Affiliate Members

Following is a listing of the 47 high schools that are affiliate members of the Association for the 2005-06 school year as of November 30, 2005. Affiliate members are high schools with an enrollment of 100 or fewer students in the 10th through 12th grades combined that join the Association for the express purpose of engaging in regular season athletic competition with FHSAA member schools. Affiliate members are not eligible for participation in the FHSAA State Series and cannot serve as hosts for preseason jamborees, preseason classics, invitational tournaments or meets or postseason football bowl games that require approval of the FHSAA Office. Affiliate members must document that they have athletic eligibility guidelines similar to those of the FHSAA by which their student-athletes must abide.
