Tournament Appearances by School

Schools are listed in alphabetical order by current name. Schools which have undergone name changes have notations of such in their listings. Schools which were consolidated with other schools and retained their name and/or their campus are credited with their tournament histories prior to the consolidation, but not with the tournament histories of those schools which they absorbed. Schools which no longer exist or are no longer members of the FHSAA are indicated by "+" following their name. Finals Record includes only those matches played in the FHSAA Boys Volleyball Finals state championship tournament (state quarterfinals and beyond). Tournament Record includes all matches in the FHSAA State Boys Volleyball Series tournaments on the district, regional, and state levels. Appearances in parentheses after school name indicate: Appearances in FHSAA Finals/Appearances in State Series. *Note: a best-3-of-5 rally scoring system replaced the previous best-2-of-3 sideout system in 2003. Beginning in 2014, district results no longer included in Tournament Record.*

Tournament Scores by School

Schools are listed in alphabetical order by current name. Schools which have undergone name changes have notations of such in their listings. Schools which were consolidated with other schools and retained their name and/or their campus are credited with their tournament histories prior to the consolidation, but not with the tournament histories of those schools which they absorbed. Schools which no longer exist or are no longer members of the FHSAA are indicated by "++" following their name. Listing of scores includes all matches in the FHSAA State Boys Volleyball Series tournaments on the district, regional, and state levels. Note: a best-3-of-5 rally scoring system replaced the previous best-2-of-3 sideout system in 2003.
