

Important Dates by Sport

Here is a brief listing of important dates for each FHSAA sports program for the 2005-06 school year as well as future school years. The FHSAA uses a standardized calendar in which each week of the school year is numbered 1 through 52 with Week 1 beginning with the first Sunday in July. This provides a uniform and consistent system for dates of FHSAA events in future years. See the back page for the FHSAA standardized calendar for future years.
