

Appendix A

FHSAA Eligibility Rules-in-Brief

Coaches must understand that these rules-in-brief are general statements only. Complete eligibility rules are contained in Article 11 of the FHSAA Bylaws. See your principal or athletic director if you have questions or need further explanation of details and exceptions.

To be eligible to represent your school in interscholastic athletics, a student-athlete:

1. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attend a charter school that is not a member of the FHSAA, the student must declare in writing his/her intention to participate in athletics to the school at which he/she is permitted to participate prior to the first day of practice. (FHSAA Bylaw 11.1)

2. Must enroll in school within 10 days of the beginning of each semester to be eligible during that semester. If not, the student must make up all work missed and be in attendance a minimum of one day for each day missed due to late enrollment before your principal can declare the student eligible. (FHSAA Bylaw 11.1)

3. Must maintain a cumulative 2.0 grade point average on a 4.0 unweighted scale through the end of the previous semester as required by Florida Statutes. This GPA must include all courses taken since the student entered high school. Sixth-graders, seventh-graders and eighth-graders must have been regularly promoted from the previous grade, carry a normal class load, do satisfactory classroom work and maintain a satisfactory conduct record. (FHSAA Bylaw 11.2)

4. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 11.2)

5. Must participate at the school in which the student first enrolls, or at which the student first takes part in an athletic practice, at the beginning of the school year. (FHSAA Bylaw 11.3)

6. Must transfer from his/her previous school prior to the first day of practice and secure an "Application for Waiver of the Transfer Rule" signed by the principal of both the previous school attended and your school. If the student transfers on or after the first day of practice in a sport the student cannot participate in that sport. If the student transfers from a school at which he/she was ineligible because of disciplinary action or unsatisfactory conduct, the student will be ineligible at your school for one full semester. If the student participates on a non-school team (i.e. AAU, American Legion, club settings, etc.) that is affiliated with or coached by a coach from a school other than the one the student attends, or has attended, and then transfer to that school, it will be assumed the student has been recruited to attend that school or transferred to that school for athletic reasons and the student will be ineligible there for one year. If the student transfers to a school that his/her coach has relocated to within the past

year, it will be assumed the student transferred to that school for athletic reasons and he/she will be ineligible there for one year. (FHSAA Bylaw 11.4)

7. Must not have enrolled in the ninth grade more than four school years ago. If the student is a sixth-grader, seventh-grader or eighthgrader, he/she must not have participated in an earlier school year in the grade in which he/she is currently enrolled. (FHSAA Bylaw 11.5)

8. Must be less than 19 years 9 months old to participate in high school; 16 years 9 months old to participate in junior high school; and 15 years 9 months old to participate in middle school. On the day the student reach one of these ages – regardless of when that day is – the student will become ineligible to participate on that level. (FHSAA Bylaw 11.6)

9. Must get signed permission to participate from his/her parents or guardian on a form provided by the school. (FHSAA Bylaw 11.7)

10. Must have a physician's certificate stating that he/she is physically fit for interscholastic athletic competition. The certificate must be dated any time between May 15 of the previous school year and one day before participation in the first practice. (FHSAA Bylaw 11.8)

11. Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating. (FHSAA Bylaw 11.9)

12. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Bylaw 11.10)

13. Must display good sportsmanship and follow the rules of competition before, during and after every contest in which he/she participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 11.11)

14. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 11.12)

Appendix B

NFHS Interstate/International Sanctioning Procedures

NOTE: The interscholastic community urges event sponsors to schedule interstate competition in a manner that minimizes the amount of time student participants will be absent from the regular school day.

1. Events that Require NFHS Sanctioning.

(a) Any interstate event involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic shoe/apparel company). Competition involving bordering states, and all other configurations of interstate competition not requiring the sanction of the NFHS office, shall be sanctioned by the state associations involved according to their own procedures.

(b) Non-bordering events if five (5) or more states are involved.

(c) Non-bordering events if more than eight (8) schools are involved.

(d) Any event involving two (2) or more schools that involves a team from a foreign country. The host school should complete the international sanction application.

(The exceptions to this rule are Canada and Mexico which are considered “bordering states.”)

2. **Request for Sanction.** Only a member school of an NFHS member state association, or a school approved by such an association, or such an association itself, is eligible to request sanctioning through the NFHS Interstate Sanctioning Program. Any event seeking NFHS sanction must be sponsored by a member high school, approved high school or state association.

3. **Interstate Competition.** Interstate competition occurs when either teams or individuals who represent their schools travel across state lines to participate in competitive sports events, including but not limited to such events as “shoot-outs,” “showcases,” “round-robin tournaments,” etc. Subject to Paragraph 3, no sanction is required from the NFHS office if all competing schools, regardless of the number of competing schools, are from states that border the host state.

4. **Timelines/Fees.** The application for sanction (Form AT3 for interstate sanction; Form AT4 for international sanction) should be sent to the state association of the host school ninety (90) calendar days or more prior to the event and must be accompanied by the host school’s processing fee of \$75, check or money order, per application made payable to the NFHS. (Do not send cash.) The sanction must be received in the NFHS office sixty (60) calendar days or more prior to the event. The late fee for any event that arrives in the NFHS office 15-59 calendar days prior to the event will be \$25 for a total of \$100. If the event arrives in the NFHS office less than 15 calendar days prior to the event, the late fee will be \$125 for a total application fee of \$200. If the NFHS does not receive the late fees within ten (10) days, the event will not be sanctioned, and the meet director will be notified they are running a non-sanctioned event.

5. **Names and Addresses of Invited/Participating Schools.** All sanction requests

submitted to the NFHS office must be accompanied by the names and addresses of all invited/participating schools. In the case of cross country and track & field events, the host school will complete the sanction application and forward it to the host state association office so that it will arrive at the NFHS office 60 days or more prior to the event. The list of schools will be due to the NFHS office ten (10) days prior to the event. If the list is not received ten (10) days prior to the event, the application for sanction will be disapproved, and the meet director will be notified that they are running a non-sanctioned event.

6. **Equal Treatment.** Schools participating in interstate competition, as well as the schools' employees and agents, shall be treated equally. Examples of such shall include, but not be limited to, the following:

(a) reduction or waiver of entry fee for one school must result in a reduction or waiver of entry fee for all schools;

(b) appearance fee paid to one school must result in an equal amount of appearance fee paid to all participating schools;

(c) expense reimbursements, if any, must result in equivalent payments to all participating schools, subject to reasonable adjustments for differing distances traveled;

(d) share of proceeds/gate paid to one school must result in equal share of proceeds/gate paid to all participating schools.

NFHS Bylaw 17 provides that each member state association shall approve and receive NFHS approval for competition by a member school against a school from a foreign country, except for two (2) school and three (3) school competition with a school or schools from Canada or Mexico which necessitates a round trip of less than 600 miles.

7. **NFHS Web Site.** Information regarding the status of an event that has requested NFHS Sanctioning will be posted at www.nfhs.org/sanctioning.htm. If you have any questions regarding the status of your event, please contact the NFHS Sanctioning Department at (317) 972-6900 Monday-Friday, 8 a.m.-4:30 p.m. Eastern Time.

8. **Financial Report.** When NFHS sanction is required, the host school shall submit a financial report about the event to the NFHS on the accompanying form within ninety (90) calendar days of the completion of the event. The FHSAA Office will provide the host school/organization with the appropriate NFHS financial report form once the event has been sanctioned.

If a state association, rather than a school, sponsors or cosponsors the event, it should submit the financial report. For additional financial report forms, contact your state high school association or the NFHS.
