

Academic Team Champions – Standings 2015-16

Points will be given for where a school places in each of the categories. The top 10 schools in each category will receive points. Ten points will be awarded for a first place finish, nine points for second, etc. The school in each class with the highest cumulative point total for the school year will get a plaque. Points awarded for teams in single-class sports will still count toward the overall standings.

Class 8A School	Cumulative Point Total
