1.5 **FUNDAMENTAL BELIEF**

Interscholastic athletic programs play a vital role in the education of students who participate in them. Through their participation in interscholastic athletics, students are provided character-building opportunities to demonstrate honesty, integrity, respect, caring, cooperation, trustworthiness, leadership, tolerance and personal responsibility. These fundamental values enable participants to realize and fulfill their potential as students, as athletes, as individuals and as citizens.

**CONSTITUTIONAL BYLAW, ARTICLE 2**

**Principles for the Conduct of Interscholastic Athletics**

FHSAA rules governing the conduct of interscholastic athletic programs are designed to advance one or more basic principles, including the following, to which member schools are committed. In some instances, a delicate balance of these principles is necessary to help achieve the objectives of the Association.

2.1 **EDUCATIONAL NATURE OF INTERSCHOLASTIC ATHLETICS**

Interscholastic athletic programs are designed to enhance the educational experience. The student-athlete is a student first, an athlete second; and each and every practice and competition is an extension of the classroom. This is what clearly separates interscholastic athletics from all other forms of youth sports.

2.2 **PARTICIPATION IS A PRIVILEGE**

Participation in interscholastic athletics by a student is a privilege, not a right. To earn this privilege, students must abide by the rules and meet standards of academic performance and personal behavior that are related to school purposes.

2.3 **SPORTSMANSHIP AND ETHICAL CONDUCT**

Interscholastic athletic programs must encourage good character, enhance the integrity of education and promote civility in society. Student-athletes, coaches and all others associated with interscholastic athletic programs, as well as those who attend interscholastic athletic events, should adhere to the fundamental values of honesty, integrity, respect, caring, cooperation, trustworthiness, leadership, tolerance and personal responsibility. Each school is responsible for:
(a) Establishing policies for sportsmanship and ethical conduct in its interscholastic athletic programs that are consistent with the educational mission and goals of the school; and
(b) Educating, on an ongoing basis, all individuals associated with the school’s interscholastic athletic programs and events about those policies.

2.4 GENDER EQUITY

The FHSAA will conduct its activities in a manner free of gender bias and will adopt rules that enhance schools’ efforts to comply with applicable gender-equity laws.

2.5 ADMINISTRATIVE CONTROL AND RESPONSIBILITY

Each school must control its interscholastic athletic programs by FHSAA rules and regulations. The principal, who is responsible for the administration of all aspects of the school’s interscholastic athletic programs, is responsible for ensuring this control, which extends to and includes responsibility for and control over the actions of:
(a) The administration and faculty;
(b) The athletic department staff and student-athletes;
(c) The student body, parents and other spectators at athletic events; and
(d) Any other individual or group engaged in activities representing, supporting or promoting the athletic interests of the school.

2.6 COMPLIANCE WITH RULES

Each school must comply with all applicable FHSAA rules. The FHSAA will assist schools in their efforts to achieve full compliance with all rules and will establish fair procedures for addressing alleged or identified failures in compliance. A school found to have violated FHSAA rules will be subject to such disciplinary and corrective actions as may be determined to be appropriate by the Association.

2.7 NONDISCRIMINATION AND DIVERSITY

The FHSAA will promote an atmosphere of respect for and sensitivity to the dignity of every person. The Association will not discriminate in its governance policies, programs and employment practices on the basis of age, color, disability, gender, national origin, race, religion, creed, sexual orientation or educational choice. The FHSAA will promote diversity of representation within its governance structure and substructures. Each school is responsible to determine independently its own policies regarding nondiscrimination and diversity.

2.8 COMPETITIVE EQUITY

FHSAA rules will promote the opportunity for equity in competition to assure that individual student-athletes and school teams will not be prevented unfairly from achieving the benefits possible through participation in interscholastic athletics.

2.9 ELIGIBILITY RULES

The FHSAA will adopt and enforce eligibility rules that assure proper emphasis on educational objectives and promote competitive equity among schools.

2.10 STATE CHAMPIONSHIP SERIES COMPETITION

This Association may conduct state championship series to determine the official state champion(s) in those sports that are sanctioned by the Board of Directors. The privilege to participate in state championship series will be limited only to those senior high schools and combination schools that are duly elected to full membership in this Association. The Board of Directors will determine the sports in which state championship series are to be conducted and will establish the terms and conditions for each state championship series.

CONSTITUTIONAL BYLAW, ARTICLE 3

Membership

3.1 GENERAL PRINCIPLES

3.1.1 Opportunity for Membership. A senior high school, a middle/junior high school, a combination school, a charter school, a virtual school or a home education cooperative located in Florida may be a member of the FHSAA if it meets the qualifications, conditions and obligations of membership.
3.1.2 **Classifications.** Senior high school members may be divided into classifications for purposes of competition in FHSAA championships. The Board of Directors will adopt the criteria for determining these classifications.

3.1.3 **Assignment to Geographical Areas.** Member schools are assigned to geographical areas for the purpose of representation in the FHSAA governance structure and substructures.

3.1.4 **Deadlines.** When deadline dates fall on a Saturday, Sunday or legal holiday as established by Florida Law, the deadline will be the next day that is not a Saturday, Sunday or legal holiday.

3.1.5 **Termination of Membership.** All privileges of a member school will cease immediately when its membership ends.

3.2 **GENERAL DEFINITIONS**

OPERATIONAL BYLAW, ARTICLE 9

Student Eligibility

9.1 GENERAL PRINCIPLES

9.1.1 Participation in Interscholastic Athletics a Privilege. Participation in interscholastic athletic programs by a student is a privilege, not a right. Students who participate are required to meet the requirements established in state law, FHSAA regulations, and by their respective schools.

9.1.1.1 Local Rules May Be More Stringent. Schools and /or school districts may adopt more stringent rules for the students under their supervision. No school or school district, however, may adopt rules that are less stringent than those of the FHSAA.

9.1.2 School Responsible to Ensure Student Eligibility. A school must not permit a student to represent it in interscholastic athletic competition unless the student meets all eligibility requirements and the school has certified the student’s eligibility to the FHSAA Office.

9.1.2.1 Ineligible Student. An ineligible student shall not be allowed on the players’ bench, in the team box or on the field of play wearing any portion of a team uniform.

9.1.2.2 Falsification of Information. A student and/or parent/legal guardian appointed by a court of competent jurisdiction falsifies information to gain eligibility shall be declared ineligible to represent any member school for a period of one year from the date of discovery.

9.1.2.3 Eligibility of Recruited Students. A student may be declared ineligible based on violation of recruiting rules if:
(a) The student or parent/legal guardian appointed by a court of competent jurisdiction has falsified any enrollment or eligibility document; or
(b) The student or parent/legal guardian appointed by a court of competent jurisdiction accepted any benefit or any promise of benefit if such benefit is not generally available to the school’s students or family members or is based in any way on athletic interest, potential, or performance.

9.1.3 Rationale for Eligibility Standards. Eligibility rules are necessary for participation in interscholastic athletics because:
(a) They protect the opportunities of qualified students to participate; and
(b) They promote competitive equity among schools; and
(c) They encourage academic achievement by student-athletes.

9.2 ATTENDANCE REQUIREMENTS

9.2.1 Student May Only Participate at School he/she First Attends Each School Year. A student must attend school, and may participate only in the interscholastic athletic programs sponsored by the school he/she first attends each school year, which is either: (s. 1006.20(2)(a), Florida Statutes)
(a) The school where the student first attends classes; or
(b) The school where the student first participates in athletic activities on or after the official start date of that sport season before he/she attends classes at any school.

9.2.1.1 Definition of “Attend School.” A student attends school if he/she is present in a school classroom on a regular basis or is a “Non-Traditional” student participating for a member school. A student can attend only one school at a time for the purposes of interscholastic athletic eligibility.

9.2.1.2 Definition of “Interscholastic Athletic Programs.” Interscholastic athletic programs encompass all activities relating to competitive sport contests involving individual students or teams of students from one school against individual students or teams of students from another school. Such activities include, but are not limited to, tryouts, off-season conditioning, summer workouts, pre-season conditioning, in-season practice and contests.

9.2.1.3 Students with Multiple Residences. A student who, through the actions of a court of competent jurisdiction, is required to have multiple physical residences will establish his/her school residence as per Bylaw 9.2.1.

9.2.2 Attendance Exceptions

(a) The public school the student would be assigned according to district school board attendance area policies; or

(b) A public school, operated by the school district, the student could choose to attend according to the controlled open enrollment provisions of the school district and provided the deadlines established in the provisions are met by the student; or

(c) A private school that will accept the student for participation; or

(d) A home education cooperative to which the student belongs.

9.2.2.1.1 Home Education Student Requirements. To participate in interscholastic athletics, a home education student must: (s. 1006.15(3)(c)1-7, Florida Statutes)

(a) register as a home education student with the district school superintendent of the county in which he/she resides; and

(b) register with the school of his/her intent to participate before the beginning date of the season for the sport in which he/she wants to participate; and

(c) meet the same standards of acceptance, behavior and performance as the school requires of other participating students; and

(d) certify to the school at the end of each semester that he/she has the minimum cumulative grade point average required for participation; and

(e) meet all other FHSAA eligibility requirements; and

(f) must be approved by the FHSAA Office each year using a form provided by the Association.

9.2.2.2 Charter School Student. A student who attends a charter school that does not sponsor an interscholastic athletic program in one or more sports may participate in the sport or sports not sponsored by the charter school at either of the following schools: (s. 1006.15(3)(d), Florida Statutes)

(b) A public school, operated by the school district, the student could choose to attend according to the controlled open enrollment provisions of the school district and provided the deadlines established in the provisions are met by the student.

9.2.2.2.1 Charter School Student Requirements. To participate in interscholastic athletics, a charter school student must: (s. 1006.15(3)(d)1-7, Florida Statutes)

(a) meet the requirements of the charter school education program as determined by the charter school governing board; and

(b) meet the minimum grade point average standards that are required of all students; and

(e) register with the school his/her intent to participate in interscholastic athletics as a representative of the school before the beginning date of the season for the sport in which he/she wishes to participate; and

(f) meet all other FHSAA eligibility requirements (no form is required).

9.2.2.3 Students in Dual Enrollment and Early Admission Programs. A student who attends a dual enrollment or early admission program operated by a community college or university may participate at the school the student would attend if:

(a) The school awards credit toward graduation for the work the student completes at the community college or university; and
(b) The community college or university officially issues grades on the same schedule as the school’s semester; and
(c) The student has not met the graduation requirements as specified by the school’s or school district’s student progression plan for high school graduation; and
(d) The student does not participate in the intercollegiate athletic programs of the community college or university; and
(e) The student meets all other FHSAA eligibility requirements (no form or letter is required).

9.2.2.4 Students in Alternative or Special Schools. A student who attends an alternative school or other special school operated by a school district and does not sponsor an interscholastic athletic program may participate at:
(a) The public school the student would be assigned according to district school board attendance area policies; or
(b) A public school, operated by the school district, the student could choose to attend according to the controlled open enrollment provisions of the school district and provided the deadlines established in the provisions are met by the student.

9.2.2.4.1 Alternative or Special School Student Requirements. To participate in interscholastic athletics, an alternative or special school:
(a) Must be reported by the district superintendent or district athletic director as a school qualified to allow students to participate under this bylaw; and
(b) The student must register his/her intent to participate in interscholastic athletics as a representative of the school before the beginning date of the season for the sport in which he/she wishes to participate; and
(c) The student must meet all other FHSAA eligibility requirements.

9.2.2.5 Non-member Private School Students. A student who attends a private school shall be eligible to participate in an interscholastic or intrascholastic sport at a public high school, a public middle school, or a combination public school that the student is zoned for the physical address at which the student resides if: (s. 1006.15(8), Florida Statutes)
(a) The private school in which the student is enrolled is not a member of the FHSAA; and
(b) The private school does not offer an interscholastic or intrascholastic athletic program: and
(c) The private school enrollment consists of 125 students or fewer.

9.2.2.5.1 Non-member Private School Student Requirements. To participate in interscholastic athletics, a non-member private school student must: (s. 1006.15(8), Florida Statutes)
(a) make all student records, including, but not limited to, academic, financial, disciplinary, and attendance records, available upon request of the FHSAA; and
(b) meet the minimum grade point average standards that are required of all students; and
(c) meet the same residency requirements as other students in the school at which he/she participates; and
(d) meet the same standards of acceptance, behavior and performance that are required of other students in interscholastic athletics; and
(e) register with the school his/her intent to participate in interscholastic athletics as a representative of the school before the beginning date of the season for the sport in which he/she wishes to participate; and
(f) meet all other FHSAA eligibility requirements; and
(g) be approved by the FHSAA Office each year using a form provided by the Association.

9.2.2.6 Florida Virtual School – Full Time Program (FLVS-FT) Students. A student of the Florida Virtual School full-time program may participate in any interscholastic extracurricular activity at:
(a) The public school the student would be assigned according to district school board attendance area policies; or
(b) A public school, operated by the school district, the student could choose to attend according to the controlled open enrollment provisions of the school district and provided the deadlines established in the provisions are met by the student.

9.2.2.6.1 FLVS-FT Student Requirement. To participate in interscholastic athletics, an FLVS-FT student must: (s. 1006.15(3)(e)1-5, Florida Statutes)
(a) meet any additional requirements as determined by the board of trustees of the Florida Virtual School; and
(b) meet the minimum grade point average standards that are required of all students; and

(e) register with the school his/her intent to participate in interscholastic athletics as a representative of the school before the beginning date of the season for the sport in which he/she wishes to participate; and
(f) meet all other FHSAA eligibility requirements.
9.2.2.7 Participation in Summer Athletic Activities by Students Changing Schools or Entering a Member School or Combination School for the First Time. A student may participate in athletic activities sponsored by or affiliated with a school during the summer period immediately preceding attendance in that school if the student has been assigned to or accepted by the school and no longer attends his/her previous school. The student will be considered to have established residence in that school and will not be eligible to participate in athletic activities sponsored by or affiliated with a school or competition at any other member school during that school year. A student who is assigned to and/or accepted by more than one school will be considered to have established residence in the school he/she first attends or participates in summer athletic activities prior to attendance, whichever comes first.

9.2.8 Middle School Students Attending Non-member Public Schools. A student in grades 6 through 8 who attends a public school that is not a member of this Association and has no athletic program due to low student population may represent a member public school that is part of the same school district in interscholastic competition, provided such participation is at the junior high or middle school level.

9.2.3 Attendance Within First 10 Days of Semester Required. A student must attend classes within the first 10 school days of a semester. Otherwise, the student will not be eligible until:
(a) The student has made up all class work missed during his/her absence; and
(b) The student has attended one school day for each school day missed.

9.2.4 Participation in Non-School Athletic Activities Affiliated with a School. The FHSAA supports and endorses Florida’s philosophy of school of choice for academic purposes. However, if a student chooses to attend or participate for a school, public or private, in which the student participated in any non-school athletic activities affiliated with a school that the student does not attend or did not attend in the previous school year (in the case of Non-Traditional students, does not participate for or did not participate for) and then establishes his/her school residence (in the case of Non-Traditional students, he/she participates) at the affiliated school within one calendar year of such participation will not be eligible in the new school until the student has been in attendance at that school for one calendar year. Establishing such school residence is bona fide evidence that the student is attending the school in whole or in part for athletic reasons.

9.2.4.1 Non-School Athletic Activities Affiliated with a School. Non-school athletic activities affiliated with a school are any athletic activities not sponsored by the school but are organized, coached and/or supervised by a school employee, athletic department staff member, or representative of the school’s athletic interests (as defined by FHSAA Bylaw 1.4.18), or in which the majority of participants are students who attend the school. Such activities include, but are not limited to:
(a) club teams;
(b) travel teams;
(c) grade school teams;
(d) recreational league teams;
(e) personal instruction sessions; and
(f) any other type of activity determined by the FHSAA to be an athletic activity.

9.2.5 Relocation of a Coach. A student who establishes residence at a school within one year of the relocation of any member of the coaching staff of the student’s sport(s), on any level regardless of which level the student participated, will not be eligible to participate in the sport(s) coached by that coach until the student has been in attendance for one calendar year if said coach is in any way affiliated with the athletic program at the new school. Establishing such residence is bona fide evidence that the student is attending the school in whole or in part for athletic reasons.

9.2.6 Ineligible Student Cannot Change Schools to Become Eligible. A student who ineligible for any reason will not be eligible in the new school until the student has been in attendance for one full semester. Attending a new school at the beginning of the school year does not decrease or eliminate the period of ineligibility.

9.3 TRANSFER REGULATIONS

9.3.1 “Transfer” Defined. A transfer occurs when a student makes any change in schools after he/she establishes residency at a school each year.

9.3.2 Transfer Eligibility. A student who transfers from one school to another will be eligible at the new school provided the student qualifies under one of the following:

9.3.2.1 Transfer of Schools before a Sport Season. The student transfers and begins attending the new school prior to the beginning date of the sport season, as established in the FHSAA Calendar, meets all other eligibility requirements in Article 9 and provided:
(a) The transfer has been approved pursuant to district school board policies in the case of a transfer to a public school or pursuant to the private school policies in the case of a transfer to a private school; and
(b) A form to be provided by the association (EL6 Form – Notice of Transfer) has been submitted to the association.
9.3.2.2 **Full and Complete Move to New Residence.** The student moves to a new home address due to a full and complete move by the student and the persons with whom he/she has been living for at least one calendar year that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements in Article 9. A student and his/her parents cannot occupy a residence at more than one address, and only the student’s current residence may be used for eligibility purposes.

9.3.2.2.1 **Full and Complete Move Defined.** The following items are evidence a move is full and complete:

(a) The former residence is not occupied for any purpose at any time by the student or any of the persons with whom the student has been living; and

(b) All personal belongings are moved from the former residence; and

(c) Mail is received at the new residence; and

(d) All utilities are transferred to the new residence; and

(e) Driver’s license, voter registration and other forms of legal identification are changed to the new residence.

9.3.2.3 **Necessary Relocation to Residence of Another Individual.** The student transfers because he/she has to move into the residence of another person who lives at a residence that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements in Article 9. This exception applies only to the following specific situations:

(a) One of the persons with whom the student has been living dies; or

(b) One of the persons with whom the student has been living is imprisoned or committed by court order to a mental facility; or

(c) The student is made a ward of the court or state and is placed in a foster home by a court of legal jurisdiction. In this case, a certified copy of the court order, a copy of the petition upon which the order was based, and other evidence the court had to consider in issuing the order must be provided to the FHSAA Office. Permanent guardianship must be appointed legally by a court of competent jurisdiction.

9.3.2.4 **Move to New Residence Following Marriage.** The student marries and immediately establishes a new residence with his/her spouse at a residence that makes it necessary for the student to attend a different school and the student meets all other eligibility requirements in Article 9.

9.3.2.5 **Reassignment by District School Board.** The student is reassigned during the school year to a different school by the district school board, as long as the reassignment is not for athletic or disciplinary reasons, and is not requested by the student or his/her parents, and the student meets all other eligibility requirements in Article 9. In this case, the student may participate in interscholastic athletic competition at the public school where he/she is assigned or a private school he/she chooses to attend.

9.3.2.6 **Transfer of Schools within the First Twenty Days.** The student transfers schools within the first twenty (20) school days of the academic school year, meets all other requirements in Article 9 and provided:

(a) The student has not engaged in any athletic activities affiliated with either school prior to the transfer; and

(b) The student has not been recruited; and

(c) The student is not transferring in whole or in part for athletic reasons; and

(d) The student is not transferring because of disciplinary reasons and/or misconduct; and

(e) The losing school principal communicates and verifies with the new school principal that 9.3.2.6 (a)-(d) have been met by the student.

9.3.2.7 **Need to Attend a Different School Defined.** When determining whether a change in residence makes it necessary for a student to attend a different school as required in Bylaws 9.3.2.2, 9.3.2.3 and 9.3.2.4, the FHSAA Office will consider the following criteria:

(a) Is the student not permitted to attend his/her old school by the district school board because the new residence is outside the school’s attendance zone?

(b) Is public transportation from the student’s new residence to the old school not provided?

9.3.3 **Qualifying Transfer Student Becomes Eligible on Sixth Day of Attendance.** A transfer student who qualifies under one of Bylaws 9.3.2.2, 9.3.2.3, 9.3.2.4, 9.3.2.5 or 9.3.2.6 will be eligible for competition on the sixth school day of attendance at the new school if:

(a) The school has received and evaluated the student’s official sealed transcript provided by his/her former school; and

(b) The school has determined that the student meets all eligibility requirements.

9.3.3.1 **Transfer Student Must Provide Academic Records.** A student who transfers to a member school from a nonmember school after beginning high school must provide the member school with an official sealed transcript showing all grades he/she has received at all schools attended since beginning eighth grade. The student must also provide the school with all information the school needs to determine the student’s eligibility using the scale in Bylaw 9.4.2. The student cannot be declared
academically eligible by the member school until all such information is received to its satisfaction. Final grades previously earned by the student shall not be converted using the scale in Bylaw 9.4.2.

9.3.3.2 Transfer Student’s Former School Must Verify Eligibility Status Upon Request. The member school formerly attended by a transfer student must verify the student’s eligibility status if requested to do so by the student’s new school.

9.3.3.3 Transfer Student Not Eligible for One Full Semester if Transcript Cannot be Obtained. A transfer student whose former school cannot or will not provide an official sealed transcript will not be eligible in the new school until he/she has been in attendance for one full semester and has established a cumulative GPA. The school must submit a written report to the FHSAA Office that includes the student’s name, date of first attendance in the school, and the beginning and ending dates of the previous semester.

9.3.4 Ineligible Student Cannot Transfer to Become Eligible. A transfer student who is ineligible for any reason at the time of the transfer will not be eligible in the new school until the student has been in attendance for one full semester. Attending a new school at the beginning of the school year does not decrease or eliminate the period of ineligibility.

9.3.4.1 Students Under Expulsion. A student who has been expelled by a school district or school shall not be considered eligible at any member school during the length of the expulsion. If the student who chooses not to attend an alternative school, if offered by the school district or school, shall be ineligible to represent a member school for the next two consecutive “full” semesters. Attending a new school at the beginning of the school year does not decrease or eliminate the period of ineligibility.

9.3.5 Transfer Students Who Are Not Eligible. The following transfer students are not eligible in their new school even if they otherwise qualify under one of Bylaws 9.3.2.1, 9.3.2.2, 9.3.2.3, 9.3.2.4, 9.3.2.5 or 9.3.2.6.

9.3.5.1 Student Who Transfers After FHSAA State Championship Series in a Sport Begins. A student who transfers to any school after the FHSAA State Championship Series in a sport begins will not be eligible to participate in that sport through the conclusion of that state championship series.

9.3.5.1.1 Student Who Participated in a State Championship Series in Another State. A student who attends a member school after having participated in a state championship series in a sport in another state is ineligible to participate in that sport for that school year.

9.4 Academic Requirements

9.4.1 2.0 GPA Required for Academic Eligibility. A middle/junior high student must have 2.0 GPA, or the equivalent of a 2.0 GPA based on a 4.0 scale, at the conclusion of each semester. A high school student must have a cumulative 2.0 grade point average on a 4.0 unweighted scale, or its equivalent, at the conclusion of each semester to be academically eligible during the next semester (s. 1006.15(3)(a1), Florida Statutes).

9.4.1.1 Courses to be Used in Calculating GPA. The grades from all courses required for graduation that a student takes, including those taken by the student before he/she begins high school, must be included in the calculation of the student’s cumulative GPA at the conclusion of each semester. For public school students, this includes the courses listed in s. 1003.43(1), Florida Statutes.

9.4.1.2 Academic Eligibility/Ineligibility is for a Semester. A student who is academically eligible at the beginning of a semester will continue to be academically eligible for that entire semester. Likewise, a student who is academically ineligible at the beginning of a semester will continue to be academically ineligible for that entire semester, except as provided in Bylaw 9.4.5.1.2. The student’s academic eligibility for each successive semester will depend upon his/her cumulative GPA at the conclusion of the previous semester.

9.4.1.3 Attendance During Previous Two Consecutive Semesters Required. A student cannot be academically eligible if he/she has not attended school and received grades for all courses taken during the previous two consecutive semesters.

9.4.1.4 Exception – First Semester of High School Attendance – Ninth Grade. A first-year high school student, entering the ninth grade for the first time, is academically eligible during his/her first semester of high school attendance. The student, however, must have the cumulative 2.0 GPA at the conclusion of his/her first semester of high school attendance to be academically eligible to participate during his/her next semester of attendance.

9.4.1.5 Academic Performance Contract. A student whose cumulative GPA falls below 2.0, or its equivalent, on a 4.0 scale in the courses required by s. 1003.43(1), F.S., must, upon discovery, execute and fulfill the requirements of an Academic Performance Contract between the student, the school, and the student’s parent(s) or legal guardian(s) duly appointed by a court of competent jurisdiction, which at a minimum require that the student attend summer school, or its graded equivalent (i.e. adult education, Florida Virtual School, etc.), between grades 9 and 10 or grades 10 and 11, as necessary. (s. 1006.15(3)(a2), F.S.)

9.4.1.6 Exception – Using Semester GPA for Ninth and Tenth Grade. A student who is academically ineligible during the second semester of ninth grade or during the first semester of tenth grade and does not regain a cumulative 2.0 GPA at the conclusion of the semester of ineligibility may be granted academic eligibility for the next semester if:

(a) The student signs an academic performance contract with his/her school as per Bylaw 9.4.1.5, and
(b) The student sits out the semester of ineligibility; and
(c) The student earns a 2.0 GPA on a 4.0 unweighted scale in all courses taken during the semester of ineligibility.

9.4.1.7 **No Exceptions During the 11th and 12th Grade.** Once a student has completed 10th grade, he/she must have the cumulative 2.0 GPA as required by Bylaw 9.4.1 for the remainder of his/her high school career (s. 1006.15(3) (a)3, Florida Statutes).

9.4.1.8 **Students in Dual Enrollment or Early Admission Programs.** Students who participate in dual enrollment programs or early admission programs must have the cumulative 2.0 GPA as required in Bylaw 9.4.1 to be academically eligible.

9.4.1.9 **Student Not Eligible for One Full Semester if Transcript Cannot be Obtained.** A student whose former school cannot or will not provide an official sealed transcript will not be eligible in the new school until he/she has been in attendance for one full semester and has established a cumulative GPA. The school must submit a written report to the FHSAA Office that includes the student’s name, date of first attendance in the school, and the beginning and ending dates of the previous semester.

9.4.2 **Mandatory Grading Scale to be used in Calculating GPA.** All member schools must use the following alphabetical grading scale as mandated in s. 1003.437, Florida Statutes, when calculating the grade point averages of high school students to determine their academic eligibility:

- Grade “A” is 90 to 100 percent and has a GPA value of 4;
- Grade “B” is 80 to 89 percent and has a GPA value of 3;
- Grade “C” is 70 to 79 percent and has a GPA value of 2;
- Grade “D” is 60 to 69 percent and has a GPA value of 1; and
- Grade “F” is 59 percent or less and has a GPA value of 0.

9.4.2.1 **Incomplete Grade is a Failure.** An incomplete grade must be counted as a failure (Grade “F”) when calculating a student’s cumulative GPA.

9.4.3 **Effect of Summer School or its Graded Equivalent Courses on Cumulative GPA.** A student may raise or lower his/her cumulative GPA by attending summer school or its graded equivalent if:

(a) The summer school or its graded equivalent is regularly scheduled and regularly organized under the direction of a district school board or private school;
(b) All coursework taken by the student is completed before the first day of classes in the subsequent semester; and
(c) All courses taken by the student, in which he/she receives a grade, whether during the regular academic year or summer school, or its graded equivalent, must be used to calculate the student’s cumulative GPA.

9.4.3.1 **“Forgiveness.”** If a student repeats a course, regardless of whether he/she passed or failed the course on the first attempt in which the student earned a “D” or “F,” or the equivalent of a grade of “D” or “F,” the grade may be replaced with a grade of “C” or higher, or the equivalent of a grade of “C” or higher, provided for required courses the course is the same or comparable course, or with a grade of “C” or higher, or the equivalent of a grade of “C” or higher for an elective course and that grade will be used to calculate the student’s cumulative GPA (s. 1003.428(4)(d), note, Florida Statutes).

9.4.3.1.1 **Grade GPA Calculation.** For the purposes of GPA calculation, each subsequent unsuccessful attempt on a course taken for forgiveness must be computed in the calculations. One successful attempt will over write the original grade and all previous unsuccessful attempts.

9.4.3.2 **Course Taught by Private Tutor Cannot be Used to Raise GPA.** A school cannot accept a grade received by a student in a class conducted by a private certified tutor to raise his/her cumulative GPA for academic eligibility purposes.

9.4.4 **Determination of Academic Eligibility at Conclusion of Each Semester.** A school must calculate the cumulative GPA of a student at the conclusion of each semester to determine the student’s academic eligibility for the next semester. Only those grades that are first reported by the student’s teachers at the conclusion of the semester can be used to calculate the student’s cumulative GPA.

9.4.4.1 **Definition of “First Reported.”** “First reported” means the grades that are originally submitted by the student’s teachers at the conclusion of the semester. Changes to grades that are first reported by a student’s teachers may only be made according to the published policies of the school.

9.4.5 **Course Work must be Completed by First Day of Next Semester.** A student must complete all work required to earn credit in a course taken during a semester by the first day of the next semester. A grade of “incomplete” must be considered a failing grade when calculating a student’s cumulative GPA.

9.4.5.1 **Exceptions**

9.4.5.1.1 **Special Course Work That Cannot be Completed by First Day of Next Semester.** An exception to Bylaw 9.4.5 is made for students taking courses such as agriculture, which have special projects that cannot be completed until late summer.
9.4.5.1.2 Work Not Completed Due to Illness or Excused Absence. A student who is academically ineligible because of a failure to complete his/her course work by the first day of the next semester due to an extended illness, supported by a physician’s report, or other excused absence may have his/her academic eligibility restored once the course work is completed and the student receives a passing grade that raises his/her cumulative GPA to 2.0 or above. A school must notify the FHSAA Office in writing whenever this occurs.

9.4.6 Change in Eligibility Status. If a student’s academic eligibility changes at the end of a semester, the student will become eligible or ineligible on the sixth school day of the next semester as published on the school’s official calendar for that school year. Even if the last day of the semester coincides with the last day of school for the winter holidays, the student will not become eligible or ineligible until the sixth school day of the next semester that follows the winter holidays as published on the school’s official calendar for that school year.

9.4.7 Student Must be an Undergraduate. A student must not have completed the terminal grade of high school in the secondary education system of the U.S. or any other country.

9.5 LIMIT OF ELIGIBILITY

9.5.1 High School Student Has Four Years of Eligibility. A student is limited to four consecutive calendar years of eligibility from the date he/she begins ninth grade for the first time. This does not imply that the student has four years of participation. After four consecutive years, the student is permanently ineligible.

9.5.1.1 Exception – Student Whose Limit of Eligibility Expires During Sports Season. A student whose four-year limit of eligibility expires during the season in which the student is participating may complete the season if the student continues to meet all other eligibility requirements. The student, however, will not be permitted to participate in any other sport that begins after his/her limit of eligibility has expired.

9.5.1.2 Participation Prior to High School Does Not Affect Limit of Eligibility. A student’s four-year limit of high school eligibility is not affected by the student’s participation in interscholastic athletics before beginning the ninth grade for the first time.

9.5.2 A 6th, 7th or 8th Grade Student Has 1-Year Limit of Eligibility in Each Grade. A 6th, 7th or 8th grade student may participate only one year in each grade level. A 6th, 7th or 8th grade student who repeats a grade will not be eligible during the grade being repeated.

9.6 AGE

9.6.1 Student May Participate at High School Level Until the Age of 19 Years 9 Months. A student may participate at the high school level until the day he/she reaches the age of 19 years 9 months if the student has not exceeded his/her four-year limit of eligibility. The student becomes permanently ineligible at the high school level on the day he/she reaches the age of 19 years 9 months.

9.6.1.1 Exception – Student Who Reaches Age Limit During FHSAA State Championship Series. A student who reaches the age of 19 years 9 months during a FHSAA State Championship Series in which he/she is participating may complete that state series if the student continues to meet all other eligibility requirements. The student, however, will not be allowed to participate in any other sport that begins after he/she has reached the age of 19 years 9 months.

9.6.2 Student May Participate at Junior High School Level Until the Age of 16 Years 9 Months. A student may participate in interscholastic athletic competition at the junior high school level until the day he/she reaches the age of 16 years 9 months. The student becomes permanently ineligible for interscholastic athletic competition at the junior high school level on the day he/she reaches the age of 16 years 9 months.

9.6.2.1 When Junior High Age Limit Applies. The 16 year 9 month junior high school age limit applies to a participating student only when:

(a) Teams representing junior high schools compete against each other; or

(b) Teams representing the junior high school departments of combination junior-senior high schools compete against each other.

9.6.3 Student May Participate at Middle School Level Until the Age of 15 Years 9 Months. A student may participate in interscholastic athletic competition at the middle school level until the day he/she reaches the age of 15 years 9 months. The student becomes permanently ineligible for interscholastic athletic competition at the middle school level on the day he/she reaches the age of 15 years 9 months.

9.6.3.1 When Middle School Age Limit Applies. The 15 year 9 month middle school age limit applies to a participating student only when:

(a) Teams representing middle schools compete against each other; or

(b) Teams representing the middle school departments of combination middle-senior high schools compete against each other.
9.6.1 High School the Age Limit of 19. A student who reaches the age of 19 on or after September 1st, and who has not exceeded his/her four-year limit of eligibility, may participate in interscholastic athletics during that school year.

9.6.2 Junior High School Age Limit of 16. A junior high school student who reaches the age of 16 on or after September 1st may participate in interscholastic athletics during that school year.

9.6.3 Middle School Age Limit of 15. A middle school student who reaches the age of 15 on or after September 1st may participate in interscholastic athletics during that school year.

9.6.4 School Must Verify Age of Student. A school must verify the age of each student who represents it in interscholastic athletic competition. The student must provide documented proof of his/her age for this purpose. A student who is unable to provide documented proof of his/her age cannot participate.

9.6.4.1 What is Documented Proof of Age? Documented proof of age is one or more of the following:

(a) An original birth certificate issued by the office of vital records in the country, province, state, county or city where the student was born;

(b) A passport, visa or “green card” that lists the student’s date of birth; or

(c) An official record of birth from the hospital in which the student was born.

9.7 PHYSICAL EVALUATION (FHSAA Form EL2 – Pre-participation Physical Examination)

9.7.1 Student Must Have a Physical Evaluation Each Year. A student must have a physical evaluation each year and be certified as being physically fit to participate in interscholastic athletic programs. A physical evaluation shall be valid for a period not to exceed one calendar year from the date of practitioner’s signature. The student cannot be allowed to participate in any activity related to interscholastic athletic programs until the fully executed physical evaluation form is on file in the school (s. 1002.20(17)(b), Florida Statutes).

9.7.2 Qualified Practitioners. The annual physical evaluation must be administered either by a licensed physician, a licensed osteopathic physician, a licensed chiropractic physician, a licensed physician assistant, or a certified advanced registered nurse practitioner.

9.7.3 Filing Requirements. The student-athlete shall be required to file with the principal or his/her designee a fully executed physical evaluation form signed by the practitioner and medical history questionnaire signed by the student and his/her parent(s) or guardian(s).

9.7.4 Evaluation Requirements. The Board of Directors shall adopt minimum requirements for the physical evaluation to which each member school shall adhere.

9.8 CONSENT AND RELEASE (FHSAA Form EL3 – Consent and Release from Liability Certificate)

9.8.1 Student Must Provide School with Signed Consent and Release Form to Participate. A student must have the consent of his/her parent(s) or legal guardian(s) to participate in interscholastic athletic programs at a member school. The student and his/her parent(s) or legal guardian(s) must also release the FHSAA, its member schools and contest officials from all liability for any injury or claim that may result from the student’s participation in interscholastic athletics. This consent and release...
from liability must be provided in writing on a form developed by this Association for that purpose. The form must be signed by the student and his/her parent(s) or legal guardian(s). The student cannot be allowed to participate in any activity related to interscholastic athletic programs until the fully executed consent form is on file in the school.

9.8.1.1 Board of Directors to Adopt Language for Consent and Release Form. The Board of Directors will adopt the language that must be contained in the consent and release form, which, at a minimum, will include the following:

(a) A statement acknowledging that participation in interscholastic athletics may require the student to miss classes;
(b) A statement authorizing the school to provide to the FHSAA for inspection the student’s academic, attendance and financial assistance records when requested;
(c) A statement warning of the health risks involved in participating in interscholastic athletics;
(d) A statement authorizing the use or disclosure of the student’s individually identifiable health information should treatment for illness or injury become necessary; and
(e) A statement granting to the released parties the right to photograph and videotape the student and to use his/her name, face, likeness, voice and appearance in connection with exhibitions, publicity, advertising, promotional and commercial materials without reservation or limitation.

9.9 AMATEURISM

9.9.1 General Principles. A student may not participate in an athletic activity of this Association unless he/ she is an amateur. An amateur is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived from the activity.

9.9.2 Forfeiture of Amateur Status. A student-athlete forfeits amateur status in a particular sport for one year by:

(a) Competing for money or other monetary compensations;
(b) Receiving any award or prize of monetary value which has not been approved by the FHSAA;
(c) Capitalizing on athletic fame by receiving money or gifts of a monetary nature;
(d) Signing a professional playing contract in any sport or hiring an agent to manage his/her athletic career;
(e) Competing under an assumed name.

9.9.3 Permissible Awards, Gifts, or Other Compensation. A student-athlete will not forfeit his/her amateur status for accepting:

(a) Symbolic awards such as school letters, medals, trophies, ribbons, plaques, pins, keys, or ribbons of small monetary value purchased from an established awards company;
(b) Rings, sweaters, jackets, or award blankets provided that they are presented by the school which they represent and do not exceed the value of the purchase price from an established awards company;
(c) Remuneration of “essential expenses” for any game in which he/she participates as a player; limited to meals, lodging, and transportation;
(d) A college scholarship offer.

9.9.3.1 Amateur Sports Guidelines. The FHSAA uses the guidelines of the national governing body of a particular sport, when applicable, to determine the types and amounts of benefits an amateur may receive.

9.9.4 Violations. Violation of the amateur rule in one sport does not make a student ineligible in all other sports.

**NOTE:** Any student who may consider participating in athletics as an amateur after high school should determine whether any action they intend to take while in high school would violate the amateurism regulation of the governing body at the level of competition at which he or she intends to participate.

9.10 STUDENT-ATHLETE PARTICIPATION

9.10.1 Athletic Participation Defined. A student in athletic uniform during an athletic contest is defined as having participated. Any member school which allows a student to participate in interscholastic athletic competition (dress in any part of the full uniform worn for that contest with the exception of a cap) in violation of the regulations of this Association will be held guilty of using an ineligible student and subject to the penalties assessed.
Compliance and Enforcement

10.1 PRINCIPLES AND PENALTIES

10.1.1 General Principles. The Executive Director shall have the authority to direct audits and compliance reviews and to investigate all alleged violations of this Association’s Bylaws, as well as regulations, guidelines, policies or procedures established by the Board of Directors. The procedures outlined in Policy 37 (Policy on Investigative Procedures), which shall be in full compliance with Florida Statute 1006.20(2)(g), will be followed for such investigations. All findings shall be disclosed to the member school in writing, setting forth the findings of fact and specific violation upon which the decision is based.

10.1.2 Penalties and Sanctions. The Executive Director shall have full authority to invoke one or more of the following penalties and/or sanctions against the violating school or person:

(a) REPRIMAND—An official letter of censure to the concerned party in regard to the offense committed which warns against further violations. This letter will be kept on file for future reference.

(b) FINE—A monetary payment.

(c) FORFEIT—The forfeiture of an interscholastic athletic contest.

(d) PROBATION—Types of probation that may be imposed are as follows:

1) Administrative Probation—The school or person is reprimanded, fined and served notice that it is in a period of warning for a minimum of one calendar year. Additional violations during this time will result in increased penalties which may include expulsion.

2) Restrictive Probation—The school or person faces the same penalties as administrative probation, with the additional consequence of restriction from participation in championship competition in one or more sports, or other restrictions deemed appropriate by the Executive Director, for one or more calendar years.

3) Suspension Probation—The school or person faces the same penalties as administrative probation, with the additional consequence of suspension from one or more sports for one or more calendar years.

(e) EXPULSION—Involuntary termination of a school’s membership in the Association for one or more calendar years. Any member school that competes with a currently expelled school may subject itself to expulsion from the Association for one calendar year.

10.1.2.1 Restricted Membership. The Board of Directors, instead of expulsion, may restrict one, more or all the membership privileges of the school. The school remains a member even if all of its membership privileges are restricted.

10.1.2.2 Reimbursement of Expenses. A member school found to have committed a violation shall pay to this Association any expenses incurred related to such violation, including, but not limited to, the costs of the investigation, attorney’s fees and legal costs, and all other related costs.

10.1.3 Sanctions on Coaches. Sanctions placed upon an individual coach may include, but are not limited to, prohibiting or suspending the coach from coaching, participating in, or attending any athletic activity sponsored, recognized, or sanctioned by the FHSAA and a member school.

10.1.3.1 If a member school is assessed a financial penalty as a result of a coach committing a major violation, the coach shall reimburse the member school before being allowed to coach, participate in, or attend any athletic activity sponsored, recognized, or sanctioned by the FHSAA and a member school.

10.1.3.2 If an ineligible student is intentionally permitted to participate in an interscholastic athletic contest, forfeiture of the game and honors shall be automatic and mandatory. If an ineligible student is inadvertently permitted to participate in an interscholastic athletic contest, forfeiture of the game and honors shall be automatic and mandatory if the coach or school administrator knew or should have known that such use would be a violation of the association’s rules and regulations.

10.1.4 Court Injunctions. If a member school or student, in violation of or noncompliance with any provisions of this Association’s rules, competes based on an injunction or restraining order which is later voluntarily vacated, stayed or reversed, or it is determined that injunctive relief is not or was not justified, they will still be subject to the penalties listed in 10.1.1.

10.2 FORFEITURE OF CONTEST

10.2.1 General Principle. If an ineligible student is intentionally permitted to participate in an interscholastic athletic contest, forfeiture of the game and honors shall be automatic and mandatory. If an ineligible student is inadvertently permitted to participate in an interscholastic athletic contest, forfeiture of the game and honors shall be automatic and mandatory if the coach or school administrator knew or should have known that such use would be a violation of the association’s rules and regulations.

10.2.1.1 Team or Individual Sports. In team sports, the contest and honors shall be forfeited. In individual sports, the points won by the ineligible student, individually or as the member of a relay team shall be forfeited. If an ineligible student participates on a relay team, the relay team shall be disqualified.

10.2.1.2 Procedures. If an ineligible student is allowed to participate in an athletic contest, the principal shall notify the Executive Director the dates of the competition and provide copies of the letters of forfeiture to the opposing school(s) the student participated against.
10.2.1.3 **Intentional Use of Ineligible Students.** The Executive Director shall have full authority to invoke additional penalties against a member school that in his/her determination intentionally permits an ineligible student to participate.

10.2.1.4 **Prospective Contests.** The association will not limit the competition of student athletes prospectively for rule violations of the school by its coaches or other representatives of the school’s athletic interests. The association will not unfairly punish student athletes for eligibility or recruiting violations perpetrated by a teammate, coach, administrator or other representatives of the school’s athletic interests. Contests will not be forfeited for other eligibility or recruiting violations in excess of the number of contests that the coaches or other representatives of the school’s athletic interests responsible for the violations are prospectively suspended.

10.3 **PROTEST PROCEDURE**

10.3.1 **Protesting Actions of Another School.** Any member school filing a protest over the eligibility of a student or the actions of a member school shall submit to the Executive Director in writing a full statement of the facts signed by the principal. The Executive Director shall provide the accused party or parties with a copy of the accusation and determine if the allegations warrant an investigation. If allegations concerning the eligibility of a student warrant an investigation, The procedures outlined in Policy 37 (Policy on Investigative Procedures), which shall be in full compliance with Florida Statute 1006.20(2)(g), will be followed for such investigations.

10.3.2 **Protesting Actions of Contest Officials.** The decisions of contest officials shall be final and not subject to review. Member schools should file reports with the Executive Director of unsatisfactory performance by contest officials which may be due to alleged lack of knowledge of the rules, errors in judgment or improper conduct.

10.4 **DUE PROCESS**

10.4.1 **Eligibility Appeals.** When a student is determined to be ineligible by a member school and/or is ruled ineligible by the Executive Director, the member school principal may appeal the ruling of the Executive Director if he/she or the student takes issue with it, and must do so at the student’s request. If possible, such disposition of the appeal is to be made before the end of the applicable sport season.

10.4.2 **Rules Violations Appeals.** Any student athlete, coach or member school who is found to be in violation of the rules of this Association may appeal the finding of the Executive Director if he/she takes issue with it, or may appeal the penalty imposed if he/she believes it to be too severe, and must be done at the student’s request.

10.4.3 **Disputes Between Member Schools Appeals.** A member school principal may appeal the findings by the Executive Director which arise from a dispute between one or more member schools.

10.4.4 **Undue Hardship Waivers.** A member school principal may file a request for undue hardship waiver on behalf of the student when enforcement of the provision(s) which rendered the student ineligible works an undue hardship upon the student, and must do so at the student’s request.

10.4.4.1 **Basic Principle.** The eligibility rules of this Association are designed to promote academic achievement and to encourage students to advance with their graduating class. Unless a student exerts every reasonable effort to make up credit not earned, such effort including attendance at summer school or other alternative programs, an undue hardship request seeking a waiver of the limit of eligibility shall not be granted.

10.4.4.2 **Criteria for an Undue Hardship Waiver Determination.** By seeking an undue hardship waiver, the student and the member school accept the fact that the student is ineligible under the FHSAA Bylaws but are asking for a grant of waiver of those Bylaws. For the purpose of determining whether to grant or deny an undue hardship waiver the Sectional Appeals Committees and the Board of Directors shall be guided by the following criteria, other criteria contained in these Bylaws and FHSAA Policies, and their respective experience related to high school athletics.

10.4.4.2.1 **Insufficient Grounds for Undue Hardship Waiver.** The fact that a student is retained in a lower grade shall not be sufficient grounds for granting an undue hardship waiver if the student fails to pass the required number of courses, or is voluntarily withdrawn from school, or repeats a lower grade to gain physical, social or emotional maturity.

10.4.4.2.2 **Potentially Sufficient Grounds for Undue Hardship Waiver.** The fact that a student is unable or desires to participate in interscholastic athletics shall not, in and of itself, be grounds for granting an undue hardship waiver request. The fact that a student is retained in a lower grade because he/she misses school for a prolonged period of time due to serious injury or illness, which must be supported by a physician’s record indicating that the absence was directly and solely related to such injury or illness, or events which were beyond the control of the student and/or the parent or guardian which causes the student to miss school for a prolonged period of time causing the student to repeat a grade, may be grounds for granting an undue hardship waiver request.

10.4.5 **Waiver of Bylaws Due to Special Circumstances.** The principal of a member school or his/her designee may request a waiver of any Bylaw or other regulation, guideline, policy or procedure of this Association not directly related to student eligibility when special circumstances, in the opinion of the person or entity making the appeal, call for a relief from or a modification to the effects of the rule.
10.4.6 Appeals of Executive Director’s Findings. The principal of a member school or his/her designee, or any other individual, who is found to be in violation of the rules of this Association by the Executive Director, whether or not such finding results in the imposition of penalty, may appeal the finding of the Executive Director if he/she takes issue with it, or may appeal the penalty imposed, if any, if he/she, while not disagreeing with the finding, believes the penalty to be too severe.

10.4.7 No Appeal or Waiver of Florida Statutes. The Sectional Appeals Committee, the Infraction Appeals Committee and the Board of Directors do not have the authority to waive a provision of the Florida Statutes including but not limited to:
(a) Mandatory GPA requirements (s. 1006.15(3)(a), Florida Statutes);
(b) Definition of a grading period as being one semester;
(c) Mandatory grading scale (s. 1003.437, Florida Statutes);
(d) Authority of school districts to establish codes of conduct by which students must abide to be eligible to participate in interscholastic competition;
(e) Home Education guidelines (s. 1006.15(3)(c)1-7, Florida Statutes);
(f) Charter School guidelines (s. 1006.15(3)(d)1-7, Florida Statutes);
(g) Non-FHSAA Member Private School guidelines (s. 1006.15(8), Florida Statutes);
(h) Florida Virtual School guidelines (s. 1006.15(3)(e)1-5, Florida Statutes);

10.5 GENERAL PRINCIPLES FOR APPEALS AND REQUESTS FOR WAIVER

10.5.1 Cost of Appeal. The cost of an appeal, if any, including the Association’s attorney fees, shall be borne by the person or entity making the appeal if the finding of the Executive Director or the penalty imposed is upheld or if the request for waiver is denied as in Bylaw 10.4.1.

10.5.2 Burden Of Proof. The burden of showing error in the determination of ineligibility or in showing why a waiver should be granted is on the person or entity making the appeal. Such proof shall include, as a minimum, a brief statement of the facts involved, the specific bylaw(s) or policy(s) involved and argument in support of the relief requested. This statement shall be supported by any relevant documentary evidence available.

10.5.3 Complete and Accurate Submissions. The person or entity making the appeal must ensure that the information submitted to support such appeal or request is complete and accurate. Additional information may be submitted and heard at the time of the appeal, for student eligibility cases. In the event a decision by the Sectional Appeals Committee or the Board of Directors was made based on incomplete or inaccurate information, the decision shall be withdrawn and the sanctions provided by these bylaws shall apply.

10.5.3.1 Eligibility Appeal Process. A school or student athlete filing an eligibility appeal is permitted to present information or evidence that was not available at the time of the initial determination of eligibility. The appeal committee hearing the appeal:
(a) may consider the new information or evidence during the appeal and render a decision; or
(b) may suspend the determination of the appeal and remand the appeal to the Executive Director for a new determination; and
(c) the decision on the appeal must be made in writing, setting forth the findings of fact and the specific violation(s) upon which the decision is based.

10.5.4 Request for Eligibility Ruling. Each member school principal or his/her designee having reasonable cause to believe that a student is ineligible to participate in, or continue to participate in, interscholastic athletic competition under any provision of these regulations may request an official ruling on the student’s eligibility from the Executive Director on a form to be provided by this Association, and must do so at the student’s request. The Executive Director or his/her designee, through the use of clear and convincing evidence, shall issue a ruling based on the statement of facts and any other additional information made available to the Executive Director or his/her designee, such additional information shall be included in the official ruling related to the student’s eligibility. In the event the Executive Director later determines that incomplete or inaccurate information has been included in the statement supporting the member schools request for an eligibility ruling, the ruling may be retracted and such penalties as deemed appropriate may be imposed by the Executive Director against the member school requesting the ruling.

10.5.5 Initial Appeals or Requests for Waivers. Initial appeals or requests for waivers will be heard by the Sectional Appeals Committee.

10.5.6 Subsequent Appeals or Requests for Waivers. Unfavorable decision found on the initial appeal or request for waiver rendered by the Sectional Appeals Committee will be heard by:
(a) The Sectional Appeals Committee, provided new information is provided, or
(b) The Board of Directors, which will not hear any evidence that was not presented to the Sectional Appeals Committee, and decisions will be final.
10.5.7 Appeals of Major Violations. Appeals of major violations will be heard by the Infraction Appeals Committee. Decisions of the Infraction Appeals Committee can be appealed to the Board of Directors. Decisions by the Board of Directors will be final.

10.5.7.1 Infraction Appeals Committee

10.5.7.1.1 Purpose of Committee. The Board of Directors appoints an Infractions Appeals Committee to hear and act upon appeals of schools found to have committed major violations.

10.5.7.1.2 Composition of Committee. The committee is composed of five members as follows:

(a) One public school member, who must be a school-based administrator;
(b) One public school member, who must be either a school-based administrator or a district-level administrator;
(c) One private school member, who must be a school-based administrator;
(d) One private school member, who must be either a school-based administrator or a regional or state-level administrator in a private school accrediting organization that is recognized by the FHSAA; and
(e) One attorney who within the last five years has been a member in good standing of the Florida Bar or the bar of any other state in the union, and who cannot be connected with any member school, public school district or private school accrediting organization, or represent student-athletes, coaches or athletic directors in any manner.

10.5.7.1.2.1 Restrictions on Appointments. No member of the Board of Directors or any Sectional Appeals Committee can serve on the Infractions Appeals Committee. The two public school members cannot be from the same public school district. The two private school members cannot be from the same private school accrediting organization. Otherwise, there are no restrictions on who may be appointed to the committee.

10.5.7.1.2.2 Quorum and Alternate Members. A quorum of the committee is four members. The Board of Directors will designate alternates the Executive Director may call as substitutes to ensure a quorum when regular committee members are absent.

10.5.7.1.2.3 Attorney Serves as Committee Chair. The attorney member chairs the committee, and is the only committee member who may have contact with the FHSAA staff regarding any case. The committee elects from among its remaining four members a vice chair who presides when the chair is absent or unable to act.

10.5.7.1.3 Term of Service. A member serves a term of three years, except as stipulated in paragraph 10.5.7.1.3.1 below. A member may be reappointed to a second term, but cannot serve more than six years on the committee.

10.5.7.1.3.1 Initial Terms of Service to Establish Rotation. To ensure that the terms of all members of the committee do not expire at the same time, each member initially appointed to the committee will serve the following initial terms of service:

(a) The attorney will serve an initial term of five years and may be reappointed to a second term of three years;
(b) One of the public school administrators and one of the private school administrators, selected at random by the Board of Directors, will serve an initial term of four years and may be reappointed to a second term of three years; and
(c) The remaining public school administrator and private school administrator will serve an initial term of three years and may be reappointed to a second term of three years.

10.5.7.1.4 Authority and Duties of Committee. The committee:

(a) Hears and acts upon appeals of schools found to have committed major violations; or
(b) Hears and acts on appeals arising from a situation involving or affecting member schools in more than one administrative section; or
(c) Hears and acts on requests of waiver of a rule that, if granted, would affect member schools in more than one administrative section; or
(d) Makes recommendations to the Board of Directors and FHSAA staff relative to the formulation and revision of FHSAA enforcement policies and procedures.

10.5.7.1.5 Committee to Meet as Needed. The committee meets as needed upon call of the chair in consultation with the Executive Director.

10.5.8 Emergency Hearings. The President of the Association may conduct an emergency meeting of the Board of Directors by telephone conference call if, and only if, a decision made by the Executive Director or a Sectional Appeals Committee would eliminate a school, in a team sport, or an individual, in an individual sport, from a State Championship Series contest before the next meeting of the Board of Directors. The President shall not conduct an emergency meeting of the Board of Directors to consider undue hardship cases, or other cases, affecting a student’s eligibility unless such student’s eligibility would eliminate a school, in a team sport, or the student, in an individual sport, from a State Championship Series contest before the next meeting of the Board of Directors. In the event a member school requests an emergency hearing before the Board of Directors, requesting such hearing the member school consents to the hearing being conducted by telephone conference call and agrees to pay all expense including expenses such as the cost of the telephone conference call and the costs of the stenographic recording of such hearing.
10.5.8.1 Emergency Appeals Committee

10.5.8.1.1 Purpose of Committee. The Executive Director authorizes an Emergency Appeals Committee solely to decide those issues normally decided by the Sectional Appeals Committee or the Board of Directors in which elimination from a State Championship Series has occurred.

10.5.8.1.2 Composition of Committee. The committee will be composed of five ad hoc members as follows:
(a) One non-attorney member from each of the four Sectional Appeals Committees; and
(b) One attorney member from one of the four Sectional Appeals Committees. The attorney member shall chair the Emergency Appeals Committee.

10.5.8.1.3 Selection of Committee Members. When requested by the Executive Director, the Emergency Appeal Committee members will be selected as follows:
(a) Each non-lawyer member will be designated by the Chairperson of the respective Sectional Appeals Committees; and
(b) The attorney member, who will serve as the chair of the committee, will be designated by the Executive Director.

10.5.8.1.4 Authority and Duties of Committee. The committee:
(a) Shall decide those issues normally decided by the Sectional Appeals Committee or the Board of Directors when a school, in team sport, or an individual, in an individual sport, would be eliminated from a State Championship Series contest before the next meeting of the Sectional Appeals Committee or Board of Directors;
(b) Shall not be called upon to decide undue hardship cases, or other cases, affecting a student’s eligibility unless such student’s eligibility would eliminate a school, in a team sport, or the student, in an individual sport, from a State Championship Series contest before the next meeting of the appropriate Sectional Appeals Committee or the Board of Directors.

10.5.8.1.5 Committee to Meet as Needed. The committee meets as needed upon call by the Executive Director.

10.5.8.1.6 Appeal of Decisions. The decision of the Emergency Appeals Committee can be appealed by the member school or the Executive Director at the next meeting of the Board of Directors.

10.6 APPEAL AND REQUEST FOR WAIVER PROCEDURES

10.6.1 Filing an Initial Appeal or Request for Waiver. An appeal or request for waiver must be filed with the Executive Director on the form(s) provided by this Association and must be accompanied by all necessary documentation. The appeal or request, including all required documentation, must be signed by the principal and received in the office of this Association not later than 5 p.m. Eastern Time on the filing dates established by the Board of Directors and printed in the FHSAA Planning Calendar. Appeals and requests received after the deadline date will not be considered at that Sectional Appeals Committee meeting, but will be placed on the agenda for the next regularly scheduled meeting. Incomplete appeals or requests for waiver will be returned to the person or entity making the appeal for an opportunity to resubmit with all the necessary information prior to the deadline, if time allows.

10.6.2 Filing an Appeal or Request for Waiver to the Board of Directors. The request for an appeal hearing before the Board of Directors must be made in writing to the Executive Director, must be signed by the member school principal or his/her designee and must be received in the office of this Association within five (5) business days following the date of the Sectional Appeals Committee meeting or the Infraction Appeals Committee meeting. Failure to file a request for an appeal hearing before the Board of Directors within the five (5) business days following the date of the Sectional Appeals Committee meeting or the Infraction Appeals Committee meeting shall be deemed a waiver of the right of an appeal as granted herein.

10.6.3 Appearances Before Sectional Appeals Committee, Infraction Appeals Committee, Emergency Appeals Committee and/or Board of Directors. The person or entity making the appeal has the opportunity to appear before the Sectional Appeals Committee, Infraction Appeals Committee, Emergency Appeals Committee and/or the Board of Directors if he/she so chooses. The person or entity making the appeal must give notice of their choice to appear at the time the appeal or request for waiver is filed. Appearance by the student and a school representative is mandatory for an appeal or request for undue hardship waiver involving age, limit of eligibility and unsportsmanlike conduct provisions when heard by the Sectional Appeals Committee, and is optional when heard by the Board of Directors.

10.6.3.1 Procedure for Appearance. A person or entity making the appeal who is required, or who chooses, to appear before the Sectional Appeals Committee, Infraction Appeals Committee and/or the Board of Directors will be assigned a time for the appearance. A twenty (20)-minute block will be allotted for each case involving an appearance.

10.6.3.2 Student Appearance. A student who is required, or chooses, to appear before the Sectional Appeals Committee, Infraction Appeals Committee and/or the Board of Directors must be accompanied by a school representative and may be accompanied by his/her parent(s) or other individuals with whom he/she lives. The school representative who is required to accompany the student must be a full-time employee of the school and must be identified on the form at the time of filing. The student may be represented by an attorney. Such representation will not excuse the appearance of a student when that appearance is required.

10.6.3.3 Additional Information. Additional information may be submitted and heard at the time of the appeal, for student eligibility cases.
10.6.4 **Appeals of Executive Director’s Findings.** To appeal the finding of the Executive Director, the appeal must be filed so that it is received in the office of this Association within ten (10) business days of the receipt of the Executive Director’s finding and/or notification of the imposition of penalty. Failure to file an appeal so that it is received in the office of this Association within the ten (10) business days allowed shall be deemed a waiver of the right to appeal as granted herein.

10.6.5 **Infraction Appeals Committee Appeals Procedure**

10.6.5.1 **Written Notice of Appeal.** To be considered by the appropriate appeals committee, the school’s written notice of appeal of the findings or the penalty imposed, or both, must be received in the FHSAA Office not later than 10 business days from the date that the school receives the FHSAA staff’s decision in secondary cases, or confirms its receipt of the infractions report in major cases. The notice of appeal must indicate whether the school will submit its appeal in writing only or whether it will appear before the appeals committee at the time the appeal is considered. The school must submit supporting information for its appeal, if any, to the FHSAA Office by the deadline established by the FHSAA.

10.6.5.1.1 **Appeal of Secondary Violations.** Sectional Appeals Committees hear and act on appeals of secondary cases.

10.6.5.1.2 **Appeal of Major Violations.** The Infractions Appeals Committee hears and acts on appeals of major cases.

10.6.5.2 **Basis for Granting an Appeal**

10.6.5.2.1 **Appeal of Findings.** An appeals committee may set aside findings of fact and violations arrived at ONLY if the school shows that:

(a) The finding of the FHSAA staff is clearly not supported by evidence that is credible, persuasive and of a kind on which reasonably prudent persons rely in the conduct of serious affairs;

(b) The school’s actions do not constitute a violation of FHSAA rules; or

(c) A procedural error affected the reliability of the information that was used to support the FHSAA staff’s finding. In this case, the school must demonstrate how it contends the staff was in error.

10.6.5.2.2 **Appeal of Penalties.** An appeals committee may set aside a penalty imposed by the FHSAA staff if the appeals committee determines that the penalty is excessive or inappropriate based on all the evidence and circumstances. Only the Board of Directors may modify a penalty imposed by this Association.

10.6.5.2.3 **Committee Acts on Basis of Record in Case.** An appeals committee can act only on the basis of the record in the case. This record consists of the notice of inquiry and/or allegations to the school, the report of the investigator and the written response by the school. The committee cannot consider information that was not available to the FHSAA staff when issuing its finding and imposing the penalty.

10.6.5.2.3.1 **New Evidence.** The appeals committee may stay an appeal when new information is introduced and refer the case back to the FHSAA staff for review if the committee concludes that:

(a) The new information was not available, and through the exercise of reasonable due diligence could not have been available, at the time the FHSAA staff issued its finding; and

(b) The new information is demonstrably relevant to the findings of the staff.

10.6.5.3 **Appeal of Unfavorable Decision by Appeals Committee.** A school that is unsuccessful in its appeal to the Sectional Appeals Committee or Infractions Appeals Committee may appeal the committee’s decision to the FHSAA Board of Directors. The school’s written notice of appeal of the committee’s decision must be received in the FHSAA Office not later than five business days from the date of the hearing before the appeals committee. The notice of appeal must indicate whether the school will submit its appeal in writing only, or whether it will appear before the Board of Directors at the time the appeal is considered.

10.6.5.3.1 **Board Acts on Basis of Record in Case.** The Board of Directors can act only on the basis of the record in the case. This record consists of the information that was available to the appeals committee at the time it rendered its decision. The Board of Directors may stay an appeal when new information is introduced and refer the case back to the FHSAA staff for review per the conditions of paragraph 10.6.5.2.3.1.

10.6.6 **Emergency Appeals Committee Appeals Procedures**

10.6.6.1 **Request for an Emergency Appeal.** A request for an emergency appeal shall be filed with the Executive Director within 48 hours after the member school learns that there is a need for a decision before the matter can be considered at a regularly scheduled meeting of the Sectional Appeals Committee. Failure to file a request within 48 hours shall be deemed a waiver of the right of an emergency appeal.

10.6.6.2 **Telephone Conference Call.** By requesting a hearing by the Emergency Appeals Committee, the member school consents to such a hearing being conducted by telephone conference call and shall be governed by Bylaw 4.1.3.1.

10.6.6.3 **Cost of Emergency Appeal.** By requesting a hearing by the Emergency Appeals Committee, the member school agrees to pay all expense including expenses such as the cost of the telephone conference call and the costs of the stenographic recording of such hearing.
10.7 EMPOWERMENT

10.7.1 Sectional Appeals Committee Powers. The Sectional Appeals Committee is empowered to consider a request from member schools seeking exceptions to Bylaws and regulations, to hear undue hardship eligibility cases filed by member schools on behalf of student-athletes, and to hear appeals filed by member schools or other individuals. The decision in each case shall be by majority vote and may be appealed to the Board of Directors.

10.7.1.1 Reliance on a Sectional Appeals Committee Decision. A school that allows a student to participate in accordance with a Sectional Appeals Committee decision that is later reversed by the Board of Directors will not be subject to the penalties normally assessed to schools that allow participation by an ineligible student.

10.7.2 Infraction Appeals Committee Powers. The Infraction Appeals Committee is empowered to hear and act upon appeals of schools found to have committed major violations and to make recommendations to the Board of Directors and FHSAA staff relative to the formulation and revision of FHSAA enforcement policies and procedures. The decision in each case shall be by majority vote and may be appealed to the Board of Directors.

10.7.3 Board of Directors Powers. The Board of Directors is empowered to review appeals and requests for waivers and sustain, modify or overturn the decision of the Sectional Appeals Committee, Infraction Appeals Committee and/or the Executive Director in each case that comes before it.

10.7.3.1 Finality of Ruling. The decision of the Board of Directors in each case shall be by majority vote and shall be final.

10.7.4 Executive Director's Powers

10.7.4.1 Executive Director Initiated Reviews. The Executive Director may refer to the Board of Directors for review a decision of a Sectional Appeals Committee that directly conflicts with decisions of other Sectional Appeals Committees or of the Board of Directors on the same question or rule; or that, in the opinion of the Executive Director, is rendered in conflict with the rules of the Association or will have a great effect on the proper administration of the interscholastic athletic programs throughout the Association. The Executive Director will notify a member school in writing when a decision rendered by Sectional Appeals Committee will be referred to the Board of Directors for review.

10.7.4.2 Appeal of Infraction Appeals Committee Decisions. The Executive Director is empowered to appeal any decisions made by the Infraction Appeals Committee to the Board of Directors.

10.8 PROCEDURE IN CASES OF EXPULSION

10.8.1 Procedures. When the Executive Director believes that his/her findings in any investigation into any violation of any rule of this Association warrants the expulsion of a member school or a restriction of its membership privileges, the following procedure must be followed:

(a) Notice. The Executive Director will notify in writing the principal of the school of the date, time and site of the Board of Directors meeting at which a hearing on the school’s membership status will be conducted. The notice must state the findings of the Executive Director and must advise the principal of his/her obligation to represent his/her school at the hearing. This notice must be received by the principal of the school not fewer than 10 business days in advance of the date of the hearing.

(b) Hearings. During the hearing before the Board of Directors, the school may have an attorney present, may present witnesses, testimony, and any other relevant evidence or information for consideration by the Board of Directors. The Executive Director may also present witnesses, testimony, and any other relevant evidence or information for consideration by the Board of Directors.

(c) Final Decision. Following the presentation of evidence and arguments, the Board of Directors will render its decision by majority vote. The Board of Directors is empowered to sustain, modify or reject the findings and recommendation of the Executive Director. The decision of the Board of Directors will be final.

10.8.2 Applying for Reinstatement. A school that has been expelled or has had its membership privileges restricted for a period of one or more calendar years may apply for readmission or reinstatement of its membership privileges after a period of one calendar year and then yearly thereafter. The principal of the school must notify the Executive Director in writing that he/she intends to apply for readmission or reinstatement and request to be placed on the agenda for the next regularly scheduled meeting of the Board of Directors. The principal will make a verbal appeal for readmission or reinstatement before the Board of Directors at that meeting. A school that has been expelled or has had its membership privileges restricted may be readmitted or have its membership privileges reinstated only upon approval by a majority vote of the Board of Directors.

10.9 COMPLIANCE WITH DECISIONS

The administrative decisions of the Board of Directors, Infraction Appeals Committee, Sectional Appeals Committee and Executive Director shall be accepted in good faith by all member schools. The principal of any member school who, by any act or attitude, shall refuse to accept, or shall hold in contempt or derision, or shall permit or acquiesce in such contempt or derision on the part of any group or individual associated with his/her school, shall subject his/her school to expulsion from this Association. These provisions are not to be construed as preventing the principal of a member school from exercising his/her school’s right to due process by appealing decisions of the Executive Director to the Sectional Appeals Committee, Infraction Appeals Committee and/or the Board of Directors.
Administrative Policies

of the
Florida High School
Athletic Association, Inc.

2013-14 Edition

Pursuant to the authority granted it in Article 4.3 of the FHSAA Bylaws, the FHSAA Board of Directors has established the following policies to govern the Association’s interscholastic athletic programs. In the case of any conflict, whether actual or believed, with the Bylaws of the FHSAA, the Bylaws shall control. Any understanding, misunderstanding, opinion or belief by an individual as a result of reading these policies shall not be binding on the FHSAA. The term “Executive Director” as used throughout these policies shall mean the Executive Director of the FHSAA or his/her designee, unless otherwise specifically noted. Official rulings shall be requested in writing only by the principal or designated official representative of a member school and shall be provided in writing by the Executive Director or his/her designee. Only a formal ruling by the Executive Director or his/her designee is binding on the FHSAA. General failure to comply with FHSAA Policies will subject the school to a monetary penalty of a minimum of $100 per occurrence. Substantive changes for the 2012-13 school year are shaded.

APPORTIONMENT OF ADMINISTRATIVE SECTIONS

1.1 Board of Director Apportionment Charge. Bylaw 3.12.1 charges the Board of Directors with the responsibility of dividing the Association’s membership along existing county lines into four contiguous and compact administrative sections, each containing an equal or nearly equal number of member schools to ensure equitable representation on the Association’s Board of Directors, Representative Assembly and Sectional Appeals Committees.

1.1.1 Executive Director Evaluation. The Executive Director, each six years, shall be directed to undertake and prepare for review by the Board of Directors an evaluation of the existing apportionment of the administrative sections. This evaluation shall be presented to the Board of Directors as an informational item not later than its September meeting.

1.1.2 Need for Reapportionment. Should the Board of Directors determine that a reapportionment of the administrative sections is needed, it shall direct the Executive Director to develop one or more reapportionment plans for its consideration. The reapportionment plans will be advertised on the FHSAA website and placed on the agenda for action by the Board of Directors at its November meeting.

1.1.3 Effective Date of Reapportionment. The reapportionment of administrative sections shall be effective with the annual election of the Association that begins in February of that school year to seat member school representatives of the Board of Directors, Representative Assembly and Sectional Appeals Committees in the following school year.

1.1.4 Next Review Period. Pursuant to this policy, the next review of the apportionment of administrative sections by the Board of Directors shall be conducted in Fall 2014. Any reapportionment resulting from this review shall be in effect for the elections to be conducted beginning in February 2015.

DIVERSITY IN LEADERSHIP

2.1 Diversity in Leadership. The Florida High School Athletic Association recognizes the diversity of its membership and believes that it is best served by a diverse leadership. Accordingly, the Association shall promote diversity of representation within its governance structure (Board of Directors, Representative Assembly, Sectional Appeals Committees) and substructures (advisory and other committees).

2.1.1 Charge to Executive Director. The Executive Director shall actively solicit and encourage eligible individuals from under-represented groups to seek election to available member school positions within the Association governance structure.

2.1.2 Charge to Board of Directors. The Executive Director shall actively seek out and recommend to the Board of Directors eligible individuals from under-represented groups for appointment to fill vacancies in member school positions within the Association governance structure whenever such vacancies occur.

2.1.3 Charge to Commissioner of Education, Superintendents, and School Boards. The Executive Director shall encourage the Commissioner of Education, the Florida School Boards Association and the Florida Association of District School Superintendents to seek out eligible individuals from under-represented groups when appointing and/or electing their respective representatives to positions in the Association governance structure.

2.1.4 Charge to Advisory Committees. The Executive Director and staff shall actively seek out and appoint eligible individuals from under-represented groups to fill vacancies on the various advisory committees whenever such vacancies occur.

2.1.5 Diversity Statement. All written materials for nominations and elections prepared by the Association will include the following statement: “The FHSAA values and seeks a diverse leadership.”

2.1.6 Barriers Addressed. Barriers that may inhibit eligible individuals from under-represented groups from seeking or attaining leadership positions will be identified and addressed.

2.1.7 Report by Executive Director. On an annual basis, the Executive Director will report to the Board of Directors the Association’s progress toward diversity.
CATEGORIZATION OF INTERSCHOLASTIC SPORTS

3.1 General Principles. The following guidelines shall govern the categorization of interscholastic sports programs sponsored by member schools, as well as the implementation of state championship series competitions in those sports. These guidelines establish the thresholds (minimum standards) that sports must meet for categorization and state championship series implementation. Any member school that sponsors a sport that is recognized or sanctioned by this Association shall abide by all regulations of this Association.

3.2 Club Sports

3.2.1 Club Sports Defined. Any sport that is not categorized as either a recognized sport or a sanctioned sport by the Board of Directors as stipulated herein shall be considered to be a club sport and shall not be under the jurisdiction of this Association. No Association bylaw, policy, rule or contest regulation shall apply to competition in a club sport. Public member schools, however, shall be required to abide by the academic eligibility requirements as set forth in Florida Statutes.

3.3 Recognized Sports

3.3.1 Recognized Sport Defined. A recognized sport is a sport that is recognized by the Board of Directors as being played on an interscholastic basis by member senior high schools.

3.3.2 Requirements for Recognition. The Board of Directors may extend recognition to a sport, effective with the beginning of the next school year, upon the recommendation of the Executive Director, when a minimum of 32 member senior high schools that are geographically situated in at least two (2) of the four (4) administrative sections submit letters of petition requesting recognition status for the sport on their respective schools’ official stationery. Not more than three-fourths of these schools may be located in the same one administrative section. Each school submitting a letter of petition must have sponsored a program in the sport for a minimum of two (2) years in which it actively engaged in competition in the sport with other schools. The letters of petition must be submitted by the requisite number of member senior high schools within the same school year, and shall become invalid at the conclusion of that school year.

3.3.3 State Championship Series for Recognized Sports. The Board of Directors may authorize the conduct of a state championship series in a sport which has been recognized for at least one (1) school year, effective with the following school year, upon the recommendation of the Executive Director.

3.3.3.1 Requirements for State Championship Series. A minimum of 48 member senior high schools must have sponsored a program in, and competed in, the recognized sport for a minimum of one (1) year.

3.3.3.2 Commitment to Participate in State Championship Series. When the Board of Directors authorizes a state championship series in a recognized sport, the FHSAA Office shall mail to all member senior high schools a form on which to record its intention with regard to participation in that state championship series. A minimum of 48 member senior high schools, of which not more than three-fourths may be geographically located within the same one administrative section, must respond in the affirmative on the commitment form for a state championship series to be implemented. These schools must have sponsored a program in, and competed in, the sport for a minimum of one (1) year since the sport was given recognition status. It is not necessary that all member senior high schools that commit to participate in the state championship series have sponsored a program in, and competed in, the sport for a minimum of one (1) year since the sport was given recognition status. It is only necessary that at least 48 of the member senior high schools that commit to participate in the state championship series have done so. In committing to participate in the state championship series, schools shall agree to abide by all season limitations, as well as all terms and conditions for the state championship series, as established by the Board of Directors. If the requisite number of member senior high schools does not commit to participate in the state championship series under these conditions, the state championship series shall not be implemented at that time.

3.3.4 Current Sports Holding Recognition. Sports that hold recognition status only are girls bowling, boys bowling, competitive cheerleading, girls flag football, girls lacrosse, boys lacrosse, boys volleyball, girls water polo, boys water polo and girls weightlifting.

3.4 Sanctioned Sports

3.4.1 Sanctioned Sport Defined. A sanctioned sport is a recognized sport in which, in the determination of the Board of Directors, a representative number of member senior high schools has engaged in interscholastic competition for a sufficient period of time to warrant sanction of the sport as being eligible for official state championship series competition. Bylaw 8.5.1 states that sanctioned sports, in which an official state championship series competition is implemented, may require participants to adhere to a greater degree of regulation subject to terms and conditions established by the Board of Directors.
3.4.2 Requirements of Sanctioning. The Board of Directors may sanction a recognized sport as being eligible for official state championship series competition, effective with the beginning of the following school year, upon the recommendation of the Executive Director, when a minimum of 10 percent of the total member senior high schools, which are geographically situated in at least two (2) of the four (4) administrative sections, have sponsored a program in, and competed in, a recognized sport for a minimum of two years. Not more than three-fourths of these schools may be located in the same one administrative section.

3.4.3 Implementation of a State Championship Series. When a sport is sanctioned by the Board of Directors as being eligible for official state championship series competition, the FHSAA Office shall mail to all member senior high schools a form on which to record its intention with regard to participation in an official state championship series in the sport. A minimum of 10 percent of the total member senior high schools, of which not more than three-fourths may be geographically located within the same one administrative section, must respond in the affirmative on the commitment form for an official state championship series to be implemented in a single classification in the following school year. These schools must have sponsored a program in, and competed in, the sport for a minimum of two (2) years since the sport was given recognition status. It is not necessary that all member senior high schools that commit to participate in the official state championship series have sponsored a program in, and competed in, the sport for a minimum of two (2) years since the sport was given recognition status. It is only necessary that at least 10 percent of the member senior high schools that commit to participate in the official state championship series have done so. Otherwise, the official state championship series shall not be implemented at that time. Any state championship series that has been implemented and is being conducted in the sport, however, shall be continued.

3.4.4 Season Limitations for Sanctioned Sports. A sanctioned sport, in which an official state championship series is implemented, shall be regulated by the Association. All Association bylaws, policies, rules and contest regulations shall apply to the sport and to the member schools that sponsor programs in the sport, regardless of the schools’ intent with regard to participation in an official state championship series in the sport. The Board of Directors shall establish season limitations to which all member schools sponsoring a program in the sport shall adhere. These season limitations shall include, but not be limited to, beginning and ending dates for practice and competition, as well as a maximum number of regular season contests that schools shall not exceed.

3.4.5 Current Sanctioned Sports. Sports that currently are sanctioned by the Board of Directors are boys baseball, girls basketball, boys basketball, girls cross country, boys cross country, boys 11-man football, girls golf, boys golf, girls soccer, boys soccer, girls fast-pitch softball, girls swimming & diving, boys swimming & diving, girls tennis, boys tennis, girls track & field, boys track & field, girls volleyball, boys weightlifting and boys wrestling.

3.5 Revocation of Categorization Status

3.5.1 Empowerment of Board of Directors. The Board of Directors may revoke the status given any sport, and suspend or discontinue the state championship series or official state championship series in any sport, upon recommendation of the Executive Director, when any one of the following occur:

3.5.1.1 Below Requisite Number. The requisite number of member senior high schools no longer sponsor a program in the sport; or

3.5.1.2 Majority of Members Seek Revocation. Two-thirds of the member senior high schools that sponsor a program in the sport submit letters of petition on their respective official stationery requesting that the status of the sport be revoked and/or the state championship series or official state championship series in the sport be suspended or discontinued; or

3.5.1.3 Financially Unfeasible. It is determined that it is no longer financially feasible for the Association and its member schools to supervise and regulate the sport, and/or conduct a state championship series or official state championship series in the sport; or

3.5.1.4 Revocation Due to Unsportsmanlike Conduct. The number and nature of acts of unsportsmanlike conduct, or other acts of a flagrant and malicious nature, that are committed by student-athletes and coaches during competition in the sport, reach such a level as to make it no longer in the best interests of the Association or its member schools to recognize and/or sanction competition in the sport.

POLICY 4

INTERSchOLASTIC CONTESTS

4.1 Interscholastic Contests

4.1.1 Interscholastic Contests Defined. FHSAA Bylaw 8.1.1 defines an interscholastic contest as “any competition between organized teams of different schools in a sport recognized or sanctioned by this Association.” All such contests are subject to FHSAA Bylaws as well as the guidelines, regulations, policies and procedures adopted by the Board of Directors for that sport and in general.
4.1.5 Penalties Assessed to Schools.
(a) Permitting a student-athlete to compete in an interscholastic contest prior to his/her name being submitted to the FHSAA Office on an Annual Eligibility Report will subject the school to a monetary penalty of a minimum of $50 per student.
(b) Failure to contract with sanctioned local officials associations for registered officials at all interscholastic home contests will subject the school to a monetary penalty of a minimum of $100 per contest.
(c) Actions which may not be regarded as unsportsmanlike which result in a contest being prematurely concluded will subject the school to a monetary penalty of a minimum of $100.

4.1.6 Absence from School
4.1.6.1 Sunday Contest. All team members may be absent from school on a Sunday. Such absences shall not be considered as a violation of eligibility rules unless the student has not participated in any team practice, game or contest.

4.2 Prohibited Contests
4.2.1 Practice games, exhibition games, non-contract games and scrimmage games with other schools, groups, alumni or league teams are strictly prohibited. All such games or sessions shall be on an intra-squad basis. Non-squad members may not participate in any team practice, game or contest.

4.2.2 Games, tournaments or meets with schools in sports that are not sanctioned by or recognized by an NFHS member association or an Affiliate NFHS member association are prohibited.

4.3 Absence from School
4.3.1 Notice to the School. All notices shall be sent to the FHSAA Director of Membership Services and the Director of the sport or association involved. The FHSAA Director of Membership Services shall then notify the FHSAA Office of the appropriate Director and the FHSAA Office shall notify the school of the action and the students affected.

4.3.2 Documentation.
4.3.2.1 Current transcript and school registration information;

4.4 Outcome of Interscholastic Contests
4.4.1 Outcome is Final. The outcome (i.e. winners and losers) of all interscholastic contests are final, and cannot be reversed, except where the rules of the sport permit or in the case where a winner must forfeit its victory or points.

4.4.2 Elimination is Final. Elimination from a FHSAA State Series competition of individuals or teams is final. Defeat by individuals or teams that are later ordered to forfeit their victory, place and/or points, or are vacated from the bracket, will not bring about reinstatement or advancement in the FHSAA State Series competition on the part of the individual or team that has been eliminated.

4.4.3 Championship is Final. Championships or other placements in FHSAA State Series competitions are final. Championships or other placements ordered vacated by individuals or teams, will not bring about advancement in placements or receipt of awards for those placements.

4.5 Gender Identity Participation
All eligible students should have the opportunity to participate in interscholastic athletics in a manner that is consistent with their gender identity and expression, irrespective of the gender listed on a student’s birth certificate and/or records. Should any situation arise regarding a student’s request to participate in a gender-segregated athletic event consistent with his/her gender identity and expression, a student may seek review of his or her eligibility for participation through the procedures set forth below:

4.5.1 Notice to the School. The student and parent(s) or guardian(s) shall contact the school administrator or athletic director, prior to the official start date of the sport season as listed on the FHSAA Website, indicating the student has a consistent gender identity and expression different than the gender listed on the student’s school registration records and the student desires to participate in a gender-segregated athletic sport in a manner consistent with his/her gender identity and expression.

4.5.2 Documentation. The appealing student must provide the principal or athletic director, and the FHSAA, the following documentation and information:

4.5.2.1 Current transcript and school registration information;
4.3.2.2 All information required for participation and eligibility in FHSAA athletics (i.e. birth certificate, proof of residency, EL2, EL3 and EL3CH);

4.3.2.3 A written statement from the student affirming the consistent identity and expression to which the student self-relates;

4.3.2.4 Documentation from individuals such as, but not limited to, parents/legal guardians appointed by a court of competent jurisdiction, friends and/or teachers, which affirm that the actions, attitudes, dress and manner demonstrate the student’s consistent gender identification and expression;

4.3.2.5 A complete list of all the student’s prescribed, non-prescribed or over the counter, treatments or medications;

4.3.2.6 Written verification from an appropriate health-care professional (doctor, psychiatrist, and psychologist) of the student’s consistent gender identification and expression; and

4.3.2.7 Any other pertinent documentation or information which the student or parent(s)/legal guardian(s) appointed by a court of competent jurisdiction believe relevant and appropriate.

4.3.3 Notice to the FHSAA. The school administrator shall contact the FHSAA, which will assign a facilitator who will assist school and student in preparation and completion of the FHSAA “Gender Identity Eligibility Review Process”.

4.3.4 First Level of Review. The student will be scheduled for a review hearing before a committee specifically established to preside over gender identity reviews. The FHSAA will schedule a hearing as expeditiously as possible but in no case later than fifteen (15) school/business days after the first practice date for the sport which is the subject of the petition, or within a reasonable time thereafter in cases of emergencies or extenuating circumstances. The total gate receipts of each district tie-breaker, regional tournament game and state semifinal game shall be divided as follows: FHSAA shall receive 25 percent of gate receipts or the total net profit after host expenses, whichever is less. The amounts remaining after host expenses and FHSAA share are paid shall be divided 55 percent to the host school and 45 percent to the visiting school(s). If, however, a district tie-breaker, regional tournament game or state semifinal game shows a net profit of $250 or less, the host school shall retain the net profit and no percentage shall be paid to the visiting school(s) or the FHSAA. In the event the host school reports a net profit of $250 or less, the host school must provide supporting documentation for all expenses claimed. The net profit is determined by subtracting total expenditures from the total gate receipts on the financial report form. If a district tie-breaker, regional tournament game or state semifinal game shows a net loss on the financial report form, the FHSAA shall compensate the host school up to $350 for the loss, subject to the provisions of 9.10.5. Financial Report Form FB5 for district tie-breakers, regional and state semifinals must be received by the FHSAA within 30 calendar days of the completion of the event. A late filing fee shall be assessed as follows: 1 to 60 days late, $50; 61 to 90 days late, $75; beyond 90 days late, $100.

9.10.2 **Baseball, Basketball, Soccer, Softball and Girls Volleyball.** Each district tournament and regional tournament contest shall be financially independent. The total gate receipts of each district tournament and each regional tournament contest shall be divided as follows: FHSAA shall receive 15 percent of gate receipts or the total net profit after host expenses, whichever is less. The amounts remaining after host expenses and FHSAA share are paid shall be divided 55 percent to the host school and 45 percent to the visiting school(s). If, however, a district tournament or regional tournament contest shows a net profit of $250 or less, the host school shall retain the net profit and no percentage shall be paid to the visiting school(s) or the FHSAA. The net profit is determined by subtracting total expenditures from the total gate receipts on the financial report form. If a district tournament or regional tournament contest shows a net loss on the financial report form, the FHSAA shall compensate the host school up to $350 for the loss, subject to the provisions of 9.10.5. Financial Report Form FN2 for district and regional tournaments must be received by the FHSAA within 30 calendar days of the completion of the event. Host schools of district tournaments or FHSAA Finals play-in games in these sports do not need to file a financial report.
9.10.4 **Net Loss Reimbursement.** To be eligible to receive the $350 maximum compensation for a net loss shown on the financial report forms FB5 and FN2, a host school must:

9.10.5 **Hosting a State Series Tournament at Multiple Sites.** Regardless of number of sites required to play a District or Regional Series Tournament, there shall be one recognized host school that is responsible for filing the FN2 financial report along with FHSAA payment. Only one report shall be submitted for the sum total of all satellite sites that comprise a District or Regional Tournament. All games or matches played in a tournament are combined into one report for determining the share to be paid to the FHSAA and for purposes of determining a profit or loss. The overall profit or loss is determined by combining ticket revenues from all locations and deducting qualifying expenses from all locations. District Planning meetings should determine how satellite sites will report to the District Host and how the District Host should distribute overall profits or loss. In Regional Tournaments and in the absence of District Planning Meeting guidance on how to split profits and losses, the Host School is fiscally responsible for all losses at the satellite site(s) and must redistribute profits as stated in policy 9.10.2 and 9.10.3.

9.11 **Compensation to Schools Participating in FHSAA Finals State Championship Events**

9.11.1 **Football.** When net profits after expenses allow, the FHSAA shall pay to each school an amount based upon its mileage from the site of the FHSAA Finals as follows: $4,250 plus $5 per mile. Neither the FHSAA nor the host organization shall assume responsibility for any other team expenses of any kind except for those expenses specified above. When net profits after expenses do not allow for the payment of this schedule, participating teams shall divide 100 percent of the net profit based on their pro-rata share of the formula. 9.12 Athletic Events Not Held Due to Unusual Circumstances, Including Inclement Weather

9.12.1 If severe weather occurs in the area prior to the start of, or during, any scheduled outdoor game, tournament or meet and the event is delayed, postponed, suspended or canceled, special rules apply. If for other unforeseen reasons, a game, tournament or meet is delayed, postponed, suspended or canceled, special rules apply.

9.12.2 If tickets have been sold for the event and any revenue related to the event is retained by the school, then the regular financial reporting process must be completed with payments to the FHSAA and to the participating school(s). If free entry is given for a future event, the revenue received and retained should be reported for the event. If money is refunded and not retained, then it should not be included as revenue reported for the event. If tickets were presold for the event and the event was canceled before it was to begin, then the revenue received and retained (not refunded) from the presold tickets should be reported on the financial report.

Request for a waiver of a monetary penalty must be submitted, in writing, to the FHSAA Office, along with any related documentation supporting the request. The FHSAA Office will notify the school of the decision on the waiver request. The school’s account will be adjusted if the waiver is approved. If a school receives a waiver on a monetary penalty that previously has been paid, a reimbursement will be sent to the school.

POLICY 10

STATE SERIES

10.1 Participation in State Series

10.1.1 Participation is Voluntary. Participation in the FHSAA State Series in each sport by a school is voluntary and is limited to varsity participation only. It, however, is the preference of the Board of Directors that every eligible school that can and should participate, do so.

A school for legitimate reasons may exercise the option of independence. Such reasons include, but are not limited to: a newly opening school; a school that has consistently been unable to compete in the classification to which it is assigned; a school that is geographically isolated and chooses not to participate for financial reasons; a school whose educational philosophies prohibit such extended athletic participation; or a school that does not or cannot compete for religious reasons. The option of independence is not intended for use by one or more schools organizing in protest of the Association’s policies and/or to establish a postseason championship competition separate from the FHSAA state championship series.

To this end, any such effort by a group of member schools to declare independence in a sport and organize a conference or league with the intent of conducting any form of playoff to determine a champion(s) after the conclusion of FHSAA-approved regular season competition is prohibited unless approved by the FHSAA Board of Directors.

All competitions to determine a champion(s) that are conducted by conferences or leagues whose members also are members of the FHSAA must be conducted as part of the FHSAA-approved regular season.

10.1.2 Participation is for Full Member Senior High Schools. Participation in the FHSAA State Series is limited to varsity participation and only to those full member senior high schools that are members of the Association. Compensation for expenses of schools competing in a State Series is not guaranteed.
10.2 Team Participation

10.2.1 Eligibility for Participation. To be eligible for participation in the FHSAA State Series in any sport:

(a) For team a sport, a school successfully sponsors a varsity program in the previous school year (i.e. schedules and completes a minimum of four contests).

(b) The school files a commitment (team sports) or intent (individual sports) to participate in the state series with FHSAA by the specified deadline.

(c) A varsity team shall engage in a minimum of four (4) interscholastic contests (games, matches or meets) or the required number of district contests as determined in the district meeting, whichever is greater, in the sport. To count as a contest, the school’s team actually shall participate in and complete the contest. Scheduled contests that are canceled or not completed (in accordance with the playing rules of the sport in question) may not be counted.

(d) A varsity team must play not less than 60 percent of its regular season contests in the sport against FHSAA member schools.

(e) A varsity team must not take more than one trip per school year in the sport beyond the neighboring states of Alabama, Georgia and Mississippi.

10.2.2 Only One Varsity Team May Enter. A school may enter only one varsity team in the FHSAA State Series in a sport.

10.2.3 First Time Members Not Eligible. A first-time member senior high school shall not be eligible to enter a team into the FHSAA State Series in any sport in its two years of provisional membership, unless the school is created from the consolidation or division of existing member high schools and remains under the control of the same governing board.

10.2.4 Continuing Members Starting a New Program. A continuing member senior high school that is starting a program in a team sport for the first time, or resuming a program in a team sport that was previously discontinued, shall not be eligible to enter a team into the FHSAA State Series in that sport until the school has fielded a team in that sport and participated in a representative schedule against other member schools for a minimum of one school year. A representative schedule in a sport is defined in 10.2.1.

10.3 Individual Participation

10.3.1 Minimum 4 Contest Requirement. To be eligible for participation in the FHSAA State Series in a sport, an individual student-athlete shall participate in a minimum of four (4) interscholastic contests in that sport for the current season, unless a written request for a waiver is approved by the Executive Director or his/her designee. A student-athlete who is academically ineligible at the beginning of a sports season and who regains his/her eligibility during that sports season, but is unable to participate in the minimum of four (4) interscholastic contests in that sport, shall be exempted from this provision.

10.3.2 Individual Honors Requirements. In an individual sport, to be eligible for individual honors on the regional and state levels, a student-athlete shall compete for individual honors on the district level. To be eligible for individual honors on the state level, a student-athlete shall compete for individual honors on the district and regional levels.

10.4 Mixed Gender Restrictions. Boys may not participate on a girls team or in the girls division in the FHSAA State Series in any sport. In a team sport, a girl may participate on a boys team in the FHSAA State Series only if the school does not sponsor a girls team in that sport. In an individual sport, a girl may not participate in the boys division in the FHSAA State Series if competition is conducted in a girls division in that sport. However, for a girl to participate in the girls division of the state series in a sport, the school must file a “Declaration of Intent to Participate in FHSAA State Series” form in that sport.

10.5 Commitment to Participate Form for Team Sports

10.5.1 Commitment Form. Each member school that elects to participate in a State Series competition in a team sport must notify the FHSAA Office of its intent to do so on the “Commitment to Participate in FHSAA State Series” form. The FHSAA issues commitment forms on a biennial basis. A commitment made using this form is for the following two school years.

10.5.2 Signatures Required. A commitment form, to be valid, must bear the signature of the member school principal and athletic director or FHSAA Representative.

10.5.3 Binding Agreement. A properly executed commitment form is a binding agreement between the member school and the Association. A school that elects to withdraw from its commitment in a team sport shall notify the FHSAA Office of its decision using the form provided for that purpose. Upon approval of the FHSAA Office, the school shall be assessed a $250 administrative fee. If, however, the school fails to notify in writing, and secure the approval of, the FHSAA Office of its decision to withdraw from its commitment in a sport prior to the deadline for filing the Official Entry List in the sport, that school shall be assessed an additional $250 monetary penalty ($500 total) and its program in that sport placed on administrative probation.

10.5.4 Failure to Commit before Deadline. A school that does not commit to participate in the FHSAA State Series in a team sport by the commitment deadline, and later submits a request in writing to the FHSAA Office to participate to the FHSAA Office in that sport shall be assigned to the appropriate classification and district and shall be assessed a mandatory, non-refundable $100 administrative fee. It shall be the responsibility of the school to schedule the necessary contest(s) with every other school in
the district to which it is assigned. If, however, the school is unable to secure the necessary contest(s) with every other school in the district, the school shall not be eligible to participate in the FHSAA State Series in that sport.

No school, however, under any circumstance, shall be assigned to a classification and district in the FHSAA State Series in a team sport if its request for such assignment is received in the FHSAA Office on or after the date of the district tournament planning/scheduling meeting.

10.5.5 Commitment Agreement. By committing to participate in an FHSAA State Series, a member school agrees to participate in accordance with and abide by all the procedures, guidelines, policies and regulations for that FHSAA State Series as approved by the FHSAA Board of Directors in accordance with the Bylaws of the Florida High School Athletic Association.

10.6 Notice of Intent to Participate Form for Individual Sports

10.6.1 Commitment Form. Each member school that elects to participate in a State Series competition in an individual sport must notify the FHSAA Office of its intent to do so on the “Declaration of Intent to Participate in FHSAA State Series” form. The FHSAA issues intent forms on a biennial basis. A commitment made using this form is for the following two school years.

10.6.2 Signatures Required. An intent form, to be valid, must bear the signature of the member school principal and athletic director or FHSAA Representative.

10.6.3 Non-Binding Agreement. A properly executed intent form is non-binding on the member school. A school that elects to withdraw from its intent to participate in an individual sport may do so without penalty, prior to the beginning of the fifth (5th) week of competition in the sport, by notifying the FHSAA Office of its decision using the form provided for that purpose. If, however, the school fails to notify in writing the FHSAA Office of its decision to withdraw from its intent to participate in an individual sport prior to the beginning of the fifth (5th) week of competition, that school shall be assessed a $250 monetary penalty and its program in that sport placed on administrative probation.

10.6.4 Failure to Declare Intention before Deadline. A school that does not file notice of its intent to participate in the FHSAA State Series in an individual sport by the deadline, and later submits a request in writing to the FHSAA Office to participate in that sport shall be assigned to the appropriate classification and district and shall be assessed a mandatory, non-refundable $100 administrative fee.

No school, however, under any circumstance, shall be assigned to a classification and district in the FHSAA State Series in an individual sport if its request for such assignment is received in the FHSAA Office on or after the deadline for filing the Official Entry List in that sport.

10.6.5 Intention Agreement. By filing notice of intent to participate in an FHSAA State Series, a member school agrees to participate in accordance with and abide by all the procedures, guidelines, policies and regulations for that FHSAA State Series as approved by the FHSAA Board of Directors in accordance with the Bylaws of the Florida High School Athletic Association.

In this event, the FHSAA Office must be notified immediately. If a team’s arrival is delayed due to mechanical problems or inclement weather, every reasonable effort must be made by the local manager in consultation with the FHSAA Office to make adjustments, if possible, in the starting time of the contest to accommodate the absent team. Otherwise, failure to appear shall subject the school to a $250 monetary penalty.

10.7.2 Student Athlete Failure to Appear. A student-athlete who qualifies in a state series meet as an individual is expected to compete on successive levels of the state series unless ill, injured, suspended due to disciplinary action, or for any other reason acceptable to the Executive Director. If the student-athlete does not compete on a successive level, the student-athlete will not be permitted to compete in any other event in the State Series in that sport. Personnel on relay teams may be changed in accordance with the rules governing those sports. A school must submit in writing to the FHSAA Office the name of the student-athlete and an explanation for the inability to compete in advance of the competition whenever situations make it possible to do so. Failure to participate in the district/regional meet by an individual or relay team is a violation of FHSAA policy and shall subject the school to a $50 penalty unless the reason for failure to participate is approved by the FHSAA Office.

10.8 Neutrality

10.8.1 Neutrality. It is the responsibility of the host school to ensure that an atmosphere of neutrality is maintained in all state series events. Such events are not “home contests” for the host schools. Special festivities held as part of, or in conjunction with, regular season home contests (i.e., pregame activities designed to rally support for the home team, such as light shows, or giving special recognition to members of the home team) are not permitted during the state series.
10.9 Allegations and Protests

10.9.1 Allegations and Protests. Allegation and/or protesting actions of another school received less than forty-five (45) days prior to the beginning of state series competition in a sport may not be concluded prior to the conclusion of the sport’s championship series (corresponding with Bylaw 10.3).

10.9.2 Withholding Information. Member schools (or persons defined in Bylaw 1.4.18) who intentionally withhold information impacting state series participation shall be considered unethical and unsportsmanlike and addressed in accordance with Policy 44.

POLICY 11

OFFICIAL STATE ENTRY LIST (SEL)

The following policy shall govern Official State Entry Lists (SEL) for the FHSAA State Series:

11.1 Submission Required. Each member school that commits to and qualifies to participate in State Series competition in a sport must generate and submit to the tournament/meet manager (regional opponent in football) an Official State Entry List (SEL) utilizing the official Association process as approved by the Executive Director. The tournament/meet manager (regional opponent in football) will receive the SEL via e-mail and may also download the SEL utilizing the official Association process as approved by the Executive Director. The SEL must contain the names of those student-athletes who will represent the member school in State Series competition in that sport. All student-athletes must be eligible in accordance with all FHSAA rules and regulations in order to be placed on a team roster and the SEL. Permitting a student-athlete to compete in an FHSAA State Series contest who was not submitted to the FHSAA Office on the SEL for that sport will be subject to a monetary penalty of a minimum of $50.

11.2 Requirements. The SEL must contain only the names of those student-athletes who have been previously reported to the FHSAA Office on an Annual Eligibility List electronically by use of the official Association process as approved by the Executive Director. A school that fails to submit its SEL utilizing the official Association process as approved by the Executive Director prior to the scheduled starting time of the first competition (i.e. game, match or event) in the tournament/meet (regional contest in the sport of football) that directly involves the school’s team or individual representative may be permitted to participate in competition only with the approval of the FHSAA Office. No change may be made to an SEL for a contest once that contest begins. Changes in football must be submitted to the regional opponent utilizing the official Association process as approved by the Executive Director prior to the scheduled starting time of the school’s game in a regional contest, state semi-final contest or state final contest.

An existing full member senior high school shall be classified on the basis of the school’s standard and non-standard student population in the 9th, 10th, 11th and 12th grades combined as reported during the week in October designated by the Florida Department of Education for the fall semester FTE survey of public schools. Each member school shall be responsible for reporting to the FHSAA its student population as required. The FHSAA may spot-check and/or audit the student population report submitted by any member school. Student populations for schools that enroll girls only or boys only (i.e. one gender comprises greater than 90 percent of the student body) shall be doubled for classification purposes.

12.2.1.1 Traditional Students. Traditional students are students that are enrolled in and physically attend the school at which they participate.

12.2.1.1.1 Exceptions.
(a) Dual Enrolled and Early Admission student as per Bylaw 9.2.2.3
(b) Youth Exchange and International students are classified as Non-traditional students due to the need of being approved on an annual basis as per Policy 17

12.2.1.2 Non-Traditional Students. Non-traditional Students are students that are not enrolled in and physically attend the school at which they participate, including, but not limited to; Home Education Students as per Bylaw 9.2.2.1 and, Charter School Students as per Bylaw 9.2.2.2, Special School Students as per Bylaw 9.2.2.4 and Non-Member Private School Students as per Bylaw 9.2.2.5 and FLVS-FT Students as per Bylaw 9.2.2.6.

12.2.1.2.1 Exception. Youth Exchange and International students are classified as Non-traditional students due the need of being approved on an annual basis as per Policy 17.

12.2.1.3 Population Count of Non-traditional Students. The count of non-traditional students, with the exception of Foreign Exchange and International Student, will be the average of the number of students in each category for each of the previous number of years as the number of years in the classification term as defined in 12.1.3.

12.2.2 New Member Schools. A senior high school applying for new full membership in the Association shall be classified in its initial year of membership on the basis of the school’s student population in the 9th, 10th, 11th and 12th grades combined at the conclusion of the previous school year as reported to the FHSAA on the school’s application for membership.

12.2.3 New Schools. A newly opening senior high school applying for new full membership in the Association shall be classified in its initial year of membership on the basis of the school’s projected student population in the grades with which the school will open. This projected student population must be submitted by the district superintendent for a public school or the senior administrator for a private school, and must be certified with their respective signatures. If the actual student population reported for the school in October of the school year would place it into a classification lower than that of its projected student population, the school shall be required to compete in the FHSAA State Series in the higher classification. If, however, the school’s actual student population would place it into a classification higher than that of its projected student population, the school shall not be eligible to compete in the FHSAA State Series in the lower classification. An error margin of 10 percent will be allowed for discrepancies between the projected student population and actual student population of a school that is so classified. If the school’s actual student population is greater than 10 percent of its projected student population, the school shall immediately be reclassified on the basis of its actual student population.

12.2.4 Significant Increase or Decrease in Student Population. An existing full member senior high school that expects to incur a significant increase or decrease in student population the following school year due to the opening of a new school or to the redrawing of attendance zone boundaries by the district school board may request to be classified on the basis of the school’s projected student population for the following school year rather than the school’s actual student population reported in the current school year. This projected student population must be submitted by the district superintendent for a public school or the senior administrator for a private school, and must be certified with their respective signatures. If a school requesting to be classified on such a projection reports an actual student population in October of the following school year that would place it into a classification lower than that of its projected student population, the school shall be required to compete in the FHSAA State Series in the higher classification. If, however, the school’s actual student population would place it into a classification higher than that of its projected student population, the school shall not be eligible to compete in the FHSAA State Series in the lower classification.

12.2.5 Missing Grade Levels. In the event an existing member senior high school does not have each of the 9th, 10th, 11th and 12th grades, its student population for classification purposes shall be adjusted as follows:

12.2.5.1 For a three-year senior high school (grades 10, 11 and 12 only) that does not have a 9th grade, the percentage of the total membership’s student population in the 9th, 10th, 11th and 12th grades that is constituted by the 9th grade shall be added to the school’s student population in the 10th, 11th and 12th grades.

12.2.5.2 For a senior high school in its initial year of existence that opens with the 9th, 10th and 11th grades only or in its second or third year of existence with the 9th, 10th and 11th grades only, the percentage of the total membership’s student population in the 9th, 10th, 11th and 12th grades that is constituted by the 12th grade shall be added to the school’s student population in the 9th, 10th and 11th grades.

2013-14 FHSAA Handbook
12.2.5.3 For a senior high school in its initial year of existence that opens with the 9th and 10th grades only, the percentage of the total membership’s student population in the 9th, 10th, 11th and 12th grades that is constituted by the 11th and 12th grades shall be added to the school’s student population in the 9th and 10th grades.

12.2.5.4 For a senior high school in its initial year of existence that opens with a 9th grade only, the percentage of the total membership’s student population in the 9th, 10th and 11th grades that is constituted by the 10th and 11th grades shall be added to the school’s student population in the 9th grade.

12.2.6 Executive Director Powers. The Executive Director, at his/her discretion, may administratively assign a school to the next classification lower than the classification to which it would otherwise be assigned if the school is geographically isolated from other schools in the classification to which it would be assigned and the school has a student population that is within 10 percent of the dividing line between the classification to which it would be assigned and the next lower classification.

12.2.7 Geographically Isolated Schools. A school that is geographically isolated from other schools in the classification to which it is assigned may submit in writing to the Executive Director a request that it be administratively reassigned to the next higher classification. The Executive Director may honor such a request if, in his/her opinion, there are other schools in the higher classification that are in closer geographic proximity to the school submitting the request for reassignment.

12.2.8 Re-Classification. A school may be reassigned in classification for the subsequent year(s) of the classification term under the following circumstances:

12.2.8.1 A school that reports in the subsequent year(s) of the classification term an increase in student population that equals or exceeds 20 percent of the student population number that was used to assign the school to its current classification shall be reassigned to a higher classification if:

(a) the higher student population would place the school into a higher classification; and

(b) every other school in the current classification that has not experienced an equal or greater percentage increase in student population has a student population that is less than the higher student population of the school in question.

12.2.8.2 A school that will experience an increase in student population in the subsequent year(s) of the classification term due to the addition of one or more grades shall be reassigned to a higher classification if:

(a) the higher student population computed in accordance with this policy would place the school into a higher classification; and

(b) every other school in the current classification that is not similarly adding one or more grades has a student population that is less than that of the school in question.

12.2.8.3 A school that reports in the subsequent year(s) of the classification term a decrease in student population that equals or exceeds 20 percent of the student population number that was used to assign the school to its current classification shall be reassigned to a lower classification if:

(a) the lower student population would place the school into a lower classification; and

(b) every other school in the current classification that has not experienced an equal or greater percentage decrease in student population has a student population that is more than the lower student population of the school in question.

12.2.8.4 A school that will experience a decrease in student population in the subsequent year(s) of the classification term due to the opening of a new school or the redrawing of school attendance boundaries shall be reassigned to a lower classification if:

(a) the lower student population projected by the district school board office would place the school into a lower classification; and

(b) every other school in the current classification that is not similarly decreasing in student population because of these reasons has a student population that is more than that of the school in question.

12.3 Football

12.3.1 Number of Classifications. The FHSAA State Football Series for the current classification term shall be conducted in eight (8) classifications. The eight classifications are 8A, 7A, 6A, 5A, 4A, 3A, 2A and 1A.

12.3.2 Division of Classifications.

12.3.2.1 The total number of existing member schools that committed to participate in the FHSAA State Football Series for the current classification term shall be ranked in descending order of student population and divided into eight basic classifications (8A, 7A, 6A, 5A, 4A, 3A, 2A and 1A). The highest two-thirds of schools, by student population, will be as evenly divided as possible into the top four classifications (8A, 7A, 6A and 5A) and the remaining one-third of schools, by student population, will be as evenly divided as possible into the bottom four classifications (4A, 3A, 2A and 1A). Schools located in geographic areas that are eligible as determined by Rural Economic Development Initiative (REDI), population density by zip code and median family income by zip code and have an enrollment up to 600 students may be placed in 1A. The student population of the smallest school in each classification shall form the dividing line between that classification and the next lowest classification. Schools that have the same student population as a school whose student population forms the dividing line between classifications shall be placed with that school into the higher
classification. The requisite number of schools then shall be assigned to each successive classification. Once the dividing lines between classifications for a classification term are determined, they shall not be changed during that classification term.

12.3.2.2 The dividing lines between the classifications are listed under “Assignments” on the football sport page on the FHSAA Website.

12.3.2.3 A new member school that requests to participate in the FHSAA State Football Series at the time of joining, and is eligible to do so, shall be assigned to the appropriate classification according to its student population or projected student population beginning with the next two-year scheduling cycle.

12.3.3 Assignment to Districts. Schools in each classification shall be assigned to districts on a geographic basis with an effort to balance the number of schools in the districts when possible. The larger four classifications shall be divided into sixteen (16) districts with the two top teams advancing to the regional complex. Schools in the smaller four classifications shall be divided into eight (8) districts with the top two teams advancing to the regional complex.

12.4 Baseball, Girls & Boys Basketball, Softball, Girls Volleyball

12.4.1 Number of Classifications. The FHSAA State Series in the sports of baseball, girls basketball, boys basketball, softball and girls volleyball for the current classification term shall be conducted in eight (8) classifications. The eight classifications are 8A, 7A, 6A, 5A, 4A, 3A, 2A and 1A.

12.4.2 Division of Classifications.

12.4.2.1 The total number of existing member senior high schools which commit to participate in boys basketball (which is the team sport with the most participation) shall be ranked in order of student population and shall be assigned to basic classifications as follows: schools shall be ranked in order of student population and divided into eight basic classifications (8A, 7A, 6A, 5A, 4A, 3A, 2A, and 1A). Schools located in geographic areas that are eligible as determined by Rural Economic Development Initiative (REDI), population density by zip code and median family income by zip code and have an enrollment up to 600 students may be placed in 1A. The remaining schools shall be evenly distributed among the basic classifications beginning with the lowest classification and working up. The student population of the smallest school assigned to each classification shall form the dividing line between that classification and the next lowest classification. Schools that have the same student population as a school whose student population forms the dividing line between classifications shall be placed with that school into the higher classification. The requisite number of schools then shall be assigned to each successive classification. Once the dividing lines between classifications for a term are determined, they shall not be changed during that classification term.

12.4.2.2 The dividing lines between the basic classifications are listed under “Assignments” on each sport page on the FHSAA Website.

12.4.2.3 A new member school that requests to participate in the FHSAA State Series in the sports of baseball, girls basketball, boys basketball, softball and girls volleyball at the time of joining, and is eligible to do so, shall be assigned to the appropriate classification according to its student population or projected student population.

12.4.3 Assignment to Districts. Schools in each classification – regardless of the sports in which they sponsor programs – shall be assigned to basic districts on a geographic basis. The actual competitive districts in each sport then shall be determined by deleting from each basic district the schools that do not commit to participate in the FHSAA State Series in that sport. For baseball and softball, if there is a significant inequity in the balance and/or geography of the districts, the Executive Director may make adjustments accordingly.

12.5 Girls & Boys Soccer

12.5.1 Number of Classifications. The FHSAA State Series in the sports of girls soccer and boys soccer for the current classification term shall be conducted in five (5) classifications. The five classifications are 5A, 4A, 3A, 2A and 1A.

12.5.2 Division of Classifications.

12.5.2.1 The total number of member high schools with boys soccer programs will be used for the classification of both boys and girls soccer. These shall be ranked in order of student population and shall be assigned to basic classifications as follows; shall be ranked in order of student population and evenly divided across the five basic classifications (5A, 4A, 3A, 2A and 1A). Any remainder shall be evenly distributed among the basic classifications beginning with the lowest classification and working up. The student population of the smallest school assigned to each classification shall form the dividing line between that classification and the next lowest classification. Schools that have the same student population as a school whose student population forms the dividing line between classifications shall be placed with that school into the higher classification. The requisite number of schools then shall be assigned to each successive classification. Once the dividing lines between classifications for a term are determined, they shall not be changed during that classification term.

12.5.2.2 The dividing lines between the classifications are listed under “Assignments” on each soccer sport page on the FHSAA Website.

12.5.3 Assignment to Districts. Schools in each classification – regardless of the sports in which they sponsor programs – shall be assigned to districts on a geographic basis. The actual competitive districts in each sport then shall be determined by deleting from each basic district the schools that do not commit to participate in the FHSAA State Series in that sport.
12.6  **Bowling, Cross Country, Flag Football, Golf, Lacrosse, Swimming & Diving, Tennis, Track & Field, Boys Volleyball, Water Polo, Weightlifting and Wrestling**

12.6.1  **Number of Classifications.**

12.6.1.1  The maximum number of classifications in any individual sport shall not exceed four (4).

12.6.1.2  The number of classifications in the FHSAA State Series for the **current classification term** shall be determined by the number of member senior high schools sponsoring varsity interscholastic programs in those sports. If 200 or more of the member senior high schools sponsor a varsity interscholastic program in a sport, there may be two (2) classifications; if 300 or more of the member senior high schools sponsor a varsity interscholastic program in a sport, there may be three (3) classifications; and if 400 or more of the member senior high schools sponsor a varsity interscholastic program in a sport, there may be four (4) classifications. The number of classifications in a sport shall not be changed except in the first year of a classification term.

12.6.1.3  Sports shall be classified together without regard to gender, unless otherwise stipulated by the Board of Directors.

12.6.1.4  The number of classifications in each sport for the **current classification term** are as follows: cross country, four classifications (4A, 3A, 2A, 1A); golf, two classifications (2A, 1A); swimming & diving, three classifications (3A, 2A, 1A); tennis, four classifications (4A, 3A, 2A, 1A); track & field, four classifications (4A, 3A, 2A, 1A); boys weightlifting, two classifications (2A, A); wrestling, three classifications (3A, 2A, 1A), a single classification in the sports of bowling, flag football, girls lacrosse, boys lacrosse, boys volleyball, water polo and girls weightlifting and multiple divisions in competitive cheerleading.

12.6.2  **Division of Classifications.**

12.6.2.1  Once the total number of classifications in a sport is determined according to the criteria above, the total number of schools that commit to participate in the State Series in the sport shall be ranked in order of student population and evenly divided across the total number of classifications determined for that sport. Any remainder shall be evenly distributed among the classifications beginning with the lowest classification and working up. The student population of the smallest school assigned to each classification shall form the dividing line between that classification and the next lowest classification. Schools that have the same student population as a school whose student population forms the dividing line between classifications shall be placed with that school into the higher classification. The requisite number of schools then shall be assigned to each successive classification. Once the dividing lines between classifications for a classification term are determined, they shall not be changed during that classification term.

12.6.2.2  A new member school that requests to participate in the FHSAA State Series in an individual sport at the time of joining, and is eligible to do so, shall be assigned to the appropriate classification according to its student population or projected student population.

12.6.3  **Assignment to Districts.** Schools in each classification shall be assigned to districts on a geographic basis with an effort to balance the number of schools in the districts when possible.

**POLICY 13**

**DISTRICTS AND DISTRICT MEETINGS, SCHEDULING, SEEDING, BRACKETING AND TOURNAMENTS/MEETS**

13.1  **District Assignments.** Schools that commit to participate in the State Series in a sport shall be assigned on a geographical basis to a district in the appropriate classification. A tournament/meet shall be conducted in each district following the conclusion of the regular season on the dates set by the Board of Directors to determine the two schools that shall represent that district in the remainder of the FHSAA State Series.

13.1.1  **District Coordinator.** One school in each district will be designated as the district coordinator. The FHSAA representative or his/her designee at the district coordinator school shall be responsible for hosting, conducting and reporting to the FHSAA Office results of the district scheduling/planning meeting. The tournament/meet manager is responsible for all aspects of the district tournament/meet, including the seeding of teams, upon conclusion of the district planning meeting and receipt of the meeting’s minutes.

13.2  **District Scheduling/Tournament Planning**

13.2.1  **District Schedule.** Each school assigned to a district in a team sport shall be required to schedule one or two regular season contests with every other school in that district to be eligible to participate in the district tournament. The results of the district contests shall be used to determine seeding for the district tournament. The decision to play a one-contest district schedule, rather than two, must be by majority vote of representatives present at the district meeting. If a majority cannot agree to play a one contest schedule, then a two-contest schedule shall be played. If a district votes to play a one-contest district schedule and two district opponents
elect to play each other more than once, then the results of the contest listed on the master schedule, as scheduled at the scheduling an planning meeting, will count toward district seeding. A school, however, shall not schedule a district contest to be played later than Saturday two weeks prior to the week in which the district tournament is scheduled to be played. If a scheduled district match is postponed due to inclement weather or other unforeseen and unavoidable situations and can only be played after the deadline, the FHSAA Office may grant permission for the match to be played after the deadline and counted. This exception, however, will be granted only if the match was originally scheduled to be played prior to the deadline. Any school that does not comply with this requirement shall not be permitted to participate in the district tournament.

13.2.2 Scheduling and Planning Meeting. A district scheduling/planning meeting shall be conducted in each sport to determine a site and make arrangements for the district tournament/meet, including the selection of officials, to make arrangements for the district tournament/meet for the following season and for team sports, to determine the number of district contests to be played by district members and to schedule those necessary district contests, according to the following basic guidelines:

13.2.2.1 The meeting in each district shall be conducted by the FHSAA representative of the member school that is designated the coordinator for that district on a date to be determined by the FHSAA Office. The site and time of the meeting shall be determined by the district coordinator, except that the time of the meeting should cause no loss of time from school for any attendee. The district coordinator shall give written notice to the FHSAA representative, athletic director and appropriate head coach of each school in his/her district as to the date, time and site of the meeting at least seven (7) days in advance of the date of the meeting. If, however, the FHSAA representative, athletic director and appropriate head coach at a given school has not received written notification from the district coordinator as to the date, time and site of the meeting, it is his/her responsibility to contact the district coordinator for the arrangements.

13.2.2.2 The athletic director or FHSAA representative of each school in the district is encouraged to attend or otherwise to send a representative to attend the meeting and vote on behalf of the school on all matters pertaining to plans for the district tournament. A school that is not represented at the meeting shall be assessed a $100 penalty. If a school wishes to submit an invitation to host the district tournament at the meeting and its representative present is not the principal, FHSAA representative or athletic director, the representative must have in his/her possession a letter of invitation signed by one or more of the principal, FHSAA representative or athletic director. A district coordinator may request of the Executive Director or his/her designee permission to conduct a district scheduling/planning meeting by teleconference if his/her district is spread over a large geographic area.

13.2.2.3 For team sports, no regular season contest for the following season may be scheduled in advance of the district scheduling meeting. Agreements or contracts to play a contest that is entered into in advance of the meeting are null and void.

13.2.2.4 The decision to play a one-contest district schedule, rather than two, shall be by majority vote of representatives present at the meeting. In the event of a tie vote, a two-contest district schedule shall be mandatory. If a district votes to play a one-contest schedule, but two or more district members opt to schedule and play each other more than once during the regular season, then only the results of the contest listed on the master schedule, as scheduled at the scheduling and planning meeting, between district opponents shall be counted for seeding purposes.

13.2.3 Postponed Contests. If a scheduled district contest is postponed due to inclement weather or other unforeseen and unavoidable situations and can only be played after the deadline, the Executive Director may grant permission for the contest to be played after the deadline and counted. This exception, however, will be granted only if the contest was originally scheduled to be played prior to the deadline.

13.2.4 Satisfaction of Requirements. The manner in which any two schools within a district satisfy these requirements is at the discretion of the two schools, provided the contests are part of the regular season schedule of both schools and not contests played between the two schools as part of a tournament. It is not necessary that the two contests be played on a home-and-home basis. It is acceptable for the two schools to play either or both contests at a neutral site or both contests at either school’s facility. If, however, two schools in a district cannot agree to any alternative arrangement, then they must play each other on a home-and-home basis.

13.3 Seeding and Bracketing

13.3.1 Bracket Seeding. Each school in a district shall be seeded and placed on the bracket for its district tournament according to the following provisions:

13.3.1.1 In the sports of baseball, basketball, flag football, lacrosse, softball, volleyball and water polo, each school shall be seeded based on its win-loss record in the contests played against all district opponents during the regular season. The school with the best district record shall be seeded No. 1; the school with the second-best district record shall be seeded No. 2; etc.

13.3.1.2 In the sport of soccer, each school shall be seeded based on the district points it accumulates in the games played against all district opponents during the regular season. Three (3) points shall be awarded for each victory over a district opponent. One (1) point shall be awarded for each tie with a district opponent. The school with the most district points shall be seeded No. 1; the school with the second-most district points shall be seeded No. 2; etc.

13.3.1.3 In the event two or more schools within the district are unable to play the required district contests due to inclement weather or other unforeseen and unavoidable situations which are deemed acceptable by the Executive Director, all schools within that district shall be seeded according to the percentage of district contests won (average of points accumulated in soccer).
The school with the highest percentage of district contests won (average points in soccer) shall be seeded No. 1; the school with the second-highest percentage of district contests won (average points in soccer) shall be seeded No. 2, etc.

**13.3.2 Two Schools Tied.** When two schools are tied for a seed, the following procedure shall be used in the following order until the tie is broken:
(a) Won-loss results of head-to-head district competition between the two schools;
(b) Won-loss record (points in soccer) in district competition of the two schools versus the highest-seeded school (and proceeding through the lowest-seeded school, if necessary);
(c) Number of district victories (points in soccer) on the road in district games/matches;
(d) Number of district victories (points in soccer) at home in district games/matches; and
(e) Coin toss or blind draw by the district tournament/meet manager.

**13.3.3 Three (or more) Schools Tied.** When three or more schools are tied for a seed, the following procedure shall be used in the following order until the tie has been reduced to two schools, then the two-school tiebreaker formula shall be used:
(a) Total won-loss record (points in soccer) of district contests played among the tied schools;
(b) Won-loss record (points in soccer) in district competition of the tied schools versus the highest-seeded school (and proceeding through the lowest-seeded school, if necessary);
(c) Number of district victories (points in soccer) on the road in district games/matches;
(d) Number of district victories (points in soccer) at home in district games/matches; and
(e) Blind draw by the district tournament/meet manager.

**13.3.4 Bracketing.** In the sports of baseball, basketball, girls and boys soccer, softball and girls volleyball, every district member shall be placed on the tournament bracket according to seed. In the sports of flag football, boys volleyball, lacrosse and water polo, the top four seeds only shall be placed on the tournament bracket. A single-elimination, standard progression bracket shall be used. The No. 1, 4, 5, 8, 9, 12, 13 and 16 seeds shall be placed in the upper half of the bracket and the No. 2, 3, 6, 7, 10, 11, 14 and 15 seeds shall be placed in the lower half of the bracket. Byes, if any, shall be awarded to the higher-seeded schools. The higher-seeded team of the bracket in each tournament contest shall be designated the home school for that contest.

**13.3.5 Seeding Report.** Each school in the district shall report to the tournament/meet manager its final district win-loss record (points in soccer) not later than 10 a.m. Monday of the week immediately preceding the week in which the district tournament is to be played. The tournament/meet manager then shall seed the schools, place the schools on the bracket according to their seed, and assign contest dates and times in accordance with the provisions herein and the arrangements agreed upon during the district scheduling/tournament planning meeting. A copy of the finalized bracket shall then be faxed by the tournament/meet manager to all schools in the district, as well as to the FHSAA Office.

**POLICY 14**

**MINIMUM FACILITY SPECIFICATIONS FOR STATE SERIES CONTESTS**

**14.1 General Principles.** The FHSAA Board of Directors has established the following minimum specifications for facilities in which FHSAA State Series contests in basketball, football and girls volleyball are to be held. These specifications do not preclude a school with inadequate facilities from hosting a State Series contest in either sport. However, the school will be required, at its own expense, to host the contest in a neutral facility which does meet the necessary specifications. Rental expenses involved in securing an adequate facility for all sports State Series contests can only be claimed as a host expense if both the host and visitor schools have adequate facilities and no reasonable alternative is available. The maximum host expense that can be claimed for costs involving an off campus facility (rent, utilities, cleaning, etc) on the FHSAA financial report is $1,000 for all sports, except Swimming & Diving. In the sport of Swimming and Diving, the host may offset a maximum of $2,000 facility cost with entry fees from participants without approval of the Executive Director. If a school in line to host a contest has inadequate facilities and chooses not to host the contest at another site, the visiting school will be given the opportunity to host the event in its facilities, if adequate, or at an adequate neutral site, if not. A basketball district in which no school has a facility that meets these minimum specifications must either play its district tournament at an adequate neutral facility or place it at the district school whose facility is closest to these minimum specifications. Only those schools that have filed the necessary facility specifications reports with the FHSAA Office will be eligible to host a State Series contest in the sports of basketball, football and girls volleyball. Schools that cannot meet the specifications can appeal to the Executive Director or his/her designee for relief.
14.2 **Determination of Host School.** Determination of a host school is not absolute. In all cases, the FHSAA reserves the right to select an alternate site.

14.3 **AED Recommended.** It is strongly recommended that an automated external defibrillator (AED) be present and available for use if needed at the site of every preseason and regular season interscholastic athletic contest in which member schools participate. The presence and availability of an automated external defibrillator (AED) shall be mandatory at the site of every FHSAA state championship series contest on the district, regional, sectional and state levels.

14.4 **Minimum Facility Requirements.**

14.4.1 **Basketball.**

14.4.1.1 The facility must be adequately constructed to control the entry and exit of spectators for the purpose of charging admission.

14.4.1.2 The facility must have a minimum of two restrooms (one male and one female) for public use.

14.4.1.3 The facility must have an electronic clock and scoreboard clearly visible to both team bench areas and spectators.

14.4.1.4 The facility must have a public address system.

14.4.1.5 The facility must have separate dressing rooms for both home and visiting teams, with access to restroom and shower facilities as per Policy 27.

14.4.1.6 The facility must have a separate dressing area for officials, with access to restroom and shower facilities as per Policy 27.

14.4.1.7 The facility must have a playing surface which is not fewer than 84 feet from end line to end line and not fewer than 50 feet from sideline to sideline. The court must be properly marked according to National Federation rules, including the proper markings for both teams’ coaching boxes.

14.4.1.8 The facility must have a minimum of three feet of unobstructed space from sidelines to seating, walls or other obstacles and a minimum of six feet of unobstructed space from end lines to seating, walls or other obstacles.

ELIGIBILITY CRITERIA

16.1 GPA Calculation.

16.1.2 High School GPA Calculation. For grades 9 through 12, the cumulative GPA will be calculated at the end of the first semester, including high school level grades earned while in grades 6 – 8, and the end of the school year (including summer school or its equivalent, if applicable) by taking the sum of all quality points earned (as per Bylaw 9.4.2) divided by the number of all credits attempted since the student began taking senior high school level courses and adjusting for forgiveness grades as per Bylaw 9.4.3.1.

At the conclusion of the first semester, schools must include the grade the student earned in all “End of Course Exam” courses up to that point; this might necessitate a hand calculation of the GPA for student athletes if the course has not been concluded at the end of the first semester. Upon conclusion of the course or the school year, schools must include the final grade the student would have earned in all “End of Course Exam” courses, including the percentage of the grade from the “End of Course Exam” as mandated by state statute. A Student whose cumulative GPA falls below the minimum 2.0 due to the final results of “End of Course Exam” courses will not subject the school to penalties due to that student’s participation in contests during the previous semester(s) regarding academic requirement.

POLICY 17

ELIGIBILITY OF YOUTH EXCHANGE PROGRAM, INTERNATIONAL AND IMMIGRANT STUDENTS

The FHSAA acknowledges the importance of permitting foreign-born and U.S. students to experience the benefits of participation in interscholastic athletics. The following policy and procedures shall govern the eligibility of foreign-born students who attend member schools and U.S. students wishing to study abroad.

17.1 Students in Youth Exchange Programs

Youth exchange program participants, like all non-immigrant visitors to the United States, are subject to U.S. immigration laws. Educational institutions, including high schools, are subject to immigration regulations with regard to non-immigrant students who visit the United States as F-1 academic students and J-1 exchange visitors. The FHSAA will adhere to the standards adopted by the Council on Standards for International Educational Travel (CSIET) and will permit a youth exchange student to participate in interscholastic athletic competition under the following conditions:
17.1.1 U.S. Nonimmigrant Registration. Youth exchange students must be registered through one of the following:
17.1.1.1 The F-1 youth exchange student must have a “Certificate of Eligibility for Nonimmigrant (F-1) Student Status-For Academic and Language Students” (Form I-20A-B) for the high school at which the student is receiving instruction as required by the U.S. Department of Homeland Security.
17.1.1.2 The J-1 youth exchange student must have a “Certificate of Eligibility for Exchange Visitor (J-1) Status” (Form DS-2019) and be sponsored and placed with a U.S. host family by a “bona fide” international student exchange program that has been accepted for listing by CSIET and recognized by the U.S. Department of State.

17.1.2 Placement with Host Family. A student is considered placed with a host family when:
(a) the school that the student attends had no input into the selection or assignment of the student; and
(b) no member of the school’s coaching staff; and
(c) no representative of the school’s athletic interest, as defined in Bylaw 1.4.18(c-h), who is associated with the same sport as the youth exchange student, serves as the host family; and
(d) the host family placement is approved by the national headquarters of the sponsoring organization for J-1 youth exchange students; and
(e) the student does not reside in the U.S. with any other individual(s) from his/her home country with whom he/she has not lived continuously for the previous 365 consecutive days; and

Note: certain CSIET agencies, including but not limited to the Rotary Youth Exchange Program, allow or require exchange students to change their host families mid-way through their stay, which will require the student to re-submit a portion of the EL4 Form. If this change requires a change of schools the student will be classified a transfer student (see 17.1.5 below).

17.1.2.1 Host Family Restriction. A host family that wishes to host more than one youth exchange student per school each year, for the same gender and sport, must have approval of the Executive Director.

17.1.3 Visa Requirements. The youth exchange student must possess either an F-1 or a J-1 visa issued by the U.S. Department of Homeland Security or Department of State, respectively. The F-1 academic student program is a non-immigrant visa category intended for the use by nonresident students whose primary purpose for visiting the United States is to study full-time at an approved institution. The J-1 exchange visitor program is a non-immigrant visa category designed to promote mutual understanding between the people of the United States and the people of other countries through bona fide educational and cultural exchange.

17.1.3.1 Exception: Citizens of Bermuda or Canada. In general, citizens of Bermuda and Canada do not need a visa to travel in the United States. However, these students must meet 17.1.1.1 and have a completed I-20 A-B Form as per the requirements of the Student and Exchange Visitor Program (SEVP).

17.1.4 Attendance. The student must be in attendance at the school within the first twenty (20) days of the school year and must be enrolled in a full-year program, rather than a program of shorter duration such as a six-week, three-month or six-month program, etc.

17.1.5 Transfer. Any subsequent transfer by the student to a different school during the school year must meet one of the provisions in Bylaw 9.3.2.

17.1.6 Eligibility for One Year Only. The J-1 youth exchange student may be eligible for a maximum of one year at any school or combination of schools in this or any other of the United States commencing with his/her initial date of enrollment in a U.S. school. The F-1 youth exchange student, pursuant to federal law, attending a public school is eligible to remain in the U.S. for a maximum of one year and must reimburse the public school for the cost of his/her U.S. education.

17.1.6.1 A youth exchange student (J-1 or F-1) is not permitted to return for any additional years using a different youth exchange Visa (i.e. J-1 or F-1) and participate in interscholastic athletics.

17.1.7 Placed in Academic Track. The student must be placed in a traditional academic track that leads to a high school diploma by the member school.

17.1.8 Must Not Have Been Recruited. The student must not have been recruited to attend the member school for athletic reasons by any individual or agency, whether or not associated with the school’s athletic interest, or selected or placed in the school on any basis related to his/her athletic interests or abilities. The student must complete and submit a GA4 Form with the school, in addition to the requirements in Policy 17.3, before the student added to a roster and allowed to participate in an interscholastic contest.

17.1.9 Financial Assistance. No individual or agency associated with the school’s athletic interest may provide financial assistance to the international student in gaining necessary visas, assist in the payment of the student’s transportation to the U.S., or contribute to the student’s living expenses while in the U.S.

17.1.10 Must not be a Graduate. The youth exchange student must not have completed the terminal grade in either the U.S. or his/her home country. Youth exchange students will not be eligible once they have completed the terminal grade in either the U.S. or their home country. The terminal grade of the student is based on the compulsory education requirements of the student’s home country.
17.1.11 FHSAA Eligibility. The student must meet all other eligibility standards of the FHSAA Bylaws while a student at a member school. Limit of eligibility (Bylaw 9.5) is based on the compulsory education requirements of the student’s home country.

17.2 Other International and Immigrant Students

A “nonimmigrant” student who does not possess an F-1 or a J-1 visa or an “immigrant” student may be eligible to represent an FHSAA member school in interscholastic athletic competition under the following conditions:

17.2.1 Previous School Attendance. The student must have started and completed the 8th grade, or earlier, for the first time in a U.S. school and have the appropriate school records to verify this fact.

17.2.2 Placed in Academic Track. The student must be placed in a traditional academic track that leads to a high school diploma by the member school.

17.2.3 Must Not Have Been Recruited. The student must not have been recruited to attend the member school for athletic reasons by any individual or agency, whether or not associated with the school’s athletic interest, or selected or placed in the school on any basis related to his/her athletic interests or abilities. The student must complete and submit a GA4 Form with the school, in addition to the requirements in Policy 17.3 (if applicable), before the student added to a roster and allowed to participate in an interscholastic contest.

17.2.4 Financial Assistance. No individual or agency associated with the school’s athletic interest may provide financial assistance to the student in gaining necessary visas or other immigration documents, assist in the payment of the student’s transportation to the U.S., or contribute to the student’s living expenses while in the U.S.

17.2.5 Residence. The student must have resided with his/her parent(s) or legal guardian(s) duly appointed by a court of competent jurisdiction for a minimum of the previous two (2) consecutive full school years.

17.2.6 Must not be a Graduate. The international student must not have completed the terminal grade in either the U.S. or his/her home country. International students will not be eligible once they have completed the terminal grade in either the U.S. or their home country. The terminal grade of the student is based on the compulsory education requirements of the student’s home country.

17.2.7 FHSAA Eligibility. The student must meet all other eligibility standards of the FHSAA Bylaws while a student at a member school. Limit of eligibility (Bylaw 9.5) is based on the compulsory education requirements of the student’s home country.

17.3 Registration Procedures

All youth exchange students (J-1 and F-1), in addition to any other international or immigrant students that do not meet the requirements of Policy 17.2, must be registered with this association, utilizing the official Association process as approved by the Executive Director, prior to participation at a member school. The cost of this service, if any, must be borne either by the student or the member school.

POLICY 26

PARTICIPATION BY STUDENT-ATHLETES IN ALL-STAR GAMES AND SHOWCASES

The following guidelines govern participation of students of FHSAA member schools in all-star games and showcases for an interscholastic sport. The FHSAA recognizes Florida Athletic Coaches Association (FACA) sponsored All-Star Classics. The FACA meets the provisions of this policy which govern student participation in its All-Star classics. The following guidelines govern participation of students of FHSAA member schools in any all-star games or showcases for an interscholastic sport:

26.1 All-Star Teams. A high school all-star team is a team comprised of athletes who are selected as team members or invited to participate in a tryout for membership on the team as the result of the athletes’ performance as high school athletes. No student at a member school shall participate on a high school all-star team in a sport as a result of his/her performance as a high school athlete until the student completes his/her interscholastic athletic eligibility in that sport.

26.1.1 Showcases. Showcases are events comprised of athletes who are selected or invited to participate as a result of the athletes’ performance as an athlete. Any student athlete who participates in, but not limited to, combines and showcases do so at his/her own peril as it relates to Bylaw 9.2.4.1 and Policy 36.

26.2 All-Star Games. Students from FHSAA member schools may participate as individuals in all-star games without jeopardizing their interscholastic athletic eligibility, provided:

26.2.1 The all-star game, or tryouts or practices for the all-star game, may not be conducted prior to the completion of the regular season in the sport in which the all-star game is to be conducted. An all-star game, however, shall not be played on any date on which an FHSAA Series contest in that sport is scheduled.

26.2.2 The student-athlete has exhausted his/her eligibility in the sport in which the all-star contest is to be conducted.

26.2.3 Fees for the student-athlete who participates in the all-star contest are not paid by the school, coach or school district; however, internal account funds generated from fund-raising activities may be used.

26.3 A student-athlete who participates in an all-star contest in a sport in which he/she has not exhausted his/her eligibility will be ineligible to represent any FHSAA member school in that sport for a period of one calendar year from the date of participation in the contest.

POLICY 27

SCHOOLS’ RESPONSIBILITIES TO FHSAA OFFICIALS

Member schools have the following responsibilities relative to FHSAA officials when serving as host for an athletic contest to which the officials are assigned:

27.1 An authorized representative of the host school shall greet the officials upon their arrival.

27.2 The host school should provide a private, secure place for the officials to park.

27.3 The host school should provide a secure dressing facility which affords privacy.

27.4 The host school should provide the officials access to private shower facilities with hot water whenever possible.

27.5 The host school should provide the officials with refreshments (i.e., water and/or sports drinks) during the halftime intermission, following the conclusion of the contest and other appropriate times.

27.6 The host school must provide pregame, halftime and postgame security for the officials. A school official or principal’s designee must escort the officials to and from the playing field or court to prevent harassment.
27.7 The host school principal, principal’s designee or game administrator must indicate to the referee or umpire-in-chief his/her seat location should a situation develop where assistance is needed during the contest. The contest coaches should not serve as the principal’s designee or game administrator.

27.8 School personnel, including coaches, shall not enter the officials dressing facility while the officials are in attendance except when requested by the officials.

27.9 The host school for state series contests beyond the district level shall provide contest officials with a secure and adequate dressing room (one each for mixed gender crews) with properly operating bathroom facilities including showers with warm water at the site of the contest. If the site does not have such facilities, the host school shall obtain and provide at its expense an appropriate hotel/motel room(s) reasonably close to the site. The host school is required to complete dressing room arrangements and have the information available to the head referee at least 24 hours prior to the scheduled starting time of the contest. It is the responsibility of the head referee or umpire-in-chief to contact the school administration at least 24 hours prior to the scheduled starting time of the contest to verify the arrangements for the contest. The referee or umpire-in-chief shall report to the FHSAA Office the failure of any host school to provide dressing facilities as required.

**POLICY 28**

**RULES OF CONDUCT FOR FHSAA OFFICIALS**

A violation of any one of these provisions may subject an offending official to a monetary penalty, suspension as an official, or both.

28.1 All FHSAA officials shall conduct themselves on and off the athletic field in a manner conducive to the best interests of the FHSAA, its member schools, and the interscholastic athletic program in general. No FHSAA official shall pursue a course of action which is detrimental to the welfare of the FHSAA or its member schools.

28.2 All FHSAA officials shall comply with all FHSAA guidelines, regulations, policies and procedures as contained in the FHSAA Officials Guidebook.

28.3 All FHSAA officials shall be neatly dressed in the appropriate uniform as prescribed in the Officials Guidebook, and project a physically fit appearance, when officiating a contest involving an FHSAA member school.

28.4 All FHSAA officials are expected to arrive on time for the contest as required by the rules of the applicable sport.

28.5 All FHSAA officials should be in good physical condition, mentally ready to work the best possible contest and be fully cognizant of the sport’s rules. Officials are expected to make each call as they see it without fear or favor, regardless of the score, and hustle at all times.

28.6 No FHSAA official should fraternize with athletes, coaches, or spectators before, during or after a contest.

28.7 No FHSAA official may officiate a contest involving a school which his/her child currently attends, a relative currently works, or from which the official himself/herself attended or graduated within the last 7 years. No FHSAA official who is employed by a member school shall officiate a contest involving a team from that school except as provided in Bylaw 8.9.5 of the FHSAA Bylaws, which states, “Coaches or other persons connected with competing schools shall not officiate in contests except with the consent of all competing schools.”

28.8 No FHSAA official shall arrive or appear at the contest site with the odor of an alcoholic beverage on his/her breath.

28.9 No FHSAA official shall use tobacco or tobacco-like products during the contest or in the vicinity of the athletic field.

28.10 No FHSAA official shall engage in unsportsmanlike conduct.
28.11 No FHSAA official shall refuse to officiate any contest with another FHSAA official because that same other FHSAA official is or is not also a registered member of a national or international officials organization.

28.12 No FHSAA official shall officiate a contest or part of a contest which is classified as an exhibition or practice game between two or more member schools. Such games are prohibited by the FHSAA Bylaws. This provision, however, does not preclude an FHSAA official from officiating an intra-squad contest or scrimmage in which all participants are students at the same one school.

28.13 No FHSAA official shall publicly criticize or berate a coach or other employee of a member school. Professional ethics require that officials use proper channels to report their problems rather than airing them publicly.

POLICY 29

CROWD CONTROL

29.1 Home/Host School. The home/host school administration is responsible for the control of spectators before, during and after an athletic contest. The FHSAA recommends that the home/host school administration secure uniformed security to assist with this responsibility.

29.2 Visiting School(s). The visiting school administration is encouraged to assist with the control of its own spectators. Visiting school administrators (i.e., principal, FHSAA representative, assistant principals, athletic director, assistant athletic director, assistant coaches, etc.) who are required by their principal to attend the event for supervisory purposes upon presentation of a photo I.D. must be provided complimentary admission to the event, provided the visiting school submits their names to the home/host school administration by fax in writing on school stationery not less than 24 hours prior to the scheduled starting time of the event.

29.3 State Championship Series. Participating school administration (i.e., principal, FHSAA representative, assistant principals, athletic director, assistant athletic director, assistant coaches, etc.) must be present at district, regional, and state events when their school is competing. Administration must enforce appropriate behavior of their student/adult fan base.

29.4 Officials. The officials assigned to officiate a contest are responsible for the on-the-court or on-the-field conduct of the contest itself. In the event a spectator or spectators interfere with the conduct of a contest or cause an official to become distracted through continual, unrelenting verbal abuse, the official should immediately stop the action and report the spectator or spectators to the home/host school administration or the nearest uniformed security officer. If the home/host school administration or uniformed security is unwilling or unable to resolve the situation and the official does not believe the contest can be safely continued, the official must declare the contest ended at that point. Under no circumstance should an official ever confront, challenge, rebuke or threaten a spectator, or make gestures of any kind toward a spectator before, during or after a contest.

29.5 Reports. Both the officials assigned to officiate a contest and the home/host school administration are required to file with the FHSAA Office within 24 hours a written report on any contest that is terminated due to interference by a spectator(s).

POLICY 30

UNSPORTSMANLIKE CONDUCT

30.1 Sportsmanship and Ethics
Student-athletes, coaches, administrators, spectators and all other persons connected directly or indirectly with a member school, as well as contest officials, shall adhere to the principles of good sportsmanship and the ethics of competition before, during and after all contests in which they participate and/or attend.

30.1.1 Penalties Assessed the School.

30.1.1.1 Storming the playing field, court, or pool by spectators and students during or at the conclusion of an athletic contest may result in a monetary penalty of a minimum of $250 for indoor events or $500 for outdoor events and may be increased depending on the severity of the incident.
30.1.1.2 Removal by a coach or school personnel of a team or individual from an athletic contest prior to its normal conclusion will subject the school to a monetary penalty of a minimum of $250.

30.1.1.3 Vandalism by a team, student-athlete, coach or school personnel may result in a minimum $250 monetary penalty, or any other penalties as outlined in Bylaw 10.1, in addition to the school being financially responsible for restitution of the item(s) vandalized.

30.2 Unsportsmanlike Act by a Student-Athlete

30.2.1 Penalties Assessed the Student-Athlete. Student-athletes who commit unsportsmanlike acts before, during or after a contest will be subject to the following suspension levels as determined by the designee of the Executive Director:

30.2.1.1 Level 1 Suspension. A student-athlete who commits an unsportsmanlike act or a flagrant foul for which he/she is ejected from the contest will be ineligible to compete for the remainder of that contest and for a minimum of the next two (2) contests, at the same level of participation in the sport of the suspension and in any interscholastic athletic contest in any sport, at any level, during the period of suspension, in all sports except football. For football, the student will be ineligible for a minimum of one (1) football game, at the same level of participation, and any interscholastic athletic contest in any sport during the period of suspension. If the unsportsmanlike act or flagrant foul occurs in the last contest of a season, the student will be ineligible for the same period of time as stated above in the next sport in which the student participates; or

30.2.1.2 Level 2 Suspension. A student-athlete who receives a second Level 1 Suspension or commits an unsportsmanlike act, as defined in Bylaw 7.2.1, will be ineligible to compete in any interscholastic athletic contest in any sport, at any level, for a period of up to six (6) weeks; or

30.2.1.3 Level 3 Suspension. A student-athlete who receives a second Level 2 Suspension or commits an egregious unsportsmanlike act, as determined in the sole discretion of the Executive Director, will be ineligible to compete in any interscholastic athletic contest in any sport for a period of up to one (1) year; or

30.2.1.4 Level 4 Suspension. A student-athlete who receives three (3) or more Level 2 Suspensions or commits an egregious unsportsmanlike act, as determined in the sole discretion of the Board of Directors, will be ineligible to compete in any interscholastic athletic contest in any sport for the duration of the student-athlete’s high school career.

30.2.1.5 It is the responsibility of the local school authorities to ensure this policy is enforced. When an ineligible student is allowed to participate, forfeiture of the contest is mandatory. This policy applies to all regular season and State Series contests.

30.2.2 Penalties Assessed the School.

30.2.2.1 In the event that more than three (3) students from the same school have been charged with any suspension level, as defined in 30.2.1, in any one sport, beginning with the fourth suspension, the school will be immediately placed on administrative probation in that sport for one or more years, and will be assessed a minimum financial penalty of $100 per suspension in that sport for the remainder of that season.

30.2.2.2 On the first Level 2 suspension or higher, as defined in 30.2.1, of a student in any sport, a written warning shall be issued to the school that each subsequent suspension, at Level 2 or higher, in any sport will subject the school to a minimum financial penalty of $250 per occurrence. Beginning with the next suspension of a student, at Level 2 or higher, the minimum financial penalty of $250 will be assessed.

30.2.2.3 Participation by one or more student-athletes in an altercation in the bench area, or by leaving the bench and entering the court or playing field (i.e., bench-emptying) or by leaving their designated position on the court or playing field to engage in an altercation will subject the school to a minimum $100 per student monetary penalty.

30.3 Unsportsmanlike Act by a Coach or Other Representative of the School’s Athletic Interests

30.3.1 Penalties Assessed the Coach or Other Representative of the School’s Athletic Interests. Coaches or other representatives of the school’s athletic interests (see Bylaw 1.4.18) who commit unsportsmanlike acts before, during or after a contest will be subject to the following suspension levels as determined by the designee of the Executive Director:

30.3.1.1 Level 1 Suspension. A coach or other representative of the school’s athletic interests (see Bylaw 1.4.18) who commits an unsportsmanlike act for which he/she is ejected from the contest, will be ineligible to coach or attend the remainder of that contest and for a minimum of the next two (2) contests, at the same level of participation in the sport of the suspension and in any interscholastic athletic contest in any sport, at any level, during the period of suspension, in all sports except football. For football, the coach or other representative of the school’s athletic interests will be ineligible for a minimum of one (1) football game, at the same level of participation, and any interscholastic athletic contest in any sport during the period of suspension. If the unsportsmanlike act occurs in the last contest of a season, the coach or other representative of the school’s athletic interests will be ineligible for the same period of time as stated above in the next sport in which the coach participates; or
30.3.1.2 Level 2 Suspension. A coach or other representative of the school’s athletic interests (see Bylaw 1.4.18) who receives a second Level 1 Suspension or commits an unsportsmanlike act, as defined in Bylaw 7.2.1, will be ineligible to coach or attend any interscholastic athletic contest in any sport, at any level, for a period of up to six (6) weeks; or

30.3.1.3 Level 3 Suspension. A coach or other representative of the school’s athletic interests (see Bylaw 1.4.18) who receives a second Level 2 Suspension or commits an egregious unsportsmanlike act, as determined in the sole discretion of the Executive Director, will be ineligible to coach or attend any interscholastic athletic contest in any sport for a period of up to one (1) year.

30.3.1.4 When a coach or other representative of the school’s athletic interests is disqualified (ejected) from a contest, the coach or other representative of the school’s athletic interests shall immediately leave the premises or facility (i.e. gymnasium in basketball, volleyball and wrestling; stadium/field in baseball, football, soccer and softball, etc.) to a place where the coach or other representative of the school’s athletic interests is not visible to either student-athletes, officials, spectators or other coaches; and to where the contest itself is not visible to the coach or other representative of the school’s athletic interests. A disqualified (ejected) coach or other representative of the school’s athletic interests shall not have any further contact with or give instruction to athletes or other members of the coaching staff for the remainder of the contest, including halftime intermission, breaks between quarters, periods or innings and post-contest activities.

30.3.1.5 A coach or other representative of the school’s athletic interests who is suspended from the next contest or number of contests after having been disqualified (ejected) from a previous contest shall not attend the contest(s) from which he/she has been suspended in any capacity and shall not be present at the site(s) of such contest(s). A suspended coach or other representative of the school’s athletic interests also shall be prohibited from accompanying his/her team to the site(s) of such contest(s).

30.3.1.6 All coaches or other representatives of the school’s athletic interests who have been disqualified (ejected) from a contest must complete the National Federation of State High School Associations (NFHS) Fundamentals of Coaching Course. This course is accessible from the eClassroom on the FHSAA website. This course must be completed by the end of the coach’s or other representative of the school’s athletic interest’s suspension. A copy of the certificate of completion must be forwarded to the FHSAA Office.

30.3.2 Penalties Assessed the School.

30.3.2.1 A school whose coach or other representative of the school’s athletic interests commits an unsportsmanlike act before, during or after a contest shall be assessed a minimum financial penalty of $100. Additional minimum monetary penalties up to $250 (per occurrence) may be imposed for unsportsmanlike conduct such as, but not limited to, use or profanity or other such gutter language or gestures, continuing to give instruction to his/her student-athletes or other members of the coaching staff after having been ejected, pursuit of officials with intent following a contest by a coach or other representative of the school’s athletic interests, refusal of a coach or other representative of the school’s athletic interests to leave the court, playing field or team area after being ejected, physical contact by a coach or other representative of the school’s athletic interests with an official and premature termination of contest by an official due to unsportsmanlike conduct.

30.3.2.2 It is the responsibility of the local school authorities to ensure this policy is enforced. When a coach or other representative of the school’s athletic interests is allowed to coach in a or attend contest from which he/she has been suspended, the school shall face additional penalties. This policy applies to all regular season and State Series contests.

30.4 Public Criticism of Officials. No coach or other representative of the school’s athletic interests may publicly criticize or berate an official prior to, during or following a contest. Professional ethics require that coaches or other representatives of the school’s athletic interests use proper channels, as per Bylaw 10.3.2, to report their complaints about officials rather than airing them publicly. A minimum monetary penalty of $50 shall be assessed a school whose coach or other representative of the school’s athletic interests are in violation of this provision.

30.5 Appeals

The decision to disqualify (eject) a student-athlete, coach or other representative of the school’s athletic interests (see Bylaw 1.4.18) from a contest is a decision of the contest official or FHSAA Administrator. Any penalties imposed may be appealed to the Executive Director, using the AT15 Form, and, from there, through the normal appeals procedures. All periods of ineligibility (suspensions) remain in effect during any such appeal unless and until they are modified or reversed.
POLICY 31

USE OF ALCOHOL, TOBACCO AND OTHER SUBSTANCES

31.1 Use of Alcohol and Tobacco. The use of alcohol, tobacco or tobacco-like products by student-athletes, coaches and officials is prohibited during the contest and in the vicinity of the playing field or court. A coach or student-athlete in violation of this policy is guilty of unsportsmanlike conduct, will be ejected from the contest and will be suspended from subsequent contests for a period of up to six weeks in accordance with the FHSAA Policy on Unsportsmanlike Conduct. Additionally, the official must report any violation of this policy by either a student-athlete or coach to the FHSAA Office. Violation of this policy by a student-athlete or coach will subject the school to a monetary penalty. Violation of this policy by an official will subject the official to a monetary penalty of a minimum of $100 or suspension or both.

31.2 Use of Steroids and Performance Enhancing Drugs. The use of anabolic steroids or other performance-enhancing drugs by a student-athlete is not permissible and is considered to be an act of unsportsmanlike conduct. A student-athlete discovered to be using such substances will be ineligible to compete in any interscholastic contest until such time as medical evidence can be presented that the student’s system is free of those substances.

POLICY 32

INCLEMENT WEATHER AND SUSPENDED CONTESTS

32.1 Storms. If a thunderstorm or electrical storm occurs in the area prior to the start of or during any outdoor contest, the officials must immediately contact the principal or his/her designee of each school involved in the contest to determine if the contest should be played as scheduled, delayed, suspended or postponed. If the principal or his/her designee of either of the schools involved requests that the contest be interrupted or postponed, with the exception of FHSAA State Final events, the officials must immediately honor such request. If the principal or his/her designee of only one of the competing schools is available, with the exception of FHSAA State Final events, his/her request must be honored.

32.2 Safety is Paramount. The safety and welfare of all concerned is of paramount importance. In no case may an official deny a request by a principal or his/her designee to delay, suspend or postpone an outdoor contest due to inclement weather or imply that the contest will be forfeited as a result of such a request.

32.3 Suspended Contests. A suspended contest shall be resumed from the point of interruption, unless National Federation Rules, FHSAA Bylaws and/or Policies determine that the contest is a completed contest based on where the contest is at the point of interruption.

POLICY 33

SIDELINE CHEERLEADING

As per s.1006.18, Florida Statutes, the “Spirit Rules,” published by the National Federation of State High School Associations, shall be the statewide uniform safety standards for sideline cheerleading.

33.1 General Regulations

33.1.1 Cheerleaders are prohibited from building pyramids higher than two tiers during any routine in practice or during a performance in conjunction with an interscholastic contest. Host school principals are responsible for the enforcement of this regulation during regular season contests. Tournament/Meet managers and directors will be responsible for the enforcement of the regulation during FHSAA State Series contests.

33.1.2 Prior to a student’s participation in cheerleading tryouts, practice or performance, the student must secure a physician’s certificate to the effect that the student is physically fit for participation.
33.2 Indoor Contests
33.2.1 Cheerleaders must remain in their seats along the sidelines at all times when the ball is alive or a match is in progress.
33.2.2 Officials are responsible for the enforcement of this regulation. First offense – warning; Second and subsequent offense – technical foul in basketball; awarding of point against violating school in volleyball and wrestling.

33.3 State Championship Series. Sideline cheerleading squads will be permitted to cheer at state championship series contests provided the cheerleading squads cheered at regular season contests for that sport.

POLICY 34
PHOTOGRAPHING, FILMING AND VIDEOTAPING ATHLETIC CONTESTS

34.1 Regular Season Contests
34.1.1 Representatives of a school’s athletic interest, as defined in Bylaw 1.4.18, of a visiting school may not photograph, film or videotape their team’s or contestants’ performance in a contest without first obtaining permission from the host school principal or his/her designee. Photographers, videographers and their equipment must be positioned so that they do not block the view of any spectator.
34.1.2 No representative of a school’s athletic interest of a school that is not participating in a contest may photograph, film or videotape all or any part of the contest unless permission to do so is granted by the principal or his/her designee of each school that is participating in the contest.
34.1.3 It is recommended that schools videotape injury situations, postgame handshakes and any unsportsmanlike incidents that may occur during a football game.

34.2 State Series Contests
34.2.1 State series contests are the sole property of the FHSAA and may not be reproduced and marketed or otherwise distributed or publicly displayed in any manner without the express written permission of the FHSAA. The FHSAA retains all rights to the television broadcast or cablecast, radio broadcast, internet broadcast (audio and/or video), videotaping, filming and photographing of all state series contests.
34.2.2 The FHSAA, subject to the policies of the host facility, allows still cameras and video cameras to be used at state series contests so that participants and spectators may record the event for their own personal use – not for the purposes of commercial resale or public redistribution in any form. Only those duly authorized organizations or individuals who have been granted appropriate rights by contract or by issued credential shall be permitted to sell or publicly display or otherwise redistribute images and sounds of state series contests and then only in accordance with the terms and conditions established by the FHSAA.
34.2.3 Each participating school shall be permitted to photograph, film or videotape, for archival, coaching or instructional purposes, only those state series contests in which its team or contestants perform when arrangements are made with the contest management. Photographers, videographers and their equipment must be positioned so that they do not block the view of any spectator.
34.2.4 There may be additional guidelines or restrictions for FHSAA Finals state championship events. Consult the appropriate athletic regulations manual governing a sport for additional guidelines or restrictions concerning photographing, filming and videotaping at a state championship event in that sport.

34.3 Penalty

A school must not use an academic recruitment program as a disguise for athletic recruiting.

36.1.5 **Financial Assistance Permissible.** Private schools, as well as developmental research schools operated by state universities, may administer school-based financial assistance programs for students who attend those schools. Financial assistance must be totally unrelated to a student’s athletic interest, potential or performance. Financial assistance based even partially on a student’s athletic interest, potential or performance is not permitted.

If the investigation uncovers no verifiable evidence of a major violation, the case is closed, no further action is taken and such notice will be sent to the member school. If evidence of a major violation is discovered, the case moves to the next phase, and a notice of preliminary findings is sent to the member school.
POLICY 40

Concussions

To help ensure the health and safety of student athletes, the following policy provides guidelines and procedures on preventing, recognizing, and responding to a concussion.

40.1 Concussions. A concussion is a brain injury caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Concussions can also result from a fall or from collisions between with one or more individuals or with obstacles. As brain injury, concussions are serious.

40.1.1 Any student athlete who exhibits signs, symptoms, or behaviors consistent with a concussion including, but not limited to, loss of consciousness, headache, dizziness, confusion, or balance problems, shall be immediately removed from the contest or practice and shall not return to play until cleared by an appropriate health-care professional.

40.1.2 When you suspect that a player has a concussion, follow the “Heads Up” 4-step Action Plan:

- Remove the athlete from play.
- Ensure that the athlete is evaluated by an appropriate health-care professional.
- Inform the athlete’s parents or guardians about the possible concussion and give them information on concussion.
- Keep the athlete out of play the day of the injury and until an appropriate health-care professional says he or she is symptom-free and gives the okay to return to activity.

The signs, symptoms, and behaviors of a concussion are not always apparent immediately after a bump, blow, or jolt to the head or body and may develop over a few hours. An athlete should be observed following a suspected concussion and should never be left alone.

40.2 Appropriate Health-Care Professional (AHCP). An appropriate health-care professional (AHCP) is an individual who is trained in the diagnosis, evaluation and management of concussions. Such individuals will be a licensed physician (MD, as per Chapter 458, Florida Statutes) or a licensed osteopathic physician (DO, as per Chapter 459, Florida Statutes). Consistent with the American Academy of Neurology and other organizations, It is recommended that an AHCP as defined in Policy 40.2 above or an athletic trainer (ATC, as per Chapter 468, Florida Statutes) is present at all sporting events, including practices, where athletes are at risk for concussion or for those classified as a collision sport, whenever possible.

40.3 Mechanics for Removal from Athletic Contest. The FHSAA concussion rule calls for the immediate removal of the participant from the contest or practice. Players, coaches and contest officials should be cognizant of athletes who display signs, symptoms or behaviors of a concussion and immediately stop play for injury evaluation within the rules of the game (the responsibility of the contest official is limited to activities that occur on the field, court, mat, etc.).

40.3.1 Symptoms Reported by the Athlete

- Headache
- Nausea
- Balance problems or dizziness
- Double or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems
- Confusion

40.3.2 Signs Observed by Other Individuals

- Appears dazed or stunned
- Is confused about what to do
- Forgets plays
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness
• Shows behavior or personality changes
• Can’t recall events prior to hit
• Can’t recall events after hit

40.3.3 Removal. Once the participant has been removed from a contest due to a suspected concussion, the coach, school and AHCP(s) assumes full responsibility for that athlete’s further evaluation and safety. If available, a certified athletic trainer (ATC) under the direct supervision of a MD/DO can assist with the sideline evaluation of a student-athlete when a student-athlete is sent out of a competition or practice, but cannot provide written clearance to return to play (refer to above). If after sideline evaluation, it is determined the athlete does not demonstrate symptoms consistent with a concussion the ATC will follow procedures within a written operational protocol created and signed by a supervising physician to determine return to play. In this situation, the athlete should continue to be monitored for any delayed onset of concussion symptoms and must be removed from activity immediately if signs or symptoms return.

40.4 Return to Play (RTP) Criteria – Recommended Concussion Management

40.4.1 No athlete should return to play (RTP) or practice on the same day of a suspected concussion. “When in doubt, sit them out!”

40.4.2 Any athlete suspected of having a concussion must be evaluated by an ACHP (as defined above) as soon as possible and practical.

40.4.3 Any athlete who has sustained a concussion must be medically cleared by an ACHP (as defined above) prior to resuming participation in any practice or competition.

40.4.4 After evaluation and examination by an ACHP (as defined above), return to play must follow a step-wise protocol as defined by the “Graded Return to Play Protocol” form and under the supervision of an ACHP, athletic trainer, coach or other health care professional (Post Head Injury/Concussion Form).

40.4.5 A written medical clearance from an ACHP (as defined above) is required for return to competition (Post Head Injury/Concussion – RTP Form).

40.5 Education on Management of Concussions

40.5.1 Requirement for Coaches. All FHSAA member school head coaches and paid/supplemented coaches are required to view the FREE online education course “Concussion in Sports – What You Need to Know”. This NFHS concussion course may be viewed online at www.nfhsschool.com.

40.5.2 Recommendation. All member school personnel, contest officials, student-athletes, parents and media are encouraged to educate themselves by viewing the FREE online education course “Concussion in Sports – What You Need to Know”. This free NFHS concussion course may be viewed online at www.nfhsschool.com.

40.5.3 Additional Information. Current and up-to-date information on concussion can be found on the Center for Disease Control and Prevention website at:

- http://www.cdc.gov/concussion/HeadsUp/youth.html; and

40.6 Concussion Release Form. Each student-athlete and their parent or legal guardian, duly appointed by a court of competent jurisdiction, must submit a release form provided by the association (Form EL3CH – Concussion & Heat Related Illness Information Release Form).

POLICY 41

HEAT ACCLIMATIZATION

Heat illness is a cause for concern for high school student-athletes beginning pre-season practices in the warm, summer months and other times of extreme heat. The most serious heat illness, exertional heat stroke, is one of the leading causes of preventable death in these athletes. Heat production during intense exercise is 15 to 20 times greater than at rest and can raise body core temperature one to two degrees Fahrenheit every five minutes unless heat is dissipated. The following policy provides guidelines and procedures for conducting pre-season practices and activities to insure the well-being of student-athletes.
41.1 **Intent.** The intent of this policy is to require FHSAA member schools to follow a preseason acclimatization and recovery model for all sports that enhances student-athlete well-being. The policy also requires individual schools, or districts, to select and promote a method of environmental monitoring to be used outside the acclimatization period and comply with standard recommendations for practice modifications, for the safety of the student-athlete;

41.1.1 These policies provide general regulations for conducting preseason practices for secondary school-age student athletes and to provide recommendations for voluntary conditioning workouts,

41.1.2 These policies should be applied before and during the academic year to ensure the athletes arrive with and maintain adequate sport-specific conditioning.

41.1.3 Application of these regulations should not be based solely on the information contained here within; but, should represent the minimal safety precautions promoted through the FHSAA. Coaches and Schools are encouraged to review published recommendations through the NFHS or the National Athletic Trainers Association to further protect student-athletes from the harmful effects of the heat.

41.1.4 Individuals using these guidelines are responsible for prudent judgment with respect to each practice, athlete and facility and each athlete is responsible for exercising caution when following these general requirements.

41.2 **Rationale.** The recommendation of the National Federation of High School Association’s (NFHS) Sports Medicine Advisory Committee (SMAC) and the National Athletic Trainers’ Association’s (NATA) Secondary School Committee, that all sports use acclimatization and recovery principles to develop their preseason practice schedules for the purpose of enhancing the student athlete well-being, is based on the following: The primary focus of the preseason period should be to provide an adjustment period to the intensity and duration of exercise and environmental conditions. These procedures are based upon medical literature. Careful consideration should be given to the various levels of fitness in the high school student-athlete.

41.3 **Definitions.**

41.3.1 Voluntary Conditioning. Voluntary conditioning is defined as any conditioning (i.e. running, weight lifting, warm-up, stretching, or cool-down) that occurs outside the season as defined in Policies 20 and 21.

41.3.2 Official Practice. An official practice is defined as one continuous period of time in which a participant engages in physical activity. It is required that each practice be no more than three hours (3 hours) in length and consist of no more than 90 minutes of intense exercise. Warm-up, stretching, and cool-down activities are to be included as part of the official practice time. All conditioning and/ or weight room activities shall be considered part of the official practice beginning on the first calendar day of official sport season.

41.3.3 Acclimatization Period. The acclimatization period is defined as the first 14 calendar days of a student-athletes’ participation, beginning with the first allowable date of practice in that sport or the first day an athlete begins official practice, whichever is later. All student-athletes, including those who arrive to preseason practice after the first official day of practice, must adhere to the safety precautions afforded by this acclimatization policy. This period does not restrict an athletes’ availability to participate in a contest but does restrict the amount of total hours an athlete can participate on a daily and weekly basis.

41.3.4 Walk-Through. A walk-through shall be defined as an additional teaching/learning opportunity for student-athletes and coaches with no protective equipment (i.e. helmets, shoulder pads, shin guards) or equipment related to a given sport (i.e. footballs, blocking sleds, pitching machine, soccer balls, etc). The duration of any walk-through must not exceed one hour in length. A walk-through shall not include conditioning or weight room activities.

41.3.5 Recovery Period. A recovery period is defined as the time between the end of one practice or walk-through and the beginning of the next practice or walk-through. Physical activity is restricted during this time period, (i.e. speed, strength, conditioning, or agility drills) Walk-throughs are prohibited during this recovery period.

41.4 **Procedures**

41.4.1 Prior to participation in any preseason practice activities, all student-athletes are required to undergo a Pre-Participation Physical Evaluation (see Bylaw 9.7, Form EL 2) administered as required by state law.

41.4.2 The student and parent or legal guardian, duly appointed by a court of competent jurisdiction, must submit a release form provided by the association (Form EL3CH – Concussion& Heat Related Illness Information Release Form).

41.4.3 During the first seven days of an athlete’s participation, it is required that participants not engage in more than one practice per day.

41.4.4 If a practice session is interrupted by inclement weather or heat restrictions, it is required the session be divided for the good of the student-athlete’s welfare as long as the combined total practice time for that session does not exceed three (3) hours. The addition of a walk-through session in this situation is acceptable provided it is added because of a weather related disruption, and occurs inside an air-conditioned facility.

41.4.5 Competition is counted as three (3) hours. An official practice is not permitted on the same day of a competition.
41.4.6 A walk-through is permitted during Days 1 – 6 of the acclimatization period. However, a one-hour recovery period is required between the end of practice and the start of the walk-through or vice-versa.

41.4.7 Football only (including spring): Due to the protective equipment required in football, these additional procedures apply: the first two (2) days of practice are restricted to helmets only, days 3-5 can introduce shoulder-pads with shorts and then beginning day six (6) of practice, full gear can be utilized and body-to-body contact is permitted. Student-athletes who begin practice with a team after the start of official practice will be required to follow this same 6 day procedure. During the initial five (5) days, the use of arm shields, tackling and blocking dummies, sleds and other devices can be used for instructional purposes, however, deliberate body-to-body contact is prohibited.

41.4.8 For football athletes, the first availability for a contest would be after completion of the 6 practice sessions as listed above in 41.4.6.

41.4.9 Beginning Day 8, it is required that the practice schedule not exceed a 2-1-2-1 format. This means that a day consisting of two practices should be followed by a day with only one practice. One walk-through session may be added to a day with a single practice session. If a two practice day were followed by a day off, a two-practice day would be permitted on the next day.

41.4.10 On days when two practices are conducted, it is required that either practice not exceed three (3) hours in length and student-athletes not participate in more than five (5) total hours of practice activities on these days, Warm-up, stretching, and cool-down activities are included as part of the official practice time. Practices must be separated with at least three continuous hours of recovery time between the end of the first practice and the beginning of the very next practice. A walk-through is not permitted on days that have two (2) official practices. Weekly practice time shall not exceed twenty-four (24) hours for days 8-14.

41.4.11 On days when a single practice is conducted, it is required that practices not exceed three hours (3 hours) in length. A walk-through is permitted after a minimum one-hour recovery period between the end of the first practice and the walk-through, or vice-versa.

41.4.12 It is recommended that any voluntary conditioning session is limited to three (3) hours maximum per session and these sessions should include the safeguards listed within 41.5 below.

41.4.13 Cross Country: Individuals must participate in a minimum of 10 practice sessions on 10 separate days prior to the first contest.

41.5 Hydration and Rest. Once the 14 day acclimatization period expires or within ANY voluntary conditioning session, each individual school, or district, must select and promote a method of monitoring the environment for heat related concerns and comply with standard recommendations for practice modifications, for the safety of the student-athlete. Schools must continue to adhere to the above hydration/rest policies as well as the time limits and sequencing imposed on practice (2-1-2).

- Rest time should involve both unlimited hydration intake and rest without any activity involved.
- For sports utilizing helmets (i.e. football, lacrosse, baseball, softball and others) helmets should be removed during rest time.
- For every 30 minutes of practice, there must be at least a minimum 5 minute rest and hydration break.
- The area identified for rest should be considered a “cooling zone” and out of direct sunlight. This area can include ice sponges, cold immersion tubs and other cooling alternatives to facilitate the cooling process.
- Coaches should promote a heat injury prevention philosophy by promoting unrestricted access to water at all times without consequence.
- A student-athlete should never be denied access to water if he/she requests.

41.5.1 Suggested methods of monitoring the environment include:

1. Wet Bulb Globe Temperature (WBGT)
2. Heat Index
3. Digital meters or Psychrometers

41.6 Sanctions on Coaches

41.6.1 Level 1 Suspension. A head coach who commits a violation of any condition listed in Policy 41 will be ineligible to coach or attend any contest, at any level, for a minimum of the next two (2) contests during the period of suspension, in all sports except football. For football, the coach will be ineligible for a minimum of one (1) football game; or

41.6.2 Level 2 Suspension. A head coach who receives a second Level 1 Suspension due to a violation of any condition listed in Policy 41, or commits multiple violations in Policy 41 will be ineligible to coach or attend any interscholastic athletic contest in any sport, at any level, for a period of up to six (6) weeks; or

41.6.3 Level 3 Suspension. A head coach who receives a second Level 2 Suspension for violating any condition of Policy 41 or commits an egregious violation of Policy 41, as determined in the sole discretion of the Executive Director, will be ineligible to coach or attend any interscholastic athletic contest in any sport for a period of up to one (1) year.

42.3 Licensing
42.3.1 Member schools are encouraged and licensed to use the FHSAA name, acronym, emblem, logos and service marks on programs and event merchandise in connection with sanctioned interscholastic events only as set forth herein. A royalty will be due or owing the FHSAA for any use of the FHSAA name, acronym, emblem, logos, trademarks and service marks for any item sold or distributed by a member school or outside vendor at or in connection with any such activity during the regular sports season when any official marks or logos are used. Required use during FHSAA State Series events is set forth separately in this policy.

42.3.2 Member schools may not authorize any other individual or entity to use any FHSAA name, acronym, emblem, logo or service mark without the prior written approval of the FHSAA.

42.3.3 Member schools may contract only with those outside vendors who are licensed by the FHSAA to produce event merchandise on which the FHSAA name, emblem and/or logos is displayed. It will be the responsibility of the member schools to refer outside vendors wishing to become licensed to the FHSAA Office. The FHSAA Office will prepare and distribute to member schools a listing of such licensed vendors on a regular basis. The annual licensing fee shall be determined at the discretion of the executive director.

42.3.4 Any use of the FHSAA name, acronym, emblem, logos or service marks not otherwise specifically stated in this policy will obligate either the member school or an outside vendor doing business with the member school to remit to the FHSAA a royalty fee determined at the discretion of the executive director.

42.3.5 Any other use of the FHSAA name, acronym, emblem, logos or service marks, such as on team patches, shirts, sweatshirts, hats, jackets, towels, artifacts or otherwise, requires the prior written approval of the FHSAA on terms specified by the FHSAA at its discretion.

42.3.6 Print, radio and television media may use the FHSAA name, emblem and logos as part of its coverage of FHSAA events and/or in any publication, slide, videotape, brochure, pamphlet, advertisement, commercial, etc., relating to its coverage of the FHSAA. Permission from the FHSAA Office is not required and the terms of this “Licensing and Royalty Policy” do not apply. However, the use of any of the official marks in any merchandise created and/or distributed in connection with coverage of and/or sale of promotional use is subject to this “Licensing and Royalty Policy.”

42.3.7 The enforcement of this policy will be the responsibility of each member school in conjunction with the FHSAA Office. The collection of the revenue required pursuant to this policy will be the responsibility of the FHSAA Office via the member school or outside vendor, depending upon who is responsible for arranging for the actual production or distribution of any merchandise for the event.

42.3.8 A member school which contracts with an outside vendor not licensed by the FHSAA to produce merchandise and otherwise in which the FHSAA official marks are displayed, for sale or distribution at regular season events will be in violation of this policy and will be assessed a monetary penalty $250 plus additional monetary damages for lost royalties to be determined at the discretion of the Executive Director.

42.4 FHSAA State Series Events
42.4.1 The FHSAA Championships Logo must be conspicuously displayed on all T-shirts, other merchandise, printed materials or otherwise produced and/or distributed in connection with any FHSAA State Series event. FHSAA State Series events include, but are not limited to, all contests, games, meets or other events conducted by or under the auspices of the FHSAA on the district, regional
and FHSAA State Championship levels. Other merchandise includes caps, hats, golf shirts, rugby shirts, sweat shirts, muscle shirts, key chains, car tags, bumper stickers, pennants, banners, cups, mugs, posters and similar items. Printed materials are considered to include programs, heat sheets, bracket sheets, scorecards, placards, promotional posters, flyers, advertisements, billboards and similar items.

42.4.2 The FHSAA Office will enter into an agreement with one or more vendor(s) to exclusively produce the official merchandise, including T-shirts, for all FHSAA State Series events on the district, regional and state levels. The exclusive vendor(s) of FHSAA State Series event merchandise shall be subject to the Terms and Conditions of the contract between the FHSAA and the vendor. A member school or organization that serves as host for any FHSAA State Series event and wishes to sell souvenir merchandise specific to that event shall be required to purchase such souvenir merchandise from the exclusive vendor(s). Should the exclusive vendor(s) elect to come to the site of any FHSAA State Series event and sell such souvenir merchandise directly to the participants and general public at the event, the host school/organization for the event shall be required to grant to the exclusive vendor(s) ingress to and egress from the facility in which the event is to be conducted, as well as space in the facility in which to set up a booth(s) from which to sell the souvenir merchandise. The FHSAA will retain complete control over the design of merchandise to be produced for sale at an FHSAA State Series event. In either case, the minimum royalty fee to be paid to the FHSAA is at the discretion of the executive director.

42.4.3 No individual(s), including those affiliated with a participating member school, shall bring onto the property of a facility at which an FHSAA State Series event is being conducted any items (including but not limited to T-shirts, caps, posters, bumper stickers, etc.) to be sold or otherwise distributed on the property to student-athletes, coaches or spectators without the written approval of the FHSAA. An individual(s) found in violation of this provision shall surrender the items for confiscation, shall be expelled from the property and may be subject to legal action. A member school found in violation of this provision shall be assessed a minimum monetary penalty of $250 and additional monetary damages for lost royalties to be determined at the discretion of the Executive Director.

POLICY 43

MEDIA CREDENTIALS FOR FHSAA STATE SERIES EVENTS

The FHSAA does not issue credentials to FHSAA State Series contests below the state championship level. Authorized working personnel employed by an outlet which has been approved to broadcast an FHSAA State Series contest must be admitted to the facility without charge upon presentation of proper identification and payment of appropriate rights fees to the host school principal or contest manager. Application must be made to the FHSAA for credentials to certain FHSAA State Series contests on the state championship level.

43.1 Making a Request. Requests for media credentials for each FHSAA Finals state championship event must be submitted online via the FHSAA media site (http://www.fhsaa.org/departments/media) by the deadline established for the event. The online form must be completed in its entirety. It is the responsibility of the individual to confirm that his or her request has been received. The request can only be made by an editor/manager of a news outlet or publication, or an owner/operator of an Internet site.

43.2 Credential Limits. Credentials to an FHSAA Finals event will be issued on a space-available basis only to Student-based media of member schools participating in the event (limit of one (1)). This request must be made by the school’s athletic director using the online system;

43.2.1 If a school is unable to secure a credential for a student, an adult staff member of the school or an adult at an outside company who has been hired by the school and had a background check performed may be issued a credential. This request must be made by the school’s athletic director using the online system (limit of one (1)).

Pursuant to the authority granted it in Article 4.6 of the FHSAA Bylaws, Executive Director has established the following procedures to govern the Association’s interscholastic athletic programs. They apply to all regular season contests as well as the FHSAA State Series unless otherwise modified or superseded by the terms and conditions approved for the state series. Any understanding, misunderstanding, opinion or belief by an individual as a result of reading these procedures shall not be binding on the FHSAA. The term “Executive Director” as used throughout these procedures shall mean the Executive Director of the FHSAA or his/her designee, unless otherwise specifically noted. Official rulings shall be requested in writing only by the principal or designated official representative of a member school and shall be provided in writing by the Executive Director or his/her designee. Only a formal ruling by the Executive Director or his/her designee is binding on the FHSAA. General failure to comply with FHSAA Administrative Procedures will subject the school to a monetary penalty of a minimum of $100 per occurrence.

As such the student will have been considered to have established his/her school residence at that school for that school year. School residence is only established once during a school year.

1.2 Register Intent. A “Non-Traditional” student must register his/her intent to participate prior to a date, which is not earlier than, the first day of practice for the first sport in which the student wishes to participate. This can be accomplished by the completion and submission of one or more of the following forms:

- GA4 Form (required only once unless there is a subsequent change in schools)
- EL7 Form (required only once of home education students unless there is a subsequent change in schools)
- EL12 Form (required only once of students attending certain small, non-member private schools)
- EL14 Form (required only if the student is using “Controlled Open Enrollment” in order to participate at a school other than the school the student is zoned to attend and required only once unless there is a subsequent change in schools)
- EL2 Form (required each year and valid for 365 days, unless there is a subsequent change in schools, in which case page one of the form must be completed and submitted)
- EL3 Form (required each year and valid for 365 days, unless there is a subsequent change in schools)
- EL3CH Form (required each year and valid for 365 days)

1.2.1 Register Intent Only Once. A “Non-Traditional” student needs to register their intent only one time for each sport in which the student wishes to participate. As long as the student remains affiliated with a school in the sport(s) in which intent was originally registered, the student does not need to re-register intent. However, if the student subsequently changes his/her affiliation to a different school, then the student must register intent with the new school prior to a date, which is not earlier than, the first day of practice for the sport(s) in which the student wishes to participate in addition to meeting one of the provisions in Bylaw 9.3.2.

1.3 Transfers

1.3.1 Definitions

1.3.1.1 Transfer. A transfer of schools occurs when a student changes the school they attend during the school year (see Bylaw 1.4.5). The student is subject to the transfer provision in Bylaw 9.3.

1.3.1.2 Change of School. A change of schools occurs when a student changes the school they attend during the summer (see Bylaw 1.4.6). The student is subject to provisions of Bylaw 9.2.

1.3.2 Parent/Student Responsibilities. Once the student has completed the transfer (i.e. is attending classes at the new school), the student/parent must:

1.3.2.1 Speak with the school’s administration (including the athletic director) on the first day of attendance.
1.3.2.2 Complete and submit a GA4 Form to the athletic director.
1.3.2.3 Complete and submit new EL3 Form to the athletic director, as well as submit copies of the EL2 and EL3CH Forms.

1.3.3 School Administration Responsibilities. Prior to allowing the student to participate in interscholastic athletics, the school administration must:

1.3.3.1 Determine the student’s cumulative GPA, and
1.3.3.2 Ensure an official transcript has been received and verify the student’s date of birth by documented proof provided by the parent (see Bylaw 9.6.4.1, i.e. original passport or original birth certificate or U.S. Visa or U.S. Permanent Resident Card); and
1.3.3.3 Obtain a copy of the student’s EL2 and EL3CH Forms and have the student/parent complete a new EL3 Form;
1.3.3.4 Determine that the student meets one of the six provisions listed in Bylaw 9.3.2.1 (Note: the student needs to meet only one of the provisions not all of them):

1.3.3.4.1 Bylaw 9.3.2.1
(a) Student must transfer and attend before the first day of the sports season, as established in the FHSAA calendar.
(b) The transfer was approved by the district school board or private school policies.
(c) An EL 6 Form was completed and signed by the principal indicating the student is eligible.
(d) The EL 6 Form is submitted to the FHSAA via fax or e-mail at eligibility@fhsaa.org.
1.3.3.4.2 Bylaw 9.3.2.2 (Note: all of these conditions must be met)
(a) The student’s former residence is not occupied by anyone the student lived with prior to moving; and
(b) Personal belongings no longer exist in the previous residence; and
(c) Mail is received at the new residence; and
(d) All utilities are transferred to the new residence; and
(e) Driver’s license, voter registration and any other forms of legal identification have been changed to the new residence; and
(f) This move made it necessary to change schools (see Bylaw 9.3.2.7).
1.3.3.4.3 Bylaw 9.3.2.3
(a) A person the student was living with dies; or
(b) A person the student was living with is imprisoned or committed by court order to a mental facility; or
(c) The student is made ward of the court or state and placed in a foster home; and
(d) This move made it necessary to change schools (see Bylaw 9.3.2.7).
1.3.3.4.4 Bylaw 9.3.2.4
(a) The student is married and needs to move with their spouse, and
(b) This move made it necessary to change schools (see Bylaw 9.3.2.7).
1.3.3.4.5 Bylaw 9.3.2.5
(a) Review the student’s reassignment by the school board to ensure the following:
   • The assignment is not prompted by a request from the student, parents or legal guardian; and
   • The assignment is not for athletic or disciplinary reasons.
1.3.3.4.6 Bylaw 9.3.2.6
(a) Contact the previous school to determine:
   • If the student was recruited; or
   • If the transfer is due to athletic reasons; or
   • If the transfer because of disciplinary reasons or misconduct.
1.3.3.5 Contact the student’s previous school to verify eligibility while the student was enrolled at the previous school.
1.3.3.6 Complete and submit an EL6 Form if the student qualifies under Bylaw 9.3.2.1 (i.e. sports season transfer).

The principal’s signature certifies the student’s eligibility.

1.4 Transcripts

1.4.1 Official Transcripts. Some member schools have different additional graduation requirements related to the school’s curriculum. As a result the member school may not accept certain grades earned by the student prior to attending its institution (i.e. transfer courses). For the purpose of determining academic, athletic eligibility, the school must provide a transcript which includes all of the following:

1.4.1.1 All grades earned by the student since first entering 9th grade must be reflected and used to calculate the student’s athletic eligibility. (Note: some member schools now reflect a weighted GPA, an unweighted GPA and athletic GPA to indicate the student’s GPA).
1.4.1.2 Students required to repeat an academic course or an academic year must have the initial grade earned and the repeated grade earned reflected on the transcript used for athletic eligibility (Note: repeating an academic course or academic year does not extend a student’s limit of eligibility beyond four (4) years).
1.4.1.3 Grades earned in other countries must be reflected on the transcript used for athletic eligibility.
1.4.1.4 Grades earned through virtual programs must be reflected on the transcript used for athletic eligibility.
1.4.2 Grade Forgiveness. In accordance with Florida Statutes (s. 1003.428(4)(d) note) and Bylaw 9.4, member schools may enhance a student’s GPA to meet the minimum 2.0 GPA requirement through grade forgiveness. It is important to remember that some member schools and school districts may apply grade forgiveness differently for the purpose of meeting graduation requirements, in the event a student is in danger of not meeting the school’s or school district’s graduation requirements. Athletic Directors must be in communication with their school’s guidance department to ensure grade forgiveness is being applied correctly for the purpose of determining academic, athletic eligibility. The following are some guiding principles for applying grade forgiveness for athletic eligibility:

1.4.2.1 The replacement of a core course must be by a core courses in the same subject and level, i.e. exchange a chemistry grade for a chemistry grade, but not biology grade for a chemistry grade (different levels; science courses are very restrictive);

1.4.2.2 The replacement of a core course by an elective course cannot be done until the requirements of that core has been met and the required electives have been met (this is what impacts graduation);

1.4.2.3 The grade replacing another grade must match by semester, i.e. 2nd semester English I may only replace 2nd semester English I;

1.4.2.4 The grade being used for forgiveness must succeed the grade it is replacing;

1.4.2.5 The grade being used for forgiveness must not be used for a grade during the same semester;

1.4.2.6 Students can enhance a grade in any elective course by taking another elective course, provided the required electives have been met (i.e., keyboarding may replace weightlifting).

1.5 Due Process. Casual conversations with staff, telephone call inquiries and e-mail inquiries concerning student eligibility or possible violations of association rules and regulations are NOT official rulings.

1.5.1 EL10 or EL11 Form. The EL10 – Request for Eligibility Ruling Form – is used when a school is uncertain as to the eligibility of a student based on the bylaws and policies of the association. The EL11 – Request for Sectional Appeals Committee Hearing – is used when the school has determined that a student is ineligible based on the bylaws and policies of the association and the school is seeking a waiver of those bylaws or policies on behalf of the student. The EL11 is also used when a school is seeking a waiver of other violations of the bylaws and policies of the association that are not directly related to student eligibility. It is NOT required that an EL10 Form precede an EL11 Form.

1.5.2 When to File an EL10 Form. Student eligibility issues related Bylaw 9.2 (Attendance Requirements) and Bylaw 9.3 (Transfer Regulations) are often times open to interpretation. Uncertainty with these two bylaws would warrant the use of the EL10 Form. Issues related to Bylaw 9.4 (GPA), Bylaw 9.5 (4 year limit of eligibility) and Bylaw 9.6 (age limit) are generally clear cut and would not necessarily warrant the use of the EL10 Form. The use of this form is not required in order to file the EL11 Form if an appeal is requested. Additionally, an EL10 Form should not be filed within 10 business days of the filing deadline for an EL11 Form without filing the EL11 Form as well. It is much easier for the association to pull an appeal hearing then to add an appeal hearing after the EL11 submission deadline has passed.

1.5.3 When to File and EL11 Form. When the school has determined that there has been a clear cut violation of the Bylaws or Policies of the association and the school feels an appeal for a waiver of the violated Bylaws or Policies is justified, then it would be appropriate to file the EL11 Form. Additionally, if a student or parent requests an appeal of an eligibility ruling, the school must honor that request and file an EL11 Form. However, Bylaw 10.4.4 (Undue Hardship Waivers) and following sub-sections should be reviewed, in their entirety, with the student and parent, with particular emphasis on the potential cost to the school (which can be levied to the student/parent by the school) for the appeal being heard by the Section Appeals Committee.

1.6 Combination Schools with Multiple Campuses

If a combination school submits documentation, from at least one source in each of the following Levels (for a total of 3 documents, as a minimum) indicating that the combination school is considered as a “single school”, then FHSAA will also consider the combination school to be a “single school”, for the purposes of Bylaw 3.2.2.3:

1.6.1 Federal Level

1.6.1.1 Documentation through the IRS; or
1.6.1.2 Documentation through the Office of Homeland Security; or
1.6.1.3 Documentation through the Federal EEOC (Equal Employment Opportunity Commission).

1.6.2 State Level

1.6.2.1 Documentation through the Florida Department of Education; or
1.6.2.2 Documentation through the Florida Department of Revenue.

1.6.3 Accreditation Level

1.6.3.1 Documentation through FCIS; or
1.6.3.2 Documentation through SACS; or
1.6.3.3 Documentation through one of the FHSAA Approved Accrediting Agencies as listed in Policy 5.3.
1.7 What is a School?

1.7.1 Background. FHSAA member schools are allowed to compete against non-member schools located in the state of Florida. Member schools and coaches must be cautious allowing their teams to compete against other teams which may not be considered a school.

1.7.2 Florida State Statutes. State Statutes clearly define public schools (s. 1003.01(2)), private schools (s. 1002.01(2) and s. 1002.42) and home education programs (s. 1002.01(1) and s. 1002.41).

1.7.3 Florida Department of Education. Public schools, Charter schools, virtual schools, and private schools duly registered with the Florida Department of Education are issued Department of Education identification numbers. A condition of being issued a DOE number is that the school will meet the provisions of F.S. 1002. Home Education Cooperatives are not issued a DOE number, but for the purposes of interscholastic athletics they are considered a school.

1.7.4 Interscholastic Athletic Competition. The following serves a guideline for determining if a team represents a school:

1.7.4.1 The school has been issued a Florida Department of Education Identification Number (does not apply to home education cooperative school/teams); and

1.7.4.2 The school provides academic instruction in courses as required in F.S. 1003.43(1); and

1.7.4.3 The school is physically located in the state of Florida; and

1.7.4.4 Course of instruction culminates with conferring a diploma or other recognition of a satisfactorily completed program (except for Home Education Programs).

NOTE: Institutions listed in C2C Schools may not meet the above provisions and member school representatives are strongly encouraged to practice due diligence in determining if the team is compliant with the above. Member schools are cautioned to avoid competition between a team in question.

It remains the responsibility of the school to verify the eligibility of all non-traditional students.

1.8.1.2 C2CSchools. The school must input specific information in their C2CSchools database for each non-traditional student.

1.9 Youth Exchange, Other International and Immigrant Students

1.9.1 How to Determine the Type of Student. As with all students participating in interscholastic athletics, the student is required to provide documented proof of age (see Bylaw 9.6.4.1). If that form of documentation is a birth certificate or passport from a foreign country or is a U.S. Visa then additional questions need to be addressed as follows:

1.9.1.1 Has the student gained U.S. citizenship (documentation required) or become a U.S. Permanent Resident (Permanent Resident Card, i.e. Green Card, required)? If no, then continue to question. If yes, then this procedure is not applicable.

1.9.1.2 Does the student have a U.S. Non-immigrant Visa? If no, then continue to question. If yes, then ask to see the Visa and proceed as follows:

1.9.1.2.1 U.S. Visa class is an F-1 or J-1; see 1.9.2 below.

1.9.1.2.2 U.S. Visa class is some other class (i.e. A-1, A-2, E-1, E-2, F-2, H-4, L-2, O-3, P-4, R-2, TD or U-3); see 1.9.3 below.

1.9.1.2.3 Student entered on the Visa Waiver Program, due to the short term nature of the program, 90 days or less, the student is not eligible per Policy 17.2.1 and Policy 17.2.5.

1.9.1.3 Does the student have a U.S. Immigrant Visa or other immigration documentation? If yes, see 1.9.3 below.

1.9.1.4 If the student has no documentation for being in this country, see 1.9.3 below.

1.9.2 Youth Exchange Students. Youth exchange student are those students who enter the U.S. on an F-1 or J-1 U.S. Visa. These students must register and be approved by the FHSAA (see 1.9.4 below).

1.9.2.1 Returning F-1 youth exchange students must re-register each year by submitting pertinent information on the EL4 Form, submitting a copy of the I-20 A-B Form and submitting an official school transcript. These documents must be scanned and e-mailed to the association.

1.9.3 Other International or Immigrant Students. These students may have been in this country for numerous years. If each of the following two (2) conditions have been met, then no action is necessary, the student is eligible to participate in interscholastic athletic provided they are eligible in all other respects. Otherwise the student must registered, once time only, with the association (see 1.9.4 below).

1.9.3.1 The student must have resided with his/her parent(s) or legal guardian(s) duly appointed by a court of competent jurisdiction for a minimum of the previous two (2) consecutive full school years; and

1.9.3.2 The student must have started and completed the 8th grade, or earlier, for the first time in a U.S. school and have the appropriate school records to verify this fact.

1.9.4 Student Registration Procedures. The student/school must complete and e-mail a scanned copy of the EL4 Form in addition to scanned copies each of the following:

1.9.4.1 Documented proof age (see Bylaw 9.6.4.1, i.e.); and

1.9.4.2 The F-1 or J-1 “Eligibility Certificate (Form I-20 A-B or Form DS-2019, respectively); and

1.9.4.3 Original language (un-translated) official transcripts since the student entered the 8th grade/year of compulsory education from the school(s) in the student’s home country; and

1.9.4.4 Verbatim translated transcripts since the student entered the 8th grade/year of compulsory education from the school(s) in the student’s home country; and

1.9.4.5 The student/parent/host parent must complete and submit a GA4 Form.

- **3.12.1.2.1 Exception for Live Telecasts.** Live telecasts of football and basketball games, when permitted, may operate under the following guidelines upon approval of the Executive Director:
(a) The intermission between the first and second quarters, the third and fourth quarters, and overtime periods will be extended from 60 seconds to 90 seconds;

(b) The outlet will be granted one 90-second television timeout during each quarter. This timeout will be granted at the dead ball following the change of possession which occurs nearest to the midpoint of the quarter. This television timeout will be granted regardless of whether one of the two participating teams has called a charge timeout close to the midpoint of the quarter. Additionally, this television timeout will not preclude either one of the two participating teams from calling a charged timeout near the midpoint of the quarter; and

(c) All charged timeouts called by either team will be a full 60 seconds in duration.

(d) It will be the responsibility of the referee to see that these guidelines for television timeouts are strictly adhered to.

3.12.1.3 FHSAA Approval of Broadcast. FHSAA approval of broadcasts of FHSAA State Series contests is final. The outlet must assume all expenses in connection with the broadcast, and must provide all equipment necessary for the broadcast. This includes arranging for broadcast lines with the appropriate telephone company.

3.12.1.5 Seating Policies. Personnel originating approved broadcasts who are to be admitted to the facility without charge must not exceed four (4) persons. The host school principal or contest manager must make every effort to provide these personnel with seating which provides them with an unobstructed view of the playing area.

3.12.1.6 Limited Seating Areas. In facilities where seating is limited in the press box or broadcast booth, the host school principal or contest manager should provide seating to the one (1) primary outlet covering each participating school. Thereafter, seating in the press box or broadcast booth should be provided on a first-come, first-served basis. An outlet must understand that it may be necessary for it to set up operations in the spectator seating area at facilities with limited space in the press box or broadcast booth. The primary outlet for a participating school is considered to be the outlet which has broadcast the greatest number of regular season contests and/or FHSAA State Series contests in which the school has participated.

3.12.1.7 Camera Positioning. The host school principal, contest manager and/or the officials assigned to work the contest will have the authority to require the repositioning of television cameras and videographers if they believe their placement may threaten the safety of the participants or interfere with the conduct of the competition.

3.12.1.8 Failure to Comply. The outlet must abide by each and all terms and conditions of this policy. The host school principal or event manager will have the authority to act on behalf of the Florida High School Athletic Association in enforcing this policy during all FHSAA State Series contests at his/her facility.

3.12.1.9 Unauthorized Broadcast. A host school principal or contest manager who allows the broadcast of an FHSAA State Series contest that has not been approved by the FHSAA will subject his/her school, organization or facility to a monetary penalty to include payment of the appropriate rights fees and, for member schools, a financial assessment in the amount of $50 per game broadcast.

3.12.1.10 Liability Waiver. An outlet which broadcasts an FHSAA State Series contest must agree to hold the FHSAA and its member schools harmless because of any injury to person or property on the premises. The outlet must further agree to assume all responsibility for any damages which are a direct result of the activities of the broadcast. The outlet must also agree to defend all claims made against the FHSAA or its member schools for damages occasioned by the outlet of whatever nature.

Upon approval of an outlet’s broadcast application, the FHSAA will fax and/or e-mail to the outlet the approved application form signed by the Executive Director or his/her designee which grants the outlet permission to broadcast the contest. The approved application form will also be faxed and/or e-mailed to the host school principal or contest manager. An outlet’s broadcast crew should have a copy of the broadcast approval in its possession to ensure admission to the facility.

Administrator: Cristina Broska, ext. 250, cbroska@fhsaa.org

#### 4.1.1 Regular Season Procedures

##### 4.1.1.1 Rules of Competition

**4.1.1.1.1 Competition Rules.** NFHS Baseball Rules, as modified by the FHSAA, are the official playing rules for all baseball games. The following modifications to those rules have been adopted by the Board of Directors:

- 1-2-9. A double first base is permitted.
- 1-4-4. Commemorative or memorial patches may be affixed to jerseys upon written approval of the FHSAA Office.
- 2-33. Speed-up rules may be exercised by either or both head coaches without any need for agreement.
- 2-33. Addition. The designated hitter and the starting pitcher may be the same person. If the pitcher opts to bat for himself, he is treated as two separate positions – a pitcher and a designated hitter (abbreviated P/DH on the lineup card) – and may be substituted for as such (i.e. if he is removed as the pitcher, then he may remain as the designated hitter and vice versa). However, if a player who starts the game as a P/DH is relieved as the starting pitcher, he may not return to the mound even if he remains in the game as DH, and he may not play any other defensive position after being relieved as the pitcher.
- 3-3-1. Penalty. Coaches or players will not be restricted to the dugout for violations of g, h, i, j, k or l. If ejected, the coach will be removed from the coaching position and must exit the facility. When the head coach is ejected from the contest as a result of NFHS rule 3-3-1(g)(6), he/she will be ineligible for a minimum of the reminder of the contest in which he/she was ejected. Ejected players must remain in the dugout under the supervision of the head coach. Exception: For discovery of an illegal player (2-36-3) by an umpire or either team, the player shall be restricted to the dugout.
- 4-2-2. Ten-run rule is in effect.
- 4-2-4. A game that has been called because of weather, mechanical failure or other conditions in which a winner cannot be determined will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, subject to the rules of the game. A game that has been called because of weather, mechanical failure or other conditions after four-and-one-half innings or five innings have been completed will be declared a completed game.

In sub-varsity baseball games, no new inning shall start two and a half hours after the first pitch of the game. Any inning in progress shall be completed. Exception 1: in a game delayed by weather, the delay time shall be added to the two and a half hour timeframe. Example: Game starts at 3 p.m. and between the top and bottom of the third inning there is a 45-minute rain delay. No new inning will start after 6:15 p.m. Exception 2: in any non-doubleheader situation (i.e., another game is scheduled to follow the current game, if the score is tied after the two-hour time limit has reached, additional innings shall be played to resolve the tie. Exception 3: Saturday games.

- 4-5. The decisions of the game officials are final. No protests will be allowed.
- 6-1-6. A pitcher may not pitch more than 14 innings in a week (Monday through Saturday) and may never pitch more than 10 innings on two consecutive days. A pitcher may pitch a maximum of 10 innings on any one day.

**4.1.1.2 FHSAA Competition Rules.** While occupying the first base and third base coaching boxes, a coach must wear a non-earflap style helmet.

- 1-1-4 Note. Size of Officials Crew: Five (5) field officials and one clock operator will be used for all varsity football games. All first-round playoff games will consist of five (5) field officials and one clock operator. - 1-3-7, 3-6-1. Play Clock: If a visible 25-second clock is used it shall be operated by a registered official.
- 1-3-7. Wireless Microphone: Use of a “wireless microphone” by the referee is permitted as follows: (a) The head coach of both teams must agree to the referee’s use of the system prior to the start of the game; (b) Only the type foul and the distance penalty may be announced by the referee; (c) A player’s name, position or number may never be announced; and (d) The information is not announced until after the captain has made his decision to accept or decline the penalty.
- 1-5-2e. Artificial Limbs: The use of artificial limbs is authorized on an individual player basis. The school must provide the referee with written approval from the FHSAA Office.
- 1-5-3(b) Note 1. Hearing Impaired Players: Teams with hearing impaired player(s) may use a drum to establish cadence following the ready-for-play signal.
- 1-5-3c. Written Authorization: The specified written authorization must be according to NFHS Football Rules.

Clock operators will set the halftime clock at 17 minutes and will not start the clock until signaled by the referee after all team personnel have vacated the field. Once the 17 minutes have expired, an additional three minutes will be placed on the clock for the mandatory warm-up period.
- 3-1-1 Note. Overtime: The overtime procedure listed in the NFHS Rules Book is adopted for all contests in both the regular season and the state series. The FHSAA Office may waive the use of the overtime procedure in jamborees or preseason classics upon request of the host school principal, provided the request is based on the unanimous desire of all participating schools.
- 3-1-2. Mercy Rule: If one team is ahead by a margin of 35 points or more at the end of the second quarter, the head coach of the team that is behind may request of the referee a running clock. If, however, the differential in the score is 35 points or more at the end of the third quarter or at any point thereafter, the running clock shall become mandatory. Once the running clock is initiated, it shall run continuously with the exception of during any timeout taken by a team or officials, injuries, unsportsmanlike conduct penalties, a score by either team, and during the period between quarters.

- 3-1-5 Note. Length of Quarters: Games involving a mixture of players in grades 7, 8 and 9 will be played in 10-minute quarters.
- 3-2-1. Coin Toss: If the coin toss, or simulated coin toss, is held on the playing field, it must be held three minutes prior to the scheduled game starting time.
- 3-5-7h. Mandatory Water Breaks: The referee must call an uncharged, one-minute timeout at the clock stoppage nearest the half-way point of each quarter. Coaches may meet with their players during this timeout. This rule must be enforced in all games up to and including the FHSAA Football Playoffs, as well as in spring classic games and spring jamborees.
- 3-5-7l. TV Timeouts: TV timeouts may be authorized by the host school principal for regular season games. The FHSAA Office may authorize TV timeouts for contests in the state series as specified elsewhere in these regulations.

4.7.1.1.2 Schedules. Each member school may sign a maximum of seven (7) two-year contracts. Each member school must sign a minimum of three (3) one-year contracts. The Executive Director, upon request, may approve exceptions to this regulation to assist schools in scheduling games with out-of-state opponents.
Cancellations or Rescheduled Games. Every district game shall be played and completed by week 10 of the season. This shall be accomplished even if it requires the rescheduling or cancellation of non-district games. It, therefore, is important that all district games cancelled due to inclement weather be made up not later than Monday of Week 18. The FHSAA office is committed to protecting the integrity of the state series. Schools do not have the option to cancel a district game by agreement unless forfeiture is involved.

Forfeitures. Each contracted regular season game shall be played as scheduled unless it is canceled due to inclement weather (Policy 32). A school that fails to play a contracted game as scheduled shall forfeit the game and shall become ineligible to participate in the state series that season or a future season. Should this occur, all district games played by the school shall be considered non-district games, shall not count in the district standings, and shall be removed from the football district for the remainder of the classification cycle.

Medical Personnel. The FHSAA Board of Directors recommends that each host member school have a physician as well as an ambulance present or readily available for each game.

Pregame Warm-ups. A school’s team shall warm up in an area between the end line and the 45-yard line on the side of the field to which it is assigned for pregame warm-ups by the host school management. Enforcement of this policy shall be the responsibility of the host school management until the jurisdiction of the game officials begins. A violation of this policy shall be considered an act of unsporting conduct and shall be penalized pursuant to NFHS Rules.

Postseason Bowl Games.

A team that does not participate in the state series or participates in but does not qualify for the state series as a representative of its district may compete in a postseason bowl game exclusively on Wednesday, Thursday or Saturday of Week 20, provided the school meets the requirements stated herein.

A school that qualifies for the state series may not agree to play in a postseason bowl game.

A postseason bowl game hosted by a senior high school must have the approval of the FHSAA Office. Such games, however, cannot be approved by the FHSAA Office until the Monday of Week 19 or thereafter. An AT3 Form must be completed to sanction the event.

To be eligible to compete in a postseason bowl game, a school must meet the provisions of 4.7.2.3.1, must have played a representative schedule and must have a winning record (.500 or better) through the Monday of Week 19 or thereafter.

All NFHS Football Rules shall apply to postseason bowl games.

Schools shall schedule district football games according to the following schedule: 10th week, 8th week, 6th week, 4th week, 9th week, 7th week, 5th week, 3rd week, 2nd week and 1st week. District games shall not be scheduled on the 11th week.

A complete schedule, including any non-district games, must be submitted via C2C Schools by March 31.

District Standings. The FHSAA Office shall compute on a weekly basis the official standings for each district in each classification based on the game reports filed by member schools as required in 4.7.2.1.5. Official standings will be posted on FHSAA.org. It will be on the basis of these standings only that district champions and district runners-up will be determined. It is imperative that member schools report their game scores to the FHSAA Office each week in accordance with 4.7.2.1.5. In the event a member school wishes to challenge its win-loss record as recorded in the official FHSAA standings, the burden of proof will be upon the member school.

Only those varsity games played with other schools in a district shall count toward the district standings. If a school plays more than one varsity game with another school in its district, then only the first game will count in the district standings.

Breaking Ties.

(a) If two schools are tied for first place in the final district standings, the winner of the regular season game between the two schools shall advance to the regional tournament as the district champion and the loser of the regular season
game shall advance to the regional tournament as the district runner-up. If two schools are tied for second place in the final district standings, the winner of the regular season game between the two schools shall advance to the regional tournament as the district runner-up.

4.12.1 Regular Season Procedures

4.12.1.1 Rules of Competition

4.12.1.1.1 Competition Rules. NFHS Swimming & Diving Rules, as modified by the FHSAA, are the official rules for all swimming & diving meets, including the state series meets. The following modifications to those rules have been adopted by the Board of Directors.

- Whistles: The use of whistles as preparatory commands is the method for all starts at all levels of competition.
- 1-3-14, 3-2-3. Declared false starts: During state series events, no declared false starts are permitted.
- 2-3-1, 2-7-2. Water depth: In pools with a water depth at the starting end of less than five (5) feet, the start for all swimming events for all contestants must begin in the water. There will be no variances. In pools with a water depth of five (5) feet or more, starting platforms may be used in accordance with NFHS rules.
- 3-1-2. Entries by team in dual meets: Each team will be allowed a maximum of two entries per individual event and two relay events in a pool with five lanes or less; a maximum of three entries per individual event and one relay event in a pool with six or seven lanes; and a maximum of four entries per individual event and two relay events in a pool with eight lanes or more. Only two relay teams may score for each team in each relay event.
- 3-2-1. Entries by individual: A competitor will be permitted to enter a maximum of four (4) events, no more than two (2) of which may be individual events. Prelims and finals are considered the same event. If, however, a swimmer competes in only three (3) events in prelims, he/she could compete in those three events as well as an additional relay in finals provided he/she was designated on that relay entry card.
- 3-2-1(a). Exhibitions: Exhibition swimming & diving and/or practice diving during a meet is allowed if all head coaches involved in the meet agree, and determine which events will be exhibition swims. The athletes must be eligible and compliant with FHSAA rules and regulations.
- 3-2-3. Relay card procedures: Relay athletes are to be listed left to right in the order that they will swim. Relay teams are to present completed card to the lane timer at the time of the swim. Names may not be added after preliminary heats have been completed. Only the names listed on the prelim card (up to 8) are eligible to swim in the finals.
- 3-3-1. Uniforms: Any uniform that is used by a swimmer must cover ALL of the buttocks and must be made of a material that does not become transparent when wet. Any competitor in violation of this rule will not be allowed to enter into competition until the offending attire is replaced. If a competitor is found in violation of this rule after entering an event, the competitor will be disqualified from that event and will not be allowed to participate further until the offending attire is replaced.
- 3-3-3. Swimmers with Disabilities: A competitor with a disability may request specific accommodation(s) in the start, strokes, turns etc. which does not require equipment, providing the accommodation(s) does not fundamentally alter the sport and/or no advantage is gained. Disability is defined as a permanent physical or mental impairment that substantially limits one or more major life activities. The Referee has the authority to modify the rules for the competitor. Requests for accommodations that are not provided for in this section shall be requested through the FHSAA Office per NFHS Rule 3-3-3.

(a) Responsibilities.
- Swimmer — The swimmer (or the swimmer’s coach) is responsible for notifying the Referee, prior to the competition, of any disability of the swimmer. The swimmer/coach shall provide any assistant(s) or equipment (tappers, deck mats, etc.) if required.
- Referee — The Referee’s responsibilities include:
- Inquiring with regard to the swimmer’s needs and determining what modifications will be utilized.
- Instructing the Starter and Stroke & Turn officials as to the accommodations to be made for that swimmer.

(b) Modifications. Some of the modifications which the Referee may make to accommodate the swimmer with a disability are:
- A change in starting position.
- Reassignment of lanes within a heat, e.g., exchanging Lanes 2 and 7.
- Allowing the swimmer’s assistant(s) on the deck or in the water to assist with a start. Other allowable modifications are further described in this section under the type of disability.

(c) Use of ID card for swimmers with a disability. All swimmers with a disability, who have an International Paralympics Committee authorized classification, will be issued an ID card listing their specific International Paralympics Committee swimming rule exceptions on the reverse of the card. Swimmers shall be judged under these specific exceptions, when documentation is presented.
(d) Blind and visually impaired.
- Start — With an audible starting system, no modification is usually required for a blind or visually-impaired swimmer. They may, however, require assistance getting to and on the block. Should they feel insecure starting from the block or deck, an in-the-water start may be allowed.
- Turns and Finishes — A blind or visually-impaired swimmer is permitted to have a “tapper”, which is a pole with a soft-tipped end. The swimmer is tapped with the “tapper” as notification of turns and the finish. Sound devices shall not be used. It is the swimmer’s responsibility to provide the tapper(s) and operator(s), who shall be positioned within the confines of the swimmer’s lane at the ends of the pool.
- Relay Take-Offs — A physical touch may be required to signal the relay swimmer when his/her teammate has touched the wall. The specific method may be tailored to the swimmer’s preference so long as it does not aid the swimmer’s take-off or interfere with the timing.

(e) Deaf and hard of hearing.
- Deaf and hard of hearing swimmers may require a visual starting signal, i.e., a strobe light (when available) and/or Starter’s arm signals. The Referee may reassign lanes within the swimmer’s heat, i.e., exchanging one lane for another, so that the strobe light or Starter’s arm signal can more readily be seen by the deaf or hard of hearing swimmer. Standard Starter’s arm signals are shown in Figure 1. A recall rope is required in the event of a heat being recalled.
- Strobe light location (when available)— The Starter shall advise the swimmers about the location of the strobe light and the light shall be located where the swimmers can clearly see it for the start. For backstroke starts, the light should be positioned so that the swimmers don’t have to turn their heads to look backwards.

(f) Mentally impaired. A deck or in-the-water start is allowable and the swimmer may be permitted to have an assistant on the deck when necessary. No other specific rule modifications are required other than patience and clarity in communicating instructions.

(g) Physical disabilities.
- Start — Swimmers with physical disabilities: May take longer to assume their starting position;
- May not be able to hold onto the starting grips or gutter for a start;
- May need assistance on the deck or from in the water to maintain a starting position;
- May need to assume a modified starting position on the blocks, deck, gutter or in the water in order to maintain their balance.
- For freestyle, breaststroke and butterfly, a forward start (facing the course) shall be used. The Referee, however, may allow modifications such as the following:
  - The swimmer may start from a sitting position on the block or on the deck;
  - The swimmer may assume a starting position in the water, with or without assistance;
  - If the swimmer cannot use a hand and/or foot to maintain contact with the wall, some other part of the body may be used.
- For breaststroke and butterfly, after the start and after each turn, a swimmer who is unable to push off with the leg(s) may perform one asymmetrical stroke to attain the breast position.
- Stroke/Kick — In judging the stroke or kick of a swimmer with a physical disability, the Referee and Stroke &Turn Judge should follow the general rule that: if a part of the body is absent or cannot be used, it is not judged; if it is used during the stroke or kick, it should be judged in accordance with the NFHS rules and Regulations. Judgments should be made based on the actual rule — not on the swimmer’s technique. For example, the breaststroke swimmer with one arm or leg shorter than the other, may have a non-symmetrical stroke or kick, but as long as the arm or leg action is simultaneous, it would meet that portion of the rule. No flotation devices should be permitted.
- Turn/Finishes — Touches shall be judged in the same manner as strokes and kicks, i.e., on the basis of the arm(s) and/or hand(s) that the swimmer can use. In breaststroke and butterfly events, the swimmer must reach forward as if attempting a simultaneous two-hand touch. When a swimmer has a different arm length, only the longer arm must touch the wall, but both arms must be stretched forward simultaneously. Swimmers with no arms or with upper limbs too short to stretch above the head may touch the wall with any part of the upper body.
- Relays — Relay swimmers who cannot exit the water immediately may be allowed to remain in the lane until all relays have finished so long as they do not interfere with the other swimmers or the timing equipment.
- 5-4-5. Alternate Qualifiers: The next two highest non-qualifiers shall be named in order to guarantee a full complement of finalists. Alternate qualifiers shall be used provided there is no delay in the meet. During the state series, these alternates may be moved into the consolation finals. The final heats may be reseeded if the meet referee is notified prior to a lane vacancy and if time permits. Alternate qualifiers are not considered for advancement between the different levels of the state series.
• 8-1-1.2. Starts: All FHSAA events will utilize the NFHS Suggested Guidelines for Starters’ Protocol for whistle starts.
• 8-1-6. No Recall Procedures: No Recall Start Procedures will be conducted during all FHSAA swimming events. Meets are to be conducted according to the following protocol:
  (a) One Official.
     The official shall:
     • Upon observing a false start, raise a hand with open palm as soon as possible after the start, but before the swimmers have completed their first length, indicating the violation.
     • At the completion of the race, s/he shall notify the swimmer(s) and/or coach(es) of the disqualification.
  (b) Dual Confirmation.
     The referee shall:
     • Upon observing a false start, record in writing the lane or lanes that have committed a false start.
     • Compare written records with the starter and, upon confirming that both have observed the same violation, will disqualify the swimmer(s). S/he will also notify the swimmer(s) and/or coach(es) of the violation.
     The starter shall:
     • Upon observing a false start, record in writing the lane or lanes that have committed a false start.
     • Compare written records with the referee to confirm/not confirm the potential violation(s).
  (c) Recalling the Entire Heat. The starter/referee may recall the entire heat:
     • When the start is such that the starter/referee is not satisfied that the race was properly begun, it is always permissible for the starter/referee to recall the entire heat.
     • It is not necessary to charge any swimmer with a false start under these conditions, although that may also occur.
     • Things that negatively affect the start (such as a loud noise just as the starting signal is given that affects one or more swimmers) should be part of any starter’s awareness when commencing a race.

4.12.1.1.2 Order of Events. The order of events for all meets shall be the 200-yard medley relay, 200-yard freestyle, 200-yard individual medley, 50-yard freestyle, One-meter Diving, 100-yard butterfly, 100-yard freestyle, 500-yard freestyle, 200-yard freestyle relay, 100-yard backstroke, 100-yard breaststroke, 400-yard freestyle relay.

The Diving event may be the first event in the competition by prior mutual consent of competing teams.

4.12.1.1.3 Diving Competition. There shall be no minimum total degree of difficulty for optional dives. The degree of difficulty for all dives is listed in the NFHS Swimming & Diving Rules Book.

• NFHS Rule 9-4-6: Voluntary Dive Groups. The voluntary dive groups and the corresponding calendar week for the FHSAA Regular Season are as follows: Week 1 Forward; Week 2 Back; Week 3 Inward; Week 4 Twisting; Week 5 Reverse. In the case of a regular season meet that is postponed and subsequently rescheduled, the voluntary dive group that is required for the calendar week that the meet is rescheduled will be used. 4.13.1 Regular Season Procedures

4.13.1.1 Rules of Competition

4.13.1.1.1 Competition Rules. United States Tennis Association (USTA) Amateur Tennis Rules, as modified by the FHSAA, are the official rules for all tennis matches, except where it may be necessary to apply local rules due to circumstances or unforeseen conditions. To download a USTA “Friend at Court” rules book, see the link online at: http://www.usta.com/About-USTA/Officials/Officials/.

4.13.1.1.2 Match Format

(a) A team match must consist of five (5) singles matches and two (2) doubles matches. Singles matches must be listed as Divisions 1 through 5. Doubles matches must be listed as Divisions 1 and 2. Doubles matches may be played before singles if mutually agreed upon by the head coaches. The first team to win four (4) matches is declared the winner.

(b) Each singles match and doubles match will be determined by the best two-of-three (2-of-3) sets. The advantage point system will be used to determine matches. An individual or doubles team that wins six games and is leading by two games will be declared the winner of the set. A traditional (not Coman) 7-point set tie-break will be used when individuals or doubles teams wins six games in any set. The first individual or doubles team to reach seven points and is leading by two points will be declared the winner of the set. A 10-minute rest period is mandatory between the second and third sets in all matches that require a third set to be played. Players requesting new balls for a third set must furnish the new balls. Schools may agree prior to the start of the match to use an optional deciding Match Tie-Break (10 points, win by two) in lieu of the deciding final set. There is not a 10-minute rest period before a Match Tie-Break.

(c) If facilities are inadequate or time is a factor, a pro set may be substituted by mutual agreement of both coaches. The winner will be required to win by two or more games (i.e. 8-6, 9-7, etc.). Schools may agree prior to the start of the pro-set match to use a deciding Match Tie-Break (10 points, win by two) when games are tied at eight-all.

(d) Each school must enter its players in matches according to their established rank and position on the team. Stacking is not permitted. If the No. 1 singles player participates in doubles, he/she must play on the No. 1 doubles team. Players who participate in doubles only will be permitted to compete during regular season matches and invitational tournaments. A written singles lineup (Form TN1) must be exchanged between coaches prior to the start of the match. Players must play in order of ability. The line-up must always be based on order of ability. “Matching up” is prohibited. In singles, players must compete in order of ability with the best player on the team playing at the No. 1 position, the second best at No. 2 and so on through all positions. In case of injury, sickness, or absence, all players must move up. This rule will apply to doubles play with the strongest doubles team at No. 1, etc. No changes shall be made after the lineups have been exchanged and the first ball has been played, including warm-ups.

(e) When a school does not have five singles players, it shall forfeit singles matches beginning with Division 5 and proceeding upward to Division 1. (Example: If a school has only four singles players, it shall forfeit the Division 5 singles match; if a school has only three singles players, it shall forfeit the Division 4 and 5 singles matches; if a school has only two singles players, it shall forfeit the Division 3, 4 and 5 singles matches; if a school has only one singles player, it shall forfeit the Division 2, 3, 4 and 5 singles matches.) When a school does not have two doubles teams, it shall forfeit doubles matches beginning with Division 2 and proceeding upward to Division 1. (Example: If a school has only one doubles team, it shall forfeit the Division 2 doubles match).

(f) Exhibition or practice play during a match is strictly prohibited. Only those students who are properly entered shall participate in a match. This does not prohibit the playing of junior varsity matches in conjunction with a varsity match.

4.13.1.1.3 Coaching & Advice During Competition. The head coach may communicate with his/her player(s) through the fence but must not enter the court. Communication must not delay or interfere with the continuation of play. Coaching by other players, assistant coaches, parents or spectators during play and between games or sets during a match is prohibited. In circumstances where two sites are simultaneously used for competition, the head coach may designate an assistant coach to serve as the “acting head coach” at one of the sites. The head coach must identify this individual to the tournament manager or host school.

4.13.1.1.4 Code of Conduct. A player who is defaulted from a match due to unsportsman conduct must be reported by the event manager to the FHSAA Office using the “Unsporting Conduct Incident Report” (Form AT6). The provisions of the FHSAA “Policy on Unsporting Conduct” will apply. The home or host school will be in charge of the match or tournament and the administration of the Code of Conduct. Both coaches in each match must monitor the match for violations of this Code of Conduct, and must ensure the proper conduct of his/her players. Players leaving the court area for an unauthorized reason is not permitted. If a USTA official is present, the player may not leave the playing area without the official’s permission. In matches without an official, the player must secure the permission of the coach to leave the playing area. Only a coach or USTA-certified official should be used to officiate a disputed match. Parents should never be placed in this capacity. If neither coach witnesses the unsporting behavior of a player, it will be reported to the offending player’s coach and a warning will be issued. The following acts constitute improper conduct and will be penalized as indicated:
(a) Any of the following offenses (1 - 5), either singly or collectively, results in a penalty point; a second offense results in a game penalty; a third offense results in a default:
   (1) Visible or audible profanity;

   (3) Ball abuse;
   (4) Coaching by parents or spectators.
   (5) Leaving the playing area for an unauthorized reason.

Carry-over of code violations occurring after a match is over to player’s next match:
(c) If a player commits a code violation after his singles match is over, the penalty shall be assessed:
   (1) at the start of his next singles match; but
   (2) if he has been eliminated from all singles competitions, then the penalty will be assessed at the start of his next doubles match.

(d) If a player commits a code violation after his doubles match is over, the penalty shall be assessed:
   (1) at the start of his next doubles match; but
   (2) if he has been eliminated from all doubles competitions, then the penalty will be assessed at the start of his next singles match. (Note that in this case the penalty will be assessed against only the player who committed the violation and not against both team members.

4.13.1.1.5 Attire

(a) Players and coaches must be in proper attire at all times at the match site. Players must wear appropriate tennis apparel. During regular season competition only, all members of a team shall begin their respective matches dressed in shirts (i.e. collared tennis shirts, T-shirts, etc.), or one-piece outfits for girls, which are similar in color and style, so as to identify them as members of their school’s team. Boys are permitted to wear sleeveless “Nadal-style” tennis shirts. Players may change shirts between games and at the end of a match. Otherwise, shirts must be worn at all times while at the match site.

(b) Caps, hats or visors may be worn. Headbands made of cloth, elastic fiber or rubber are also permissible provided they are unadorned and no wider than two (2) inches. Bandannas worn as head coverings are not permitted.

   • Determine playoff site if a tie for the district championship exists at the conclusion of the tournament.
   • Determine if USTA-certified officials should be used and set their compensation. It is recommended, but not required, that districts secure USTA-certified officials for their tournaments. Please contact USTA-certified officials well in advance to allow for planning. Contact information can be found in 4.13.4

   (2) Time Schedule. To be determined at district meeting.
   (3) Site. To be selected at the district meeting.

(b) Sub-District Tournaments. Sub-district tournaments are part of the district tournament and are subject to all regulations pertaining to district tournaments. Sub-district tournaments may be played during the dates of the district tournament.
   If a sub-district tournament is to be played, the team winner, Division 1 singles winner and Division 1 doubles winner from each sub-district will advance to the district tournament finals to compete for the district championship in the respective categories. Division 1 Singles winners and Division 1 Doubles winners will compete for individual championships unless those championships are determined during the team championship match.

(c) Seeding and Bracketing. See district tournament bracket online at FHSA.org. Each district will seed and bracket its district tournament at a pre-tournament meeting of coaches in accordance with the procedure approved at the district tournament planning meeting. Players will be seeded in all divisions. Criteria for seeding will include a player’s record in regular season team and tournament play, and his/her position in the most current Tennisrecruiting.net rankings. Documentation such as current USTA Florida sectional/state rankings, USA national rankings and international (ITF) rankings must be provided by the coach to validate credentials of players for seeding. Other rankings to be considered are:

(5) One spotter is mandatory.

(6) The spacing of the hands on the bar must not exceed 32 inches measuring between the forefingers.

If the lifter cannot fully stretch his/her arm due to an anatomical defect of his/her elbow, he/she must report this fact to the three referees before the beginning of the competition.

(8) The Chief Referee’s signal must be given when the bar is absolutely motionless on the chest.

(9) When the Chief Referee gives the verbal signal, “Press,” the bar must be pressed vertically to straight arm’s length and held motionless in that position until the Chief Referee gives the verbal signal, “Rack,” ending the attempt at which time the lifter may replace the bar with assistance from the spotter.

(b) Disqualification or “No Lift.” Actions that will result in the disqualification of a lifter’s attempt are:

(1) Failure to observe the referee’s signals at the completion of the lift.

(2) If at any point the head or buttocks lose contact with the flat bench surface, the attempt would be rendered no-lift. Movement of the toes and/or sliding of the feet are prohibited.

(3) Heaving or bouncing the bar off the chest.

(4) Allowing the bar to sink into the chest after receiving the referee’s signal.

(5) Any uneven extension of the arms at the completion of the lift.

(6) The bar or either hand stopping in the course of being pressed out.

(7) Contact with the bar by the spotter-loaders between the referee’s signals.

(8) Any contact of the lifter’s feet with the bench or its supports.

(9) Deliberate contact between the bar and rest uprights during the lift to make the press easier.

4.17.1.1.10 Clean and Jerk.

(a) Procedure for the Clean

(1) The bar must be placed horizontally in front of the lifter’s legs. It must be gripped, palms downward and pulled in a continuous single movement from the ground to the shoulders while either “splitting” or bending the legs. Once the bar passes the height of the knee, it is considered an attempt. During this continuous movement, the bar may contact the thighs and lap. The bar, however, must not touch the chest before the final position; it must then rest on the clavicles or the chest above the nipples or on the arms fully bent. The feet must be returned to the same line, legs straight, before performing the Jerk. The lifter may make this recovery in his/her own time and have his/her feet on the same line, parallel to the plane of his/her trunk and the barbell. If the lifter cannot fully stretch his/her arm due to an anatomical defect of his/her elbow, he/she must report this fact to the three referees before the beginning of the competition.

(2) The technique known as “hooking” is permitted. It consists of covering the last joint of the thumb with the other fingers of the same hand at the moment of gripping.

(3) When cleaning in the “squat” or “split” position, the lifter may help his/her recovery by a swinging or rocking movement of his/her body. More than one recovery attempt is allowed.

(4) Touching the bar against the legs below the knees is permissible.

(b) Disqualification or “No Lift” in the Clean. Actions that will result in the disqualification of a lifter’s attempt are:

(1) The referee must count as “no lift” any unfinished attempt at pulling in which the bar has reached at least the height of the knees.

(2) Pulling from the “hang” is not permitted.

(3) Touching the ground with the knee or buttocks or any part of the body other than the feet is not permitted.

(4) While cleaning in the “squat” position, touching of the knees or thighs with the elbows or upper arms is not permitted and results in a “no lift.”

(5) In cleaning, if the bar touches the thighs with a visible stop, the attempt will be declared “no lift.” If, however, during the pull the bar contacts the thighs without stopping, the attempt will be legal.

(6) Any clean in which the bar is placed on the chest before turning over the elbows will render the attempt “no lift.”

(7) Leaving the in-bounds platform area during the execution of the lift is not permitted. A lifter who steps on any part of the boundary line is considered out-of-bounds.
(c) Procedures for the Jerk
(1) The lifter must bend the legs and extend them as well as the arms so as to bring the bar to the full stretch of the arms vertically extended. The feet must be returned to the same line; arms and legs extended, and await the Chief Referee’s signal to replace the bar on the platform. The Chief Referee must give the signal as soon as the lifter becomes absolutely motionless in all parts of the body. After the Clean and before the Jerk, the lifter may assure the position of the bar. This does not grant a second movement to the lifter, but allows him/her (i) either to withdraw his/her thumbs or to “unhook” if he/she has used this method; (ii) or if the bar is placed too high and impedes his/her breathing or causes a pain, to lower it in order to rest it on his/her shoulders; or (iii) to change the width of his/her grip. If the lifter cannot fully stretch his/her arm due to an anatomical defect of his/her elbow, he/she must report this fact to the three referees before the beginning of the competition.

(2) After the Chief Referee’s signal to replace the bar, the lifter must lower the bar in front of his/her body and not let it drop either deliberately or accidentally. He/she may release his/her grip on the barbell when it has passed the level of the waist.

(3) In the second phase of the Clean and Jerk, the second movement must be a Jerk. A jerk press must not be permitted.

(d) Disqualification or “No Lift” in the Jerk. Actions that will result in the disqualification of a lifter’s attempt are:
(1) Any effort of jerking which is not completed will render the attempt “no lift.”
(2) Any deliberate oscillation of the bar to gain advantage or extending to the toes before the dip will render the attempt “no lift.”
(3) Uneven or incomplete extension of the arms at the finish of the lift will render the attempt “no lift.”
(4) A pause during the extension of the arms will render the attempt “no lift.”
(5) Finishing with a press out will render the attempt “no lift.”
(6) Bending and extending the arms during the recovery will render the attempt “no lift.”
(7) Leaving the in-bounds platform area during the execution of the lift will render the attempt “no lift.” A lifter who steps on any part of the boundary line is considered out-of-bounds.
(8) Replacing the bar on the platform before the referee’s signal will render the attempt “no lift.”
(9) Dropping the bar from above the waist after the Chief Referee’s signal to replace the bar will render the attempt “no lift.”
(10) Failing to finish with the feet and the barbell in line and parallel to the plane of the trunk will render the attempt “no lift.”
(11) Failing to finish with the feet and the barbell within the boundaries of the platform at initial contact (e.g. the complete barbell has to touch the platform first) will render the attempt “no lift.”
(12) After a successful jerk, a lifter, if injured during the lift, may have two spotters assist him/her in lowering the bar to his/her shoulders. Spotters may then take control of the bar and lower it to the platform. This becomes a “no-lift.”

4.17.1.1.11 Resolving Ties. In case two or more competitors should record the same total weight lifted at the end of competition, an official will refer to the scorer sheet to determine the lighter or lightest of those involved. If the tied competitors weighed the same at weigh-in, those lifters will immediately be taken from the lifting area to the nearest scales, by an official to be reweighed. The lighter or lightest competitor will be awarded the higher place and points. This procedure will be followed until all ties are resolved. If the weight is the same, those lifters’ places and points will be divided.

4.17.1.1.12 Regular Season Competition. Competition between schools assigned to a district, other than in qualifying meets, is not required during the regular season.

4.17.1.1.13 Officials.
(a) Number. Three (3) officials must be in attendance at each platform. The officials must include a Chief Referee and two Side Referees.
(b) Responsibilities
(1) The Chief Referee is responsible for reporting sportsmanship issues on his/her platform.
(2) The Chief Referee must give an audible and visible signal at the start and completion of each lift. He/she must be seated in front of the platform.
(3) Before the meet, the Chief Referee must verify:
   (a) That platforms and equipment meet specifications;
   (b) Scales are accurate;
   (c) Lifters weigh in during the time specified for their weight category;
   (d) That uniforms, belts and bandages are legal.
During the competition, the Referees must ascertain that:

(a) The weight of the barbell agrees with the weight announced by the Chief Referee;
(b) Nobody but the lifter handles the barbell during the execution of the lift; and
(c) Only the lifter or the loaders move the barbell to a new position on the platform.

All signals by the officials (lights, hands, board, etc.) for a good or bad attempt must be given simultaneously on the Chief Referee’s command “Signal.” In the event safety of the lifter becomes a concern, the Chief Referee has the authority to stop the attempt.

The referees must indicate their judgment of the lift by giving signals. A “good lift” is signified by one of three ways – white lights, a thumbs up or a green board. A “no lift” is signified by red lights, a thumbs down or a red board.

After the completion of each lift, the Chief Referee must make known the referees’ decision, if there is no system of lights. He/she consults with the other two referees and announces the decision resulting from his/her own and from those of his/her colleagues by announcing “good lift” or “no lift.” He/she does not have an over-riding vote.

When the Chief Referee gives an audible signal “press” in the bench press, the bar is pressed vertically to straight arm’s length and held motionless until the Chief Referee’s audible signal “rack” to replace the bar.

After the completion of the clean and jerk, the Chief Referee must say “down” while at the same time motioning downward with an extended arm. However, the lift isn’t complete until the bar is returned under control to the platform.

A referee must not attempt to influence the decision of another referee.

The decisions of the officials are final. No protests will be allowed. However, when there is a referee’s decision contrary to the technical rules, the Jury of Appeals, by unanimous vote, has the right to grant another attempt to the lifter. This attempt will be executed by the lifter before the attempt of the following lifter.

A member of the Jury of Appeals whose team or individual lifter is a party to an appeal must step down and be replaced until the appeal is concluded. The decision of the Jury of Appeals will be final. The Jury of Appeals may not set aside any rule.

When the decision of a referee is contrary to the technical rules of competition, the Jury of Appeals by unanimous vote may grant the lifter another attempt. The lifter must make this attempt before the attempt of the next lifter.

If a ruling by the Jury of Appeals is requested, the Jury of Appeals must report their ruling to the Technical Controller. It is then the responsibility of the Technical Controller to notify the Head Coach of the student-athlete(s) involved the official ruling of the Jury of Appeals. The decision of the Jury of Appeals is final. No protests will be allowed.

Administrator: Dale Klaus, ext. 390, dklaus@fhsaa.org

4.18.1 Regular Season Procedures

4.18.1.1 Rules of Competition

4.18.1.1.1 Competition Rules. NFHS Wrestling Rules, as modified by the FHSAA, are the official rules for all wrestling matches and tournaments. The following modifications to those rules have been adopted by the Board of Directors.

- 3-2-1. Use assistant referee during competition.
- 4-3-2. The use of artificial limbs.
- 4-4-4. 2-pound growth allowance.
- 8-1-5c and Penalty Chart. Ejection of coach: the coach is suspended from the remainder of the match or tournament day and must leave the premises. Additionally, the coach is suspended for the next seven days and a minimum of two matches.
- 10-1-2. Videotaping guidelines: A visiting school may film or videotape its team’s or contestants’ performances in a contest when permission is secured from and arrangements are made with the host school principal. No representative of a school that is not participating in a contest may film or videotape all or any part of the contest unless permission to do so is granted by the principal of each school that is participating in the contest. (See Section 4.18.3 for regulations pertaining to state series contests.)

4.18.1.1.2 Weight Classifications

(a) All tournaments and meets will be limited to competition in the following 14 weight classifications:

<table>
<thead>
<tr>
<th>Weight Class</th>
<th>106 Pounds and Under</th>
<th>138 Pounds and Under</th>
<th>182 Pounds and Under</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>113 Pounds and Under</td>
<td>145 Pounds and Under</td>
<td>195 Pounds and Under</td>
</tr>
<tr>
<td></td>
<td>120 Pounds and Under</td>
<td>152 Pounds and Under</td>
<td>220 Pounds and Under</td>
</tr>
<tr>
<td></td>
<td>126 Pounds and Under</td>
<td>160 Pounds and Under</td>
<td>285 Pounds and Under</td>
</tr>
<tr>
<td></td>
<td>132 Pounds and Under</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

(b) A student cannot wrestle more than one weight class above the weight class in which his actual weight places him, and must never wrestle in a weight class below his/her minimum certified weight class. The growth allowance and consecutive-days rule both apply to the 285-pound division.

(c) A school will be limited to one contestant in each weight classification for varsity tournaments. In sub-varsity tournaments, however, a school may enter multiple contestants per weight class with one of the contestants in the weight class designated as the team scorer.

(d) A student cannot wrestle in more than one weight class in any match.

4.18.1.1.3 NWCA Pre-Match Weigh-in and Match Results. All coaches are required to submit the National Wrestling Coaches Association (NWCA) online “Pre-Match Weigh-in Form” with the exact weight of each wrestler prior to each regular season or tournament match and must submit online the “Dual Meet & Tournament Reporting Form” before the next competition.

4.18.1.1.4 Growth Allowance. The FHSAA Board of Directors has adopted use of the 2-pound growth allowance as permitted in National Federation Rule 4-4-4. Beginning on and including December 26, each weight class will be permitted a 2-pound growth allowance. This regulation is intended to encourage wrestlers to increase their strength, and thereby their muscle mass; and to discourage wrestlers from crash dieting to reduce weight so as to remain eligible in a lower weight class. Coaches and athletes are encouraged to use this provision accordingly.

Q: If a wrestler is certified for a minimum weight of 107.5, would he qualify for the 106 weight class when the two-pound growth allowance comes into effect?
A: No. The growth allowance may not be used to achieve a lower minimum certified minimum wrestling weight for a wrestler. In order to utilize the growth allowance, a wrestler shall compete at “scratch weight” in the desired weight class at least once prior to the district tournament.

Q: If a wrestler is assessed, and the lowest he can go is 156, can he go 152 for districts?
A: No. The growth allowance may not be utilized to achieve a lower certified minimum wrestling weight.

4.18.1.1.5 Certification of Minimum Weight. Each individual wrestler must have his/her minimum weight class certified by using the NWCA internet-based Optimal Performance Calculator no later than the first day of wrestling practice, Monday of Week 20. To register, go to www.nwcaonline.com. [Note: See 4.18.3 for further information.] NWCA membership has been processed for each school with a wrestling program. No further action is required.

4.18.1.1.6 Weigh-Ins.

(a) Wrestlers must weigh in not more than one (1) hour prior to the scheduled starting time of the dual match in which they will compete or a maximum of two hours before the first session of each day for an individually bracketed tournament.
4.18.1.1.7 Multi-School/Tournament Weigh-In Procedures.

(a) The FHSAA requires a minimum of three officials (five is preferred) be present at all tournament weigh-ins. In addition, the host schools shall provide necessary adult personnel to serve as assistants to the head official. The head official will ensure that all NFHS and FHSAA rules and regulations are followed.

(b) All wrestlers must be in the staging area at the time the weigh-in is scheduled (monitored by an adult volunteer or 4th official).

(c) Wrestlers are required to be dressed in their school issued singlet. Wrestlers must also have a suitable undergarment, as defined by the NFHS rule 4.5.7 for the purpose of weighing-in (wrestling, gym or other type shorts are not considered a “suitable undergarment”). Each wrestler will wear a pair of slip on/off shoes or wrestling shoes for reporting to the scales. Wrestlers are required to have their hair and “Wrestler Skin Condition Examination Report Form (WR2) if required with them.
(d) The caller will call each weight class in order, beginning with the 106 pound class unless the weigh-ins are being conducted by team, in which case the order of teams will be determined by the tournament director. (usually in order by time of arrival)

(e) Line-up area: Each weight class or team will move to the line-up area where the arranger will place the contestants in bracket order or weight class order if the weigh-ins is being conducted by team.

(f) Scale Room (registered officials only): each weight class or team will move to the scale room. The wrestlers will put their gear on the chairs and remove their singlet and shoes. No taping, pads, or braces are allowed during the weigh-in. The first official will check for nails, skin, hair, etc. according to NFHS rule 4.2. The WR2 if necessary, will be presented to the official at this time for review. Any deficiencies should be documented. The second official will monitor the scale, recording the exact weight of all of the wrestlers. At the regional or state tournaments the exact weights will be recorded on the official tournament bracket sheets. For all tournaments, the official will be responsible for writing the weight/weight class of the wrestler on his/her wrist or shoulder, as designated by the head official with a marker.

(g) Second or third day weigh-ins will follow the same procedure as defined above. A different color marker will be used each day.

4.18.1.1.8 Skin Conditions.

(a) A member school wrestler who exhibits a skin condition(s) of a potentially infectious nature must be examined by a physician before he/she is permitted to participate in competition.

(b) A wrestler with a questionable skin condition must secure from his/her head coach the “Wrestler Skin Condition Examination Report Form” (Form WR2) to present to the physician at the time of the examination. This form must be used by the physician to document that he/she has examined the wrestler’s skin condition(s) and determined that it is not infectious. The wrestler must return the form signed by the physician to the head coach following the examination. The original form which is marked and signed by the physician must be presented by the head coach to the official at the weigh-in for his/her inspection. A photocopy of the form must also be given to the official for his/her records. The original form, however, must be retained by the head coach.

(c) A “Wrestler Skin Condition Examination Report Form” (Form WR2) signed by a physician is valid for a maximum of seven (7) days from the date of the examination unless otherwise indicated by the physician. After that time, the wrestler must obtain a new form from the physician if his/her skin condition is still present. The form is valid only for those areas of the wrestler’s body marked on the form by the physician. If the official observes any questionable area(s) not marked by the physician on the form, the wrestler will not be allowed to participate.

4.18.1.1.9 Disinfection of Wrestling Shoes. Home team management is required to provide a bottle of disinfecting product so that wrestlers and referee’s spray the bottom of their shoes, wipe them off with a towel, and then step onto the mat. Disinfecting product will be located at the Scorer’s Table of each mat.

4.18.1.1.10 Injury. During an injury timeout, both wrestlers must remain on the mat. The referee will position himself/herself at the scorer’s table.

4.18.1.1.11 Biting. The Board of Directors has defined the intentional biting of an opponent by a wrestler during a meet, as judged by the official, as gross unsportsman conduct. A wrestler who commits a violation involving biting will be ejected from the meet and suspended from further interscholastic athletic competition for a period of one year according to the provisions of the FHSAA “Policy on Unsportsmanlike Conduct.”

4.18.1.1.12 Medical Personnel. The FHSAA Board of Directors recommends that each host member school have an athletic trainer and a physician present or readily available for each match and tournament.

4.18.1.1.13 Athletic Uniforms. Uniforms must be in compliance with National Federation Rule 4-1. A wrestler competing in a dual meet or tournament must be in proper uniform at all times while he/she is in public view. The penalty for violation of this regulation is the deduction of one (1) team point.

4.18.1.2 Regular Season Tournaments

4.18.1.2.1 May be categorized as either dual-team tournaments (competition is team vs. team) or individually bracketed tournaments (competition is bracketed by weight class);

4.18.1.2.2 May have a maximum of 32 teams (invitational tournaments exceeding 32 teams are subject to conditional approval by the Executive Director);

4.18.1.2.3 May have single-elimination, double-elimination, team round-robin or team pool-play formats;

4.18.1.2.4 Must not allow any match to begin later than 10 p.m. on any day;

4.18.1.2.5 Must allow a minimum of 10 hours to elapse between the end of the last match of one day and the beginning of weigh-ins the following day; and

4.18.1.2.6 Must begin and end within the same one week (Monday-Saturday) unless held during a holiday period.
The following additional minimum requirements have been established for individually bracketed tournaments:

4.18.2.3 Tournament Regulations
4.18.2.3.1 Squads. At the regional tournaments and FHSAA Finals, a participant pass will be issued to each athlete who qualifies to the tournament. In addition, for those schools that have qualifiers for the regional tournament and/or FHSAA Finals, coaches will be issued passes as follows:
- One to three participants – One head coach and one assistant coach.
- Four to seven participants – One head coach and two assistant coaches.
- Eight or more participants – One head coach and three assistant coaches.

No team student managers or student athletic trainers will receive participant passes.

Participant and coach passes will not be transferable and will entitle those persons who receive such passes access to the mat areas.
4.18.2.3.2 Warm-up Uniforms. All wrestlers must wear school-issued warm-ups while on the arena floor, during the national anthem and during their participation in awards presentations and photograph sessions. Wrestlers must not wear hats, sunglasses, cutoffs, altered clothing, clothing displaying advertisements, jewelry and cosmetic paraphernalia on the arena floor or during awards presentations.

4.18.2.3.3 Seeding and Bracketing

(a) District Tournaments. Each district will seed and bracket its district tournament in accordance with the procedure as outlined in NFHS Rule 10 after the weigh-in has been completed. Brackets will be crossed in the quarterfinal round or semifinal round (8 teams or less) to better ensure that the best four wrestlers in each district tournament advance to the regional tournament. See the wrestling page on the FHSSAA Website for a sample bracket.

(b) Regional Tournaments and FHSSAA Finals. All regional tournaments and the FHSSAA Finals will be seeded according to the formula developed by the FHSSAA Office. The wrestleback will be used. A consolation match for fifth place and sixth place in each weight class will be contested at the FHSSAA Finals only. Brackets will be crossed in the quarterfinal round in each regional tournament to better ensure that the best four wrestlers advance to the FHSSAA Finals; and in the FHSSAA Finals to better ensure that the best six wrestlers in each weight class medal. See the wrestling page on the FHSSAA Website for a sample bracket.

4.18.2.3.4 Verification of Weight Class. The head coach of each entrant in a district tournament and regional tournament must make available his/her school’s NWCA Pre-Match Weigh-in forms, with actual weights recorded for each of his/her school’s entrants in the event of a challenge to an entrant’s weight class. An entrant whose weight class is questioned and whose head coach does not have available his/her school’s NWCA Pre-Match Weigh-in forms shall be subject to disqualification. Any challenge to an entrant’s weight class in a district tournament must occur during the district tournament seeding meeting. Any challenge to an entrant’s weight class in a regional tournament must occur during the regional tournament scratch meeting.

4.18.2.3.5 Failure to Appear

(a) District Tournaments. If a school has an individual wrestler weigh in for a weight class and then fails to enter that individual wrestler in the appropriate weight class, the match in which the individual wrestler was scheduled to compete will be declared a forfeit and will be scored accordingly.

(b) Regional Tournaments and FHSSAA Finals. If a wrestler qualifies for a regional tournament and/or the FHSSAA Finals and fails to compete, his/her opponent will be declared the winner by forfeit and will advance to the next round. Points will be awarded in accordance with NFHS Rules. Any weight class that does not have an entry will be declared a forfeit. Points will be awarded in accordance of the NFHS rules.

(c) A school that permits a wrestler to qualify from the district tournament to the regional tournament and/or from the regional tournament to the FHSSAA Finals who fails to participate for reasons other than illness, injury, suspension due to disciplinary action or for any other reason acceptable to the Executive Director will be considered in violation of FHSSAA Rules and Regulations.

4.18.2.4 Russell A. “Russ” Mauger Award. The Russell A. “Russ” Mauger Jr. Mental Attitude Award will be presented to the one wrestler who, in the opinion of his fellow wrestlers, their coaches and tournament officials – displays the most outstanding sportsmanship, leadership and integrity during state tournament competition.

4.18.3 Florida Weight Management Plan Optimal Performance Calculator (OPC)

The establishment of a certified minimum wrestling weight based on seven percent body fat for males and 12 percent for females is required for all high schools. The FHSSAA does not advocate that a wrestler’s established certified minimum wrestling weight is the athlete’s best weight, but simply the minimum weight at which the athlete will be allowed to compete.

The FHSSAA will utilize the NWCA Optimal Performance Calculator (OPC) as the mechanism to calculate the certified minimum weight for each wrestler and as the data reporting and retrieval tool for all member schools sponsoring wrestling. Each FHSSAA member school with a wrestling program is required to join NWCA no later than the first day of wrestling practice (October 22). The NWCA website may be located at www.nwcaonline.com. The FHSSAA will bill each school a $30 NWCA membership fee for use of this online database.

4.18.3.1 Establishing Certified Minimum Weights

(a) Bioelectrical Impedance or skinfold measurements will be utilized to determine each wrestler’s body fat percentage. Only measurements taken by persons who are certified FHSSAA Assessors will be accepted. Schools can access a list of FHSSAA certified assessors at FHSSAA.org. It is the responsibility of the school to contact an assessor from this list and arrange a time to have the wrestling squad measured. No wrestler may compete until the athlete has had a certified minimum wrestling weight determined by the NWCA Optimal Performance Calculator and he/she appears on the school’s Pre-Match Weigh-in form. Once a wrestler competes at a weight class allowed by the weight loss plan, the option to appeal is voided.

(b) The lowest weight class a wrestler may compete at will be determined as follows:

(1) If the certified minimum weight, at seven percent or 12 percent body fat, is exactly that of one of the adopted NFHS weight classes, that weight shall be the wrestler’s minimum weight class.
(2) If the certified minimum weight, at seven percent or 12 percent body fat, is less than one pound from one of the adopted weight classes, that weight class shall become the wrestler’s minimum weight class.

(3) If the certified minimum weight, at seven percent or 12 percent body fat, is greater than or equal to one pound from one of the adopted weight classes, the next higher weight class shall be the wrestler’s minimum weight class.

Note: The allowance referenced Part I(b) (2 and 3) applies only to the calculation of the certified minimum weight class for a wrestler. The allowance is not applicable to the weights referenced in the weekly weight loss plan.

4.18.3.2 Time Period For Measurements

(a) No wrestler may compete until they have participated in an initial assessment and their name and data are included on the school NWCA Pre-Match Weigh-in Form.

(b) A wrestler who competes at a weight class allowed by his/her weight loss plan before or during an appeal has accepted his most recent assessment and voids all appeal options allowed within this policy.

(c) Assessments may begin on the first practice date allowed by the FHSAA (October 24). Wrestlers may be measured any time on or following this date to establish a minimum wrestling weight. All wrestlers, including those coming out late, must have their minimum wrestling weight established prior to competing.

Q: Is it okay to wrestle a preseason classic without having wrestlers assessed for the NWCA Optimal Performance Calculator?

A: No. Each wrestler must be assessed prior to the first contest (dual meet or tournament). A Pre-Match Weigh-in form (printed from the NWCA web site is required for weigh-ins prior to each contest.

(d) The specific gravity of the urine will determine whether a candidate may participate in an assessment on any date. A specific gravity result of less than 1.025 is required in order to participate in the body fat assessment. Any wrestler not passing the urine specific gravity test must wait a minimum of 48 hours in order to be retested.

(e) The Saturday prior to the District Tournament (January 26) is the deadline to establish a certified minimum wrestling weight.

(f) Unusual situations must be arranged with the FHSAA in writing before deadline or due dates.

4.18.3.3 School Responsibilities For The Measurement Process

(a) It is the school’s responsibility to contact and contract with an FHSAA Certified Assessor from the list provided by the FHSAA.

(b) Schools contracting with an FHSAA Certified Assessor will be required to have available at the time of assessment:

(1) Bioelectrical Impedance/skinfold measurement assessment data forms.

(2) Plastic collection cups to conduct urine specific gravity test.

(3) Reagent strips or refractometer for urinalysis (i.e. Ames Multistix, 8SG or 10SG, 2304A or equal)

(4) Four adults (coach, teacher, AD, parent, etc.) who will:

(a) Assist with measuring height (in cm)

(b) Assist with the recording of data.

(c) Assist with urine specific gravity testing (specimen collection).

(c) Bioelectrical Impedance or skinfold measurement assessments shall not be conducted by any active wrestling coach at any level.

4.18.3.4 Wrestlers Below Seven Percent Or 12 Percent Body Fat. Prior to competition, any male wrestler whose body fat percentage at the time of his initial assessment is below seven percent must obtain in writing a licensed physician’s (M.D. or D.O.) clearance stating that the athlete is naturally at this sub-seven percent body fat level. This written clearance shall be attached to the student’s physical exam form. In the case of a female wrestler, written physician’s clearance must be obtained for an athlete who is sub-12 percent body fat. A physician’s clearance is for one season duration and expires March 15 of each year. The sub-seven percent male or sub-12 percent female, who receives clearance, may not wrestle below their actual weight class at the time of assessment by the FHSAA wrestling assessor.

4.18.3.5 Growth Allowance

(a) The Florida Weight Monitoring Program awards a two pound growth allowance on December 26.

(b) The growth allowance may not be utilized to achieve a lower certified minimum wrestling weight for a wrestler.

(c) In order to utilize the growth allowance a wrestler shall compete at “scratch weight” in the desired weight class at least once prior to the District Meet.

SCRATCH WEIGHT: References within the Florida Wrestling Weight Monitoring Program to the term “scratch weight” refer to the weight achieved which qualifies an athlete to wrestle at one of the National Federation established weight classes less growth allowance and/or any consecutive day allowance awarded under NFHS Wrestling Rules.

Q: If a wrestler is assessed, and the lowest he can go is 153, can he go 154 for districts?

A: No. The growth allowance may not be utilized to achieve a lower certified minimum wrestling weight.
4.18.3.6 Weight Loss Per Week

(a) An average weight loss limit of 1.5 percent of body weight at the time of initial assessment per week has been set. A season long weight loss plan will guide his/her weight loss during the season.

(b) If a wrestler weighs-in and wrestles up a weight class, the OPC 1.5% loss limit may prevent a wrestler from going back down to his desired weight for the next contest.

(c) The weight loss plan will determine which weight class(es) a wrestler may participate at each week.

Q: A wrestler’s lowest minimum certified weight class is 120 with a minimum certified weight of 114.5. He weighed 134 at assessment and weighs 131.3 at the first week of competition. May he wrestle 138 during the first week of competition?

A: Yes. He is eligible by the Optimal Performance Calculator for both 132 and 138.

(d) A wrestler, through his/her school, may petition to raise his/her minimum wrestling weight class by completing the appropriate form and submitting it to the FHSAA Office. The deadline to petition is the last regular season competition date.

Q: If a wrestler certifies at 113 and makes scratch weight early in the season (113) and weighs in at 119.6 later for another match, but bumps to 125 (not weighs in at 125, but weighs in at 120 and wrestles 126 in a tournament halfway through the season), is he still certified at 113?

A: Yes.

(e) If a student-athlete weighs in and participates in any weight class above the eligible weight classes defined by the weight loss plan, the wrestler has recertified at that weight class. The wrestler is required to compete at this weight class, or any greater weight class for which they qualify, for the remainder of the season.

(f) PENALTY — A wrestler who participates at a weight class, below the eligible weight class(es) defined by the weight loss plan, before the proper amount of time has passed to achieve the weight class will be considered an ineligible wrestler.

Example:

<table>
<thead>
<tr>
<th>Weight at Initial Assessment</th>
<th>163 lbs</th>
<th>1.5% loss per week = 2.45 lbs (2.445 rounded)</th>
</tr>
</thead>
<tbody>
<tr>
<td>BF% = 16%</td>
<td>Minimum Wrestling Weight = 147.23 lbs</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Projected Weight with 1.5% loss per week</th>
<th>Eligible Weight Class(es)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Week 1 160.56</td>
<td>170, 182</td>
</tr>
<tr>
<td>Week 2 158.11</td>
<td>160,170</td>
</tr>
<tr>
<td>Week 3 155.67</td>
<td>160,170</td>
</tr>
<tr>
<td>Week 4 153.22</td>
<td>160,170</td>
</tr>
<tr>
<td>Week 5 150.78</td>
<td>152, 160</td>
</tr>
<tr>
<td>Week 6 148.3</td>
<td>152, 160</td>
</tr>
<tr>
<td>Week 7 147.23 (By “Plan”, not 145.89 by calculation)</td>
<td>152, 160</td>
</tr>
</tbody>
</table>

Note 1: The wrestler in this example would not be allowed to compete below the 152 lbs weight class during the year.

Note 2: In the above example, a wrestler who weighs-in at 151.80 lbs. during Week 4 is only eligible to compete at 160 lbs. – he/she would not be eligible to compete at 152 lbs. even though the weigh-in qualifies him/her for that weight as per Section VI (d).

4.18.3.7 Appeal Process

Note: In order to utilize the results of an appeal the school must receive notification from the FHSAA Office prior to allowing the appealing athlete to compete.

Parental permission is not a valid means to establish a lower minimum wrestling weight. Any athlete may appeal his/her assessment results one (1) time by reassessment. Step 1 may be bypassed and only Step 2 performed. The steps of the appeal process are as follows:

Step 1: The athlete shall repeat the assessment as described in the regulation. EXCEPTION: Skinfold measurement assessment may not be used for the appeal process.

(a) The reassessment shall occur within 14 calendar days of the initial assessment date unless a written extension is granted by the FHSAA before the expiration of the 14-day period. The 14-day appeal period shall start on the day following the date of initial assessment. Day one through seven does not permit any loss of weight for an appeal to be valid. During the second week, days 8-14, a wrestler may weigh no less than 1.5 percent (rounded down) of his/her body weight measured at the initial assessment. Failure to meet these conditions or timelines is cause for denial.

(b) Data shall be recorded on the Bioelectrical Impedance Assessment Data Form.
(c) Reassessment includes hydration and Bioelectrical Impedance assessment.

Step 2: If dissatisfaction with the results remains, the wrestler may choose Hydrostatic weighing or Bod Pod assessment to determine body fat percentage. Results obtained at this step are automatically accepted; the athlete, family, school or coach may not appeal further.

(a) The hydrostatic weighing or Bod Pod assessment shall occur within 30 calendar days of the initial assessment date unless a written extension is granted by the FHSAA before the expiration of the 30-day period. The 30-day appeal period shall start on the day following the date of initial assessment.

(b) The school shall file a “Hydrostatic Weighing Proposal” or “Bod Pod Assessment Proposal” before a hydrostatic weighing or Bod Pod assessment is approved.

(c) Hydrostatic weighing and Bod Pod facilities must be approved by the FHSAA; the proper form shall be filed with the FHSAA.

4.18.3.8 Costs

(a) All costs incurred for initial assessment, appeal process, any nutrition education program, and NWCA Optimal Performance Calculator are the responsibility of the school or parent.

(b) Charges for bioelectrical impedance or skinfold measurement assessment may not exceed $5 per person when schools contract with an FHSAA Certified Assessor.

(c) FHSAA Certified Assessors are permitted to charge mileage at the FHSAA adopted (same as contest officials) rate of 30 cents/mile round trip or a service fee of $30 or less whenever travel is required to a location at which fewer than six subjects are to be assessed on any given date.
