Using This Directory

Member schools have been divided into three sections – senior high school full members, middle school full members and affiliate members. Schools in each section are listed in alphabetical order by the name by which they are most commonly referred. For example, Boone High School (Orlando) is listed as “Boone High School” and not “William R. Boone High School.”

Sample Listing

Below is a sample school listing. For purposes of clarification, the Fall 2004 population number is the total student population in grades 9 through 12 as reported to the FHSAA Office in October 2004. For private schools that have headmasters, administrators or directors rather than principals, the following abbreviations are used: Headmaster = Head; Administrator = Admin; Director = Dir.

Affiliate Members

Following is a listing of the 45 high schools that are affiliate members of the Association for the 2004-05 school year as of October 31, 2004. Affiliate members are high schools with an enrollment of 100 or fewer students in the 10th through 12th grades combined that join the Association for the express purpose of engaging in regular season athletic competition with FHSAA member schools. Affiliate members are not eligible for participation in the FHSAA State Series and cannot serve as hosts for preseason jamborees, preseason classics, invitational tournaments or meets or postseason football bowl games that require approval of the FHSAA Office. Affiliate members must document that they have athletic eligibility guidelines similar to those of the FHSAA by which their student-athletes must abide.
