS approval for competition by a member school against a school from a foreign country, except for two (2) school and three (3) school competition with a school or schools from Canada or Mexico which necessitates a round trip of less than 600 miles.*

7. **NFHS Web Site.** Information regarding the status of an event that has requested NFHS Sanctioning will be posted at [www.nfhs.org/sanctioning.htm](http://www.nfhs.org/sanctioning.htm). If you have any questions regarding the status of your event, please contact the NFHS Sanctioning Department at (317) 972-6900 Monday-Friday, 8 a.m.-4:30 p.m. Eastern Time.

8. **Financial Report.** When NFHS sanction is required, the host school shall submit a financial report about the event to the NFHS on the accompanying form within ninety (90) calendar days of the completion of the event. The FHSAA Office will provide the host school/organization with the appropriate NFHS financial report form once the event has been sanctioned.

*If a state association, rather than a school, sponsors or cosponsors the event, it should submit the financial report. For additional financial report forms, contact your state high school association or the NFHS.*

## **Appendix C**

### **Guidelines for Filing of Financial Reports and Payment of Revenue Shares**

#### **WHO MUST FILE?**

Financial Report forms must be filed by the host for all preseason and regular season sanctioned events for which you are required to file an application for approval (sanction) with the FHSAA Office in the sanctioned sports of cross country, football, swimming & diving, track & field and boys weightlifting. Financial Report forms must be filed in these sports even if there was no revenue from the event. Forms are not filed in the sanctioned sports of baseball, basketball, golf, soccer, softball, girls volleyball, tennis and wrestling or in the recognized sports of bowling, flag football, boys volleyball, girls weightlifting, and water polo. Financial Report forms must be filed for all FHSAA State Series events hosted by your school in all sports.

#### **WHERE DO I LOCATE FORMS AND WHAT DO I ATTACH?**

Forms are located on the FHSAA web site. For district and regional events, the FHSAA State Series Event Pass Gate Log (Form AT9) must be attached to the financial report form before filing with the FHSAA.

#### **WHEN ARE REPORTS AND PAYMENTS DUE AND ARE THERE PENALTIES FOR LATE FILING?**

Reports must be received in the FHSAA Office no later than three weeks (21 calendar days) from the date of the event. Payment is required along with the report. Financial Report forms received and/or paid more than 30 days from the event date will be subject to a late filing/payment fee of \$50, more than 60 days a \$75 late fee, and more than 90 days a \$100 late fee.

#### **WHAT ARE THE RULES REGARDING THE CHARGING OF ADMISSION?**

- **Preseason & Spring Jamborees:** The admission price in all sports shall be determined by the host school.
- **Preseason & Spring Classics:** The admission price in all sports with the exception of football shall be determined by the host school.
- **Invitational Tournaments & Meets:** The admission price in all sports shall be determined by the host school.
- **District & Regional Events:** Admission must be charged to all district and regional events in the amount specified in the FHSAA Handbook and sport specific manuals. If the admission price charged is different from what is required in the FHSAA Handbook and sport specific manuals, written approval is required by the Commissioner or his/her designee in advance of the event.

The “Financial Reporting and Accounting Page” on the FHSAA web site ([www.fhsaa.org/finance](http://www.fhsaa.org/finance)) has a schedule that lists admission price requirements in all sports.

#### **HOW DO I CALCULATE LOSS REIMBURSEMENTS (District and Regional Events Only)**

Step 1: Complete the Financial Report form, calculating Total Gate Receipts and

Total Expenses. (Excluding FHSAA share.)

Step 2: Calculate Net Profit or Net Loss (total gate receipts less total expenses). (Excluding FHSAA share.)

Step 3: If Net Profit is \$250 or less: host keeps all profit; no disbursement to FHSAA; and no disbursement to visitor(s).

If Net Profit is greater than \$250: pay FHSAA share according to Financial Report form; pay visitor(s) according to Financial Report form; payments to FHSAA and visitors are a percentage of total gate receipts, not net revenue.

If Net Loss is \$350 or less: no disbursement to FHSAA; no disbursement to visitor(s); host school will receive reimbursement from FHSAA for net loss.

If Net Loss is greater than \$350: no disbursement to FHSAA; no disbursement to visitor(s); will receive reimbursement from FHSAA for \$350.

The reimbursement from the FHSAA for losses should be shared with visiting school(s) if an agreement was made in advance to share in a loss from the event.

To receive any reimbursement to which it is entitled:

1. The host school must charge the required admission price;
2. The host school must sell numbered tickets and account for all tickets sold in the ticket manifest section of the financial report form;
3. The host school must file a financial report form so that it is received in the FHSAA Office within 21 calendar days of the completion of the event;
4. The host school must submit with the financial report form the FHSAA State Series Contest Pass Gate Log(s); and
5. The host school must be in compliance with all policies for the event.

Refunds of less than \$5 will not be made. Shortages of less than \$5 will not be collected.
