

### 1.6.2.3 - 10th Grade Performance Contracts

To begin, navigate to any **Team Management** page for a team that has its roster setup by following the steps below.

1. Start at the Dashboard
2. Find the School Management Section
3. Find the "Sports" Menu
4. Click on the "Sports Teams" menu item
5. Find and click on your desired team.

After arriving at the **Team Management** page first ensure that the appropriate season is selected to the right, next find and click on the **Edit Eligibility** button, it will be a button with a pencil icon and the word "**Eligibility**" written on it. This button is shown below.

Clicking this button will take you to the **Manage Team Eligibility** page. On this page you will find a list of every student assigned to this sports team.

Beside each student will exist a column for all state level and special school eligibility requirements. An example is shown on the next page.
