**Topic:**

Overtime Procedures

**Detailed Information** (brief statement–background, observations, data, etc.):

The committee discussed this item at length and determined that, because current NFHS rule currently states overtime shall be two ten minute periods, FHSAA soccer rules should reflect what is written in the NFHS rules book as it pertains to overtime procedures.

**Executive Director Recommendation:**

Change overtime procedure from "Golden Goal/Sudden Victory" to playing out two full 10-minute overtime periods.

**Rationale & Impact:**

Change overtime procedure to follow the recommended NFHS overtime procedure as stated in the Soccer Rules Book. Per the Soccer Advisory Committee, it is not fair for two teams to play their hearts out an entire game and end a game on a golden goal. Let the kids play two extra period times of 10 minutes to determine the winner of the contest.

<b>Item:</b> Overtime Procedures		
<b>Background Information:</b> The committee discussed this item at length and determined that, because current NFHS rule currently states overtime shall be two ten minute periods, FHSAA soccer rules should reflect what is written in the NFHS rules book as it pertains to overtime procedures.		
<b>Recommendation:</b> Change Overtime from golden goal to two 10 minute overtime		
<b>Rationale:</b> It is not fair for two teams to play their hearts out an entire game and end a game on a golden goal. Most of the time, the golden goals are on mistakes. No one really uses golden goal anymore but high school and college. Let the kids play two extra period times of 10 minutes.
