Using This Directory

Member schools have been divided into three sections – senior high school full members, middle school full members and affiliate members. Schools in each section are listed in alphabetical order by the name by which they are most commonly referred. For example, Boone High School (Orlando) is listed as “Boone High School” and not “William R. Boone High School.”

Sample Listing

Below is a sample school listing. For private schools that have headmasters, administrators or directors rather than principals, the following abbreviations are used: Headmaster = Head; Administrator = Admin; Director = Dir.

Bartram Trail High School
- Nickname: Bears
