

## Recommendation Form – Agenda Items

Site: Robert W. Hughes FHSAA Building, Gainesville

Date: December 11, 2017

Rule Reference(s):	Action: X	Discussion:
<b>Item:</b> :40 play clock		
1. <b>Background Information:</b> The NFHS may be moving to a :40 play clock and may offer each state the ability to make their own decision		
<b>Recommendation:</b> Move to the :40 play clock if allowed. It will make every game more uniform in that each Referee currently has the ability to speed up or slow down a game. Of course, there will be parameters to move to a :25 clock following penalties, on kickoffs, etc.		
<b>Rationale:</b> Continuity in game speed and length		
<b>Alternative to Recommendation:</b> Continue as is		

1. Approve recommendation.
2. Modify the recommendation- Charles Arrasmith motioned to amend the recommendation to add that Florida will apply for a pilot program for the 40 second clock if it was not adopted by the NFHS.
3. Deny the recommendation
