Tournament Scores by School

Schools are listed in alphabetical order by current name. Schools which have undergone name changes have notations of such in their listings. Schools which were consolidated with other schools and retained their name and/or their campus are credited with their tournament histories prior to the consolidation, but not with the tournament histories of those schools which they absorbed. Schools which no longer exist or are no longer members of the FHSAA are indicated by “++” following their name. Listing of scores includes all matches in the FHSAA State Girls Water Polo Series tournaments on the district, regional, and state levels. Note: Some district semifinal and final results from 2005 are unavailable.
