

Important Dates by Sport

Here is a brief listing of important dates for each FHSAA sports program for the 2004-05 school year as well as future school years. The FHSAA uses a standardized calendar in which each week of the school year is numbered 1 through 52 with Week 1 beginning with the first Sunday in July. This provides a uniform and consistent system for dates of FHSAA events in future years. For example, the first date of practice in fall sports – until changed by the Board of Directors – always will be Monday of Week 6. See the back page for the FHSAA standardized calendar for future years.
