MEMORANDUM

TO: FHSAA Representative, Athletic Director, & Head Golf Coach

FROM: **Ed Thompson—Director of Athletics**

RE: 2020 FHSAA Regional Golf Tournaments

The Florida High School Athletic Association is currently making plans for the 2020-21 school year. Accordingly, we are interested in establishing the host schools and sites for the 2020 FHSAA Region Golf Tournaments. It is part of an overall goal for advanced planning which we believe will benefit the potential host institution and those schools participating in the FHSAA State Series in golf.

If your school is interested in serving as host for one of the regional golf tournaments to be held on October 19-21, 2020, (Monday, Tuesday, or Wednesday) please submit the bid to host to the FHSAA Office as soon as possible.

[CLICK HERE TO ACCESS THE ONLINE BID TO HOST APPLICATION](#)

A number of rules changes have been made since the conclusion of the 2018 season:

- Districts and Regions are condensed—16 districts per class and 4 regions per class
- **The regional field has increased to 72 players per gender. Please take this into consideration when consulting with your proposed course.**
- Seeding at regionals is based upon ratings using score, course rating, and slope established in the district round. A copy of the regional course scorecard is required to be submitted with the bid.
- **Live hole-by-hole scoring is required of all players using iWanamaker.**
- Advancement from Region to State is as follows:
 - The top 3 teams and top 3 individuals advance automatically.
 - The next four teams and next four individual best scores overall from across the state will advance on an at-large basis based upon a rating established using score, course rating, and slope.
- The field at the state finals remains at 96 per gender/class.

FHSAA will work directly with regional hosts and FSGA after they have been selected to arrange officials.

For your information, the regional breakdown is below:

Region 1	Districts 1-4
Region 2	Districts 5-8
Region 3	Districts 9-12
Region 4	Districts 12-16

All applications will be evaluated on an ongoing basis. Site selections will be announced on an ongoing basis. We look forward to receiving your region golf host application.
