School: _____ City: _____

Mark beside the appropriate sport(s) whether your school is requesting new assignment to a district [___ Dist.] in the sport(s) or will sponsor an independent program [___ Ind.] in the new sport(s). If requesting district assignment, the FHSAA Office will verify eligibility, make the assignment and may assess a late entry fee if requested after the district planning meeting (\$100 for sanctioned sports; \$50 for recognized sports*) **UNLESS** this is your school's first year of state series eligibility in the sport(s). Restrictions may apply. Do not submit payment of fees until billed. Your ongoing participation in the state series in the sport(s) marked for the duration of the current classification term (through 2009-10 school year) is presumed unless you notify the FHSAA Office otherwise.
